well as graduate students of psychology psychiatry and sociology *Walking in the Garden of Souls* George Anderson, Andrew Barone, 2002-10-01 For 27 years George Anderson widely considered the world's greatest living medium has listened to those on the other side gaining a unique awareness of what those souls want his millions of believers to know to understand and to accept Now Anderson shares this wisdom and offers an incomparable perspective on the questions faced in day to day life **Lost Girl** Mary E. Twomey, 2017-12-11 *Animal Ethics in Context* Clare Palmer, 2010 It is widely agreed that because animals feel pain we should not make them suffer gratuitously Some ethical theories go even further because of the capacities that they possess animals have the right not to be harmed or killed These views concern what not to do to animals but we also face questions about when we should and should not assist animals that are hungry or distressed Should we feed a starving stray kitten And if so does this commit us if we are to be consistent to feeding wild animals during a hard winter In this controversial book Clare Palmer advances a theory that claims with respect to assisting animals that what is owed to one is not necessarily owed to all even if animals share similar psychological capacities Context history and relation can be critical ethical factors If animals live independently in the wild their fate is not any of our moral business Yet if humans create dependent animals or destroy their habitats we may have a responsibility to assist them Such arguments are familiar in human cases we think that parents have special obligations to their children for example or that some groups owe reparations to others Palmer develops such relational concerns in the context of wild animals domesticated animals and urban scavengers arguing that different contexts can create different moral relationships **Discovering A. S. J. Allen** Alonzo Felder, 2022-10-07 Growing up Alonzo Felder heard just a few stories about his great grandfather A S J Allen In this book the author shares his process providing guidance to others seeking to discover the stories of their ancestors The Rev A S J Allen was a respected African American community leader in Alachua County Florida In 1904 he was killed by a white neighbor over a property border dispute In the Jim Crow era the white neighbor faced no consequences for his actions **Expecting with Hope** Drake, Teske, 2014-08-21 A compassionate thoughtful reminder of God's promises for joy and peace after loss You will keep in perfect peace those whose minds are steadfast because they trust in you Isaiah 26:3 When 31 percent of pregnancies end in loss it is no surprise that miscarriage stillbirth or infant loss brings great grief nor is there a shortage of books addressing how to move through and past that sorrow What is seldom considered however is that 85 percent of those women go on to become pregnant again yet the complexity of emotions triggered by a pregnancy following loss is rarely addressed With this book Teske Drake challenges women to claim joy in the midst of grief when newly expecting and shows them just how to accomplish that Centered on biblical promises like the one above and focused specifically around promises of peace this book is a practical guide written by a mother who's been there Drake acknowledges the torrent of anxiety that replaces the natural joy pregnancy can bring She avoids painful clichés and works instead to unearth deeper truths Her tone is gentle caring and compassionate drawing women back to a place of peace and

joy both with God and with their current pregnancy This ten chapter book includes accompanying devotions Pregnancy Prayers personal anecdotes from other mothers who ve experienced similar loss and Pen the Promise journaling prompts to encourage personal application of the promises Drake reveals She constantly drives the reader back to Scripture sharing not only promises given but promises fulfilled Women are offered practical information as well as encouragement and inspiration With Expecting with Hope Drake provides a deeply needed space for expectant mothers to rediscover the joy and peace of pregnancy
