Maverick Movies tells the improbable story of New Line Cinema a company that cut a remarkable path through the American film industry and movie culture Founded in 1967 as an art film distributor New Line made a small fortune running John Waters's Pink Flamingos at midnight screenings in the 1970s and found reliable returns with the Nightmare on Elm Street franchise in the 1980s By 2001 the company competed with the major Hollywood studios and reached global box office success with the Lord of the Rings franchise Blurring boundaries between high and low culture between independent film and Hollywood and between the margins and the mainstream New Line Cinema epitomizes Hollywood's shift in focus from the mass audience fostered by the classic studios to the multitude of niche audiences sought today

Movies in American History Philip C. DiMare, 2011-06-17 This provocative three-volume encyclopedia is a valuable resource for readers seeking an understanding of how movies have both reflected and helped engender America's

political economic and social history

Movies in American History An Encyclopedia is a reference text focused on the relationship between American society and movies and filmmaking in the United States from the late 19th century through the present. Beyond discussing many important American films ranging from *Birth of a Nation* to *Star Wars* to the Harry Potter film series, the essays included in the volumes explore sensitive issues in cinema related to race, class, and gender, authored by international scholars who provide unique perspectives on American cinema and history. Written by a diverse group of distinguished scholars with backgrounds in history, film studies, culture studies, science, religion, and politics, this reference guide will appeal to readers new to cinema studies as well as film experts. Each encyclopedic entry provides data about the film, an explanation of the film's cultural significance and influence, information about significant individuals involved with that work, and resources for further study.
