**God, Why Do You Love Me?: Cognitive Dissonance - Finding Freedom From Shame** , Have you ever felt discarded unworthy dirty Do you feel chained down by shame and regret Do you look at yourself and wonder how you could ever be clean Would you believe me if I told you there really is a way One that works A way from pain to freedom From shame to acceptance From loneliness to being loved more than you could possibly imagine By picking up God Why Do You Love Me you just took the first step The first step toward freedom from shame onto a path of transformation healing and invigoration How do I know this Because I walked the same path lived shackled in the same chains of shame and was led by God on that same miraculous journey Why Because God loves us as we are knows exactly how we feel and still wants a relationship with us He wants a relationship with you RIGHT NOW Though hurt and pain may distance your heart from Him His specialty is broken people Trust me I know Just as doctors perform surgery to heal God desires to do the same for us Through sharing my story and how God has written His story of redemption in my life and on my heart I hope that you can reflect on your story and how God is waiting and ready to transform your own hurting heart as He did mine Please take this step with me on this journey of healing and learn who God created you to be

*Gospel Coach* Scott Thomas,Tom Wood,2012-05-08 In order to help pastors and other Christian leaders to lovingly lead God s flock to Jesus Christ and into God s mission Scott Thomas and Tom Wood clarify a process of coaching and shepherding that is rooted in the patterns of the Good Shepherd himself a process in which leaders stir up the gifts passion and calling upon others lives This book addresses the needs of the leader his or her sinful tendencies and church leadership issues It directs the leader to the person and work of Jesus It provides a system to intentionally shepherd leaders to glorify God in their personal spiritual and missional lives Many ministry leaders serving in churches find themselves overwhelmed disillusioned and depressed by the enormous and challenging task of leading and ministering in a congregation As a result the ministry suffers the leaders suffer and the result is often an unhealthy church existent with little or no Gospel influence These leaders need someone to shepherd their soul so that they can lead others to the Chief Shepherd Jesus Christ We suggest that coaching for the church leader looks less like corporate consulting or humanistic psychology and more like biblical shepherding We suggest that every church leader needs a Gospel Coach to come alongside with words of truth wisdom and experience to encourage admonish comfort and

help words drawn from Scripture and godly wisdom grounded in the gracious saving work of Jesus Christ and presented in the context of a trusting relationship Gospel Coaching is an intentional relationship to skillfully care for others with four ancient shepherding principles 1 Know the sheep 2 Feed the sheep 3 Lead the sheep and 4 Protect the sheep A Gospel Coach both inquires about the personal spiritual and missional aspects of a ministry leader's life in a loving yet focused manner and also probes the church leader for compulsive unbelief or selfish motivation or disobedience and sin and leads the ministry leader back to the Gospel through belief repentance and obedience Churches that desire to be rich in a Gospel application toward their city their relationships with one another their communication and worship as well as their service will benefit to a greater degree by having their leaders being coached by a Gospel centered leader
