Lord Arthur Savile's Crime:

Lord Arthur Savile's Crime Wilde Oscar, 2017-07-16 Oscar Wilde Full name Oscar Fingal O'Flahertie Wills Wilde 1854 1900 A famous Irish playwright, novelist, essayist, and poet Oscar Wilde, one of the most unconventional authors in the late Victorian England, is best known for his novel *The Picture of Dorian Gray*, several plays, as well as for his brilliant wit, flamboyant style, and infamous imprisonment for homosexuality, which led to his early death. *Lord Arthur Savile's Crime and Other Stories*, a much acclaimed collection of short semi-comic mystery stories, was first published in 1891. It includes *Lord Arthur Savile's Crime*, *The Canterville Ghost*, *The Sphinx Without a Secret*, *The Model Millionaire*, and *The Portrait of Mr W H*.

Lord Arthur Savile's Crime and Other Stories Oscar Wilde, 2008-08-15 A publication of 1891, *Lord Arthur Savile's Crime and Other Stories* by Oscar Wilde revolves around the differences between people of various cultures and social classes. The motif of the sanctity and the priority of duty are common themes to all the stories. The collection also brings out Wilde's fascination with the supernatural and with the darker side of human nature.

Lord Arthur Savile's Crime, And Other Stories Annotated Illustrated Oscar Wilde, 2021-03-22 *Lord Arthur Savile's Crime and Other Stories* is a collection of short semi-comic mystery stories that were written by Oscar Wilde and published in 1891. It includes *The Portrait of Mr W H*, *Lord Arthur Savile's Crime*, *The Canterville Ghost*, *The Sphinx Without a Secret*, *The Model Millionaire*, and *The Portrait of Mr W H*. *The Portrait of Mr W H* is a story written by Oscar Wilde, first published in *Blackwood's Magazine* in 1889. It was later added to the collection *Lord Arthur Savile's Crime and Other Stories*, though it does not appear in early editions. An enlarged edition, planned by Wilde, almost twice as long as the *Blackwood's* version, with cover illustration by Charles Ricketts, did not proceed and only came to light after Wilde's death. This was published in limited edition by Mitchell Kennerley in New York in 1921 and in a first regular English edition by Methuen in 1958, edited by Vyvyan Holland. The story is about an attempt to uncover the identity of Mr W H, the enigmatic dedicatee of Shakespeare's *Sonnets*. It is based on a theory originated by Thomas Tyrwhitt that the sonnets were addressed to one Willie Hughes, portrayed in the story as a boy actor who specialized in playing women in Shakespeare's company. This theory depends on the assumption that the dedicatee is also the Fair Youth, who is the subject of most of the poems. The only evidence for this theory is the text of a number of sonnets themselves, such as Sonnet 20, that makes puns on the words Will and Hues. *Lord Arthur Savile's Crime*: This story was first published in *The Court and Society Review* in late 1887. The main character, Lord Arthur Savile, is introduced by Lady Windermere to Mr Septimus R Podgers, a chiromantist who reads his palm and tells him that it is his destiny to be a murderer. Lord Arthur wants to marry but decides he has no right to do so until he has committed the murder. His first attempted murder victim is his elderly Aunt Clementina, who suffers from heartburn. Pretending it is medicine, Lord Arthur gives her a capsule of poison, telling her to take it only when she has an attack of heartburn. Reading a telegram in Venice some time later, he finds that she has died and victoriously returns to London to learn that she has bequeathed him some property. Sorting through the

inheritance his intended wife Sybil Merton finds the poison pill untouched thus Lord Arthur's aunt died from natural causes and he finds himself in need of a new victim After some deliberation he obtains a bomb disguised as a carriage clock from a jovial German and sends it anonymously to a distant relative the Dean of Chichester When the bomb goes off however the only damage done seems like a novelty trick and the Dean's son spends his afternoons making tiny harmless explosions with the clock In despair Lord Arthur believes that his marriage plans are doomed only to encounter late at night on the bank of the River Thames the same palm reader who had told his fortune Realising the best possible outcome he pushes the man off a parapet into the river where he dies A verdict of suicide is returned at the inquest and Lord Arthur happily goes on to marry In a twist the palmister is denounced as a fraud leaving the moral of the story to show the power of suggestion The Canterville Ghost The first of Wilde's stories to be published appearing in the magazine The Court and Society Review in February 1887 When a family from the United States buys Canterville Chase they are told it is haunted by a horrible spirit but this does not deter them in the slightest Indeed when they find a recurring blood stain on the floor and hear creaking chains in the night even seeing the ghost himself all they do is clean up the blood and insist that the ghost oil his manacles if he is going to keep living in the house This perturbs the ghost to no end and he does everything he can to try to frighten the family

Lord Arthur Savile's Crime Oscar Wilde, 2021-02-08 IT was Lady Windermere s last reception before Easter and Bentinck House was even more crowded than usual Six Cabinet Ministers had come on from the Speaker s Lev e in their stars and ribands all the pretty women wore their smartest dresses and at the end of the picture gallery stood the Princess Sophia of Carlsr he a heavy Tartar looking lady with tiny black eyes and wonderful emeralds talking bad French at the top of her voice and laughing immoderately at everything that was said to her It was certainly a wonderful medley of people Gorgeous peeresses chatted affably to violent Radicals popular preachers brushed coat tails with eminent sceptics a perfect bevy of bishops kept following a stout prima donna from room to room on the staircase stood several Royal Academicians disguised as artists and it was said that at one time the supper room was absolutely crammed with geniuses In fact it was one of Lady Windermere s best nights and the Princess stayed till nearly half past eleven As soon as she had gone Lady Windermere returned to the picture gallery where a celebrated political economist was solemnly explaining the scientific theory of music to an indignant virtuoso from Hungary and began to talk to the Duchess of Paisley She looked wonderfully beautiful with her grand ivory throat her large blue forget me not eyes and her heavy coils of golden hair Or pur they were not that pale straw colour that nowadays usurps the gracious name of gold but such gold as is woven into sunbeams or hidden in strange amber and they gave to her face something of the frame of a saint with not a little of the fascination of a sinner She was a curious psychological study Early in life she had discovered the important truth that nothing looks so like innocence as an indiscretion and by a series of reckless escapades half of them quite harmless she had acquired all the privileges of a personality She had more than once changed her husband indeed Debrett credits her with three marriages but as she had never changed her lover the world had long ago ceased to talk scandal about her She was now forty years of age childless and with that inordinate passion for pleasure which is the secret of remaining young Suddenly she looked eagerly round the room and said in her clear contralto voice Where is my cheiromantist Your what Gladys exclaimed the Duchess giving an involuntary start My cheiromantist Duchess I can t live without him at present Dear Gladys you are always so original murmured the Duchess trying to remember what a cheiromantist really was and hoping it was not the same as a cheiropodist He comes to see my hand twice a week regularly continued Lady Windermere and is most interesting about it Good heavens said the Duchess to herself he is a sort of cheiropodist after all How very dreadful I hope he is a foreigner at any rate It wouldn t be quite so bad then
