Lord William Bentinck The Making Of A Liberal Imperialist 1774 1839:

Lord William Bentinck John Rosselli, 1974 **Liberalism, Imperialism, and the Historical Imagination** Theodore Koditschek, 2011-02-10 This book examines the ways in which imperial agendas informed the writing of history in nineteenth century Britain and how historical writing transformed imperial agendas Using the published writings and personal papers of Walter Scott J A Froude James Mill Rammohun Roy T B Macaulay E A Freeman W E Gladstone and J R Seeley among others Theodore Koditschek sheds light on the role of the historical imagination in the establishment and legitimation of liberal imperialism He shows how both imperialists and the imperialized were drawn to reflect back on the Empire s past as a result of the need to construct a modern multi national British imperial identity for a more economically expansive and enlightened present By tracing the imperial lives and historical works of these pivotal figures Theodore Koditschek illuminates the ways in which discourse altered practice and vice versa as well as how the history of Empire was continuously written and re written

Susan Billington Harper, This book presents the only critical study of the public life and legacy of V S Azariah 1874 1945 the first Indian bishop of an Anglican diocese and the most successful leader of rural conversion movements to Christianity in modern India Harper carefully explores Bishop Azariah s work including his attempts to redress racism and improve social conditions in India and documents for the first time anywhere the previously unknown controversy between Bishop Azariah and the great Mahatma Gandhi

Guru English Srinivas Aravamudan, 2011-06-27 Guru English is a bold reconceptualization of the scope and meaning of cosmopolitanism examining the language of South Asian religiosity as it has flourished both inside and outside of its original context for the past two hundred years The book surveys a specific set of religious vocabularies from South Asia that Aravamudan argues launches a different kind of cosmopolitanism into global use Using Guru English as a tagline for the globalizing idiom that has grown up around these religions Aravamudan traces the diffusion and transformation of South Asian religious discourses as they shuttled between East and West through English language use The book demonstrates that cosmopolitanism is not just a secular Western discourse that results from a disenchantment with religion but something that can also be refashioned from South Asian religion when these materials are put into dialogue with contemporary social movements and literary texts Aravamudan looks at religious forms of neoclassicism nationalism Romanticism postmodernism and nuclear millenarianism bringing together figures such as Swami Vivekananda Sri Aurobindo Mahatma Gandhi and Deepak Chopra with Rudyard Kipling James Joyce Robert Oppenheimer and Salman Rushdie Guru English analyzes writers and gurus literary texts and religious movements and the political uses of religion alongside the literary expressions of religious teachers showing the cosmopolitan interconnections between the Indian subcontinent the British Empire and the American New Age

Sir Stamford Raffles And Some Of His Friends And Contemporaries: A Memoir Of The Founder Of Singapore John Bastin, 2019-03-29 This book written by Dr John Bastin a leading authority on the study of Sir Stamford Raffles offers an alternative biographical account of Raffles as seen through

his relationship with some of his closest friends and contemporaries The people featured include the naturalists Joseph Arnold Thomas Horsfield and Nathaniel Wallich who received support from Raffles in carrying on their scientific research and the orientalist John Leyden who influenced Raffles's study of Malay and Malay customs Examining Raffles and his social circle presents an original perspective of the man and of the colonial world in which he lived and his correspondence with his friends and scientific colleagues reflects his attitude and opinions on a range of issues including his desire to extend the benefits of education The book is a highly original contribution to the study of Raffles in the bicentenary year of his founding of Singapore

Mapping an Empire Matthew H. Edney, 2024-05-31 In this fascinating history of the British surveys of India Matthew H Edney relates how imperial Britain used modern survey techniques to not only create and define the spatial image of its Empire but also to legitimate its colonialist activities There is much to be praised in this book It is an excellent history of how India came to be painted red in the nineteenth century But more importantly Mapping an Empire sets a new standard for books that examine a fundamental problem in the history of European imperialism D Graham Burnett Times Literary Supplement Mapping an Empire is undoubtedly a major contribution to the rapidly growing literature on science and empire and a work which deserves to stimulate a great deal of fresh thinking and informed research David Arnold Journal of Imperial and Commonwealth History This case study offers broadly applicable insights into the relationship between ideology technology and politics Carefully read this is a tale of irony about wishful thinking and the limits of knowledge Publishers Weekly

Triumph of the Expert Joseph Morgan Hodge, 2007 Triumph of the Expert is a history of British colonial policy and thinking and its contribution to the emergence of rural development and environmental policies in the late colonial and postcolonial period

Gender, Morality, and Race in Company India, 1765-1858 J. Sramek, 2011-09-12 This book examines the relationship between colonial anxieties about personal behavior gender morality and colonial rule in India during the first century of British rule when the East India Company governed India rather than the British State directly focusing on the ideology of The Empire of Opinion

Nationalism and Globalisation Stephen Tierney, 2015-10-08 This book addresses a seemingly paradoxical situation On the one hand nationalism from Scotland to the Ukraine remains a resilient political dynamic fostering secessionist movements below the level of the state On the other the competence and capacity of states and indeed the coherence of nationalism as an ideology are increasingly challenged by patterns of globalisation in commerce cultural communication and constitutional authority beyond the state It is the aim of this book to shed light on the relationship between these two processes addressing why the political currency of nationalism remains strong even when the salience of its objective independent and autonomous statehood becomes ever more attenuated The book takes an interdisciplinary approach both within law and beyond with contributions from international law constitutional law constitutional theory history political science and sociology The challenge for our time is considerable Global networks grow ever more sophisticated while territorial borders such as those in Eastern and Central Europe become seemingly more

unstable It is hoped that this book by bringing together areas of scholarship which have not communicated with one another as much as they might will help develop an ongoing dialogue across disciplines with which better to understand these challenging and potentially destabilising developments

Ideologies of the Raj Thomas R. Metcalf, 1997-02-27 Ideologies of the Raj examines how the British sought to justify their rule over India The author argues that two divergent strategies were devised to legitimate their authority the one defined characteristics which the Indians shared with the British themselves while the other emphasised qualities of enduring difference In the end however the differences predominated in the colonial view of India Since the British constructed few explicit ideologies of empire the author explores the workings of the Raj through the study of its underlying assumptions as revealed in policies and writings Students of modern India and the British Empire will find Thomas Metcalf's book relevant and accessible

Science, Technology and Medicine in Colonial India David Arnold, 2000-04-20 Interest in the science technology and medicine of India under British rule has grown in recent years and has played an ever increasing part in the reinterpretation of modern South Asian history Spanning the period from the establishment of East India Company rule through to Independence David Arnold's wide ranging and analytical survey demonstrates the importance of examining the role of science technology and medicine in conjunction with the development of the British engagement in India and in the formation of Indian responses to western intervention One of the first works to analyse the colonial era as a whole from the perspective of science the book investigates the relationship between Indian and western science the nature of science technology and medicine under the Company the creation of state scientific services imperial science and the rise of an Indian scientific community the impact of scientific and medical research and the dilemmas of nationalist science

The Great Indian Education Debate Martin Moir, Lynn Zastoupil, 2013-12-16 A bitter debate erupted in 1834 between Orientalists and Anglicists over what kind of public education the British should promote in their growing Indian empire This collection of the main documents pertaining to the controversy some published for the first time aims to recover the major British and South Asian voices broaden our understanding of imperial discourses and recognise the significant role of the colonised in the shaping of colonial knowledge Bringing together into a single volume documents not easily obtained long out of print never before published or scattered about in sundry books and journals enables modern readers to judge the relative merits of the various arguments and undermines the common impression that the controversy was simply an exercise in colonial power involving only Europeans

Sikkim Andrew Duff, 2015-05-14 A history of larger than life characters and the demise of the tiny Himalayan kingdom nestled between India and China This is the true story of Sikkim a tiny Buddhist kingdom in the Himalayas that survived the end of the British Empire only to be annexed by India in 1975 It tells the remarkable tale of Thondup Namgyal the last King of Sikkim and his American wife Hope Cooke thrust unwittingly into the spotlight as they sought support for Sikkim's independence after their fairytale wedding in 1963 As tensions between India and China spilled over into war in the Himalayas Sikkim became a pawn in the

Cold War in Asia during the 1960s and 1970s Rumors circulated that Hope was a CIA spy Meanwhile a shadowy Scottish adventuress the Kazini of Chakung married to Sikkim s leading political figure coordinated opposition to the Palace As the world s major powers jostled for regional supremacy during the early 1970s Sikkim and its ruling family never stood a chance On the eve of declaring an emergency across India Indira Gandhi outwitted everyone to bring down the curtain on the 300 year old Namgyal dynasty Based on interviews and archive research as well as a retracing of a journey the author s grandfather made in 1922 this is a thrilling romantic and informative glimpse of a real life Shangri La Praise for Sikkim A remarkable piece of detective work Fascinating human stories a very valuable addition to how the Cold War played out in South Asia and to the history of the foreign policies of China India and the U S Michael Burleigh author of *The Best of Times* the *Worst of Times* *Trust and Distrust* Mark Knights,2021-12-02 *Trust and Distrust* offers the first overview of Britain s history of corruption in office in the pre modern era 1600 1850 and as such will appeal not only to historians but also to political and social scientists Mark Knights paints a picture of the interaction of the domestic and imperial stories of corruption in office showing how these stories were intertwined and related Linking corruption in office to the domestic and imperial state has not been attempted before and Knights does this by drawing on extensive interdisciplinary sources relating to the East India Company as well as other colonial officials in the Atlantic World and elsewhere in Britain s emerging empire Both corruption and office were concepts that were in evolution during the period 1600 1850 and underwent very significant but protracted change which this study charts and seeks to explain The book makes innovative use of the concept of trust which helped to shape office in ways that underlined principles of selflessness disinterestedness integrity and accountability in officials *RADICALISM & REFORM IN BRITAIN, 1780-1850* J. R. Dinwiddy,1992-01-01 This book brings together the articles of J R Dinwiddy to show both the coherence and importance of his contribution to British history in this period His work covers the spectrum of political activity and thought from the Whigs to the Luddites and from Burke via Bentham to Marx **In the Shadow of the Mahatma** Susan Billington Harper,2019-06-04 This is a biography of Vedanayagam Samuel Azariah 1874 1945 bishop of the Anglican Church in India from 1912 until his death in 1945 His life sheds new light on the challenges and opportunities faced by religious minorities throughout the world today As a Christian leader in a non Christian culture he negotiated complex cultural social political and economic pressure with exceptional skill and diplomacy As the first Indian bishop of an Anglican diocese and as modern India s most successful leader of depressed class and non Brahmin conversion movements to Christianity Azariah was equally at home with the untouchables of rural India and the unreachable of the British Empire From this platform Azariah inevitably came into contact and ironically also into conflict with the dominating presence of Mahatma Gandhi Susan Billington Harper here reconstructs major events and issues of Azariah s public life including a previously unstudied controversy with Gandhi over the issue of conversion and religious freedom in the 1930s Based on hitherto untapped primary sources including diocesan records and vernacular oral histories

expressed in both stories and songs this fascinating volume not only provides the first critical study of Bishop Azariah's life but also offers important at times challenging insights for those interested in modern India and the place of Christianity within it

The East India Company and the Politics of Knowledge Joshua Ehrlich, 2023-07-06 Ehrlich reveals how the East India Company used its commitment to knowledge to justify its commercial and political power

The Rule of Law and Emergency in Colonial India Haruki Inagaki, 2021-10-09 This book takes a closer look at colonial despotism in early nineteenth century India and argues that it resulted from Indians forum shopping the legal practice which resulted in jurisdictional jockeying between an executive the East India Company and a judiciary the King's Court Focusing on the collisions that took place in Bombay during the 1820s the book analyses how Indians of various descriptions peasants revenue defaulters government employees merchants chiefs and princes used the court to challenge the government and vice versa and demonstrates the mechanism through which the lawcourt hindered the government's indirect rule which relied on local Indian rulers in newly conquered territories The author concludes that existing political anxiety justified the East India Company's attempt to curtail the power of the court and strengthen their own power to intervene in emergencies through the renewal of the company's charter in 1834 An insightful read for those researching Indian history and judicial politics this book engages with an understudied period of British rule in India where the royal courts emerged as sites of conflict between the East India Company and a variety of Indian powers

Palermo, City of Kings Jeremy Dummett, 2015-04-01 Palermo the capital of Sicily is a destination with a difference The city is a treasure trove of original monuments and works of art combined with architecture of grand proportions Yet it also has a grittier side shown by the continuing influence of the mafia Jeremy Dummett here provides a concise overview of Palermo's long history together with a survey of its most important monuments and sites He looks at the influences of the city's various ancient rulers the Phoenicians Romans Arabs and Normans as well as its more recent incarnation as part of the Italian state In addition to being an essential companion for visitors to Palermo this book can be equally enjoyed as a standalone history of the city and its place at the heart of Sicily

Mirrors of Mortality (Routledge Revivals) Joachim Whaley, 2012-08-06 First published in 1981 this reissue examines mankind's preoccupation with death and mortality by isolating various societies in different periods of time The authors examine not only the formal rituals associated with the last rite of passage but also the social attitudes to death and dying which these rituals evidence The essays establish that different periods do seem to be characterized by different images of death and attitudes to it but the authors wisely avoid trying to impose strict chronological pattern A pioneering work in the historical study of attitudes to death this reissue should reignite discussion on the significance of death in human history

Christiane Sourvinou Inwood examines attitudes to death as reflected in myth and religious thought in Ancient Greece and relates them to social and economic change R C Finucane analysis the social significance of the exemplary deaths of kings criminals traitors and saints in medieval Europe Paul Fritz's essay illustrates the importance of royal burials in early modern

Britain while Joachim Whaley examines the social and political significance of funerals in Hamburg between 1500 and 1800 John McManners discusses the work of Philippe Aries and other prominent French scholars on the history of attitudes to death David Irwin examines the images of death portrayed in European tombs around 1800 C A Bayly analyzes the relationship between death ritual and society in Hindu Northern India while David Cannadine discusses the impact of war on attitudes to death in modern Britain
