Edmonson,Patricia A. Andrews,Victoria Reifler Bricker,1985 *Supplement to the Handbook of Middle American Indians, Volume 3* Victoria Reifler Bricker,Munro S. Edmonson,2010-07-22 The sixteen volume Handbook of Middle American Indians completed in 1976 has been acclaimed the world over as the single most valuable resource ever produced for those involved in the study of Mesoamerica When it was determined in 1978 that the Handbook should be updated periodically Victoria Reifler Bricker well known cultural anthropologist was elected to be general editor This third volume of the Supplement is devoted to the aboriginal literatures of Mesoamerica a topic receiving little attention in the original Handbook According to the general editor This volume does more than supplement and update the coverage of Middle American Indian literatures in the Handbook It breaks new ground by defining the parameters of a new interdisciplinary field in Middle American Indian studies The aim of the present volume is to consider literature from five Middle American Indian languages Nahuatl Yucatecan Maya Quiche Tzotzil and Chorti The first three literatures are well documented for both the Classical and Modern variants of their languages and are obvious candidates for inclusion in this volume The literatures of Tzotzil and Chorti on the other hand are oral and heretofore little has been written of their genres and styles Taken together

these essays represent a substantial contribution to the Handbook series with the volume editor's introduction placing in geographic perspective the five literatures chosen as representative of the Middle American literary tradition *Road To Hell* J.C. Moorhouse, 2011-11-03 There is no shortage of books on the ill fated Gallipoli campaign of 1915 but this one stands out In it Geoffrey Moorhouse moves the focus from the more familiar aspects to concentrate on one small mill town Bury in Lancashire and to anatomize the long lasting effect the Dardanelles had on it Bury was the regimental home of the Lancashire Fusiliers In the Gallipoli landings of 25 April 1915 it lost a large proportion of its youth By May 1915 some 7 000 Bury men had already gone to war to be followed by many others before Armistice Day More than 1 600 from just three local battalions of the Fusiliers were among those who never returned The regiment left 1 816 dead men on Gallipoli alone it lost 13 642

soldiers in the Great War as a whole This terrifying sacrifice left its mark Bury commemorates Gallipoli on a scale similar to Anzac Day in Australia and New Zealand and yet as the Second World War approached recruitment to the regiment fell far behind that in other Lancashire towns Hurtles one from rage and cynicism to involvement and tenderness Moorhouse offers one of the most fascinating revelations of the orthodox British spirit religious political and social This book makes wonderful reading Ronald Blythe Sunday Times A fascinating new approach to this tragedy Moorhouse s contribution to the bibliography of Gallipoli is of quite outstanding value Robert Rhodes James The Independent A subtle and moving exploration of the way that memories of slaughter and loss shaped the town s post first world war identity Terry Eagleton New Statesman
