Lost History Contras Cocaine The Preb Project Truth:

Lost History Robert Parry, 1999 **Lost History** Robert Parry, 1997 **New York Magazine** ,1988-08-15 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *Guide to Microforms in Print* ,1995 **Dark Alliance** Gary Webb, 2011-01-04 Major Motion Picture based on Dark Alliance and starring Jeremy Renner Kill the Messenger to be released in Fall 2014 In August 1996 Pulitzer Prize winning journalist Gary Webb stunned the world with a series of articles in the San Jose Mercury News reporting the results of his year long investigation into the roots of the crack cocaine epidemic in America specifically in Los Angeles The series titled Dark Alliance revealed that for the better part of a decade a Bay Area drug ring sold tons of cocaine to Los Angeles street gangs and funneled millions in drug profits to the CIA backed Nicaraguan Contras Gary Webb pushed his investigation even further in his book Dark Alliance The CIA The Contras and the Crack Cocaine Explosion Drawing from then newly declassified documents undercover DEA audio and videotapes that had never been publicly released federal court testimony and interviews Webb demonstrates how our government knowingly allowed massive amounts of drugs and money to change hands at the expense of our communities Webb s own stranger than fiction experience is also woven into the book His excoriation by the media not because of any wrongdoing on his part but by an insidious process of innuendo and suggestion that in effect blamed Webb for the implications of the story had been all but predicted Webb was warned off doing a CIA expose by a former Associated Press journalist who lost his job when years before he had stumbled onto the germ of the Dark Alliance story And though Internal investigations by both the CIA and the Justice Department eventually vindicated Webb he had by then been pushed out of the Mercury News and gone to work for the California State Legislature Task Force on Government Oversight He died in 2004

Cocaine Politics Peter Dale Scott, Jonathan Marshall, 1998-04-10 This important explosive report forcefully argues that the war on drugs is largely a sham as the U S government is one of the world s largest drug pushers authors Scott and Marshall call for immediate political action to end Washington s complicity Their heavily documented book deserves a wide audience PUBLISHERS WEEKLY Dark Alliance Gary Webb, 2014 Major Motion Picture based on Dark Alliance and starring Jeremy Renner Kill the Messenger to be released in Fall 2014 Dark Alliance is a book that should be fiction whose characters seem to come straight out of central casting the international drug lord Norwin Meneses the Contra cocaine broker with an MBA in marketing Danilo Bandon and the illiterate teenager from the inner city who rises to become the king of crack Freeway Ricky Ross But unfortunately these characters are real and their stories are true In August 1996 Pulitzer Prize winning journalist Gary Webb stunned the world with a series of articles in the San Jose Mercury News reporting the results

of his year long investigation into the roots of the crack cocaine epidemic in America specifically in Los Angeles The series titled Dark Alliance revealed that for the better part of a decade a Bay Area drug ring sold tons of cocaine to Los Angeles street gangs and funneled millions in drug profits to the CIA backed Nicaraguan Contras Gary Webb pushed his investigation even further in his book Dark Alliance The CIA The Contras and the Crack Cocaine Explosion Drawing from then newly declassified documents undercover DEA audio and videotapes that had never been publicly released federal court testimony and interviews Webb demonstrates how our government knowingly allowed massive amounts of drugs and money to change hands at the expense of our communities Webb s original article spurred an immediate outcry Within days of publication both of California s senators made formal requests for investigations of the U S government s relationship with the cocaine ring As a result public demonstrations erupted in L A Washington D C and New York Then chief of the CIA John Deutch made an unprecedented attempt at crisis control by going to South Central L A to hold a public forum Representative Maxine Waters later said in George magazine I was shocked by the level of corruption and deceit and the way the intelligence agencies have knowledge of big time drug dealing The allegations in Webb s story blazed over the Internet and the Mercury News website on the series was deluged with hits over a million in one day A Columbia Journalism Review cover story called it the most talked about piece of journalism in 1996 and arguably the most famous some would say infamous set of articles of the decade Webb s own stranger than fiction experience is also woven into the book His excoriation by the media not because of any wrongdoing on his part but by an insidious process of innuendo and suggestion that in effect blamed Webb for the implications of the story had been all but predicted Webb was warned off doing a CIA expose by a former Associated Press journalist who lost his job when years before he had stumbled onto the germ of the Dark Alliance story And though Internal investigations by both the CIA and the Justice Department eventually vindicated Webb he had by then been pushed out of the Mercury News and gone to work for the California State Legislature Task Force on Government Oversight He died in 2004 The updated edition of Dark Alliance features revelations in reports from the Department of Justice internal CIA investigations and a cache of declassified secret FBI DEA and INS files much of which was not known to Webb when first writing the book After years of career damning allegations leveled at Webb joined by glowing reviews of the hardcover edition of Dark Alliance from shore to shore the core findings of this courageous investigative reporter s work once fiercely denied are now a matter of public record The updated edition of Dark Alliance adds yet another layer of evidence exposing the illegality of a major CIA covert operation Powderburns Celerino Castillo,Dave Harmon,1994 The truth about the remaining dark secret of the Iran Contra scandal the United States government s collaboration with drug smugglers Powderburns is the story of Celerino Castillo III who spent 12 years in the Drug Enforcement Administration During that time he built cases against organized drug rings in Manhattan raided jungle cocaine labs in the Amazon conducted aerial eradication operations in Guatemala and assembled and trained anti narcotics units in several countries The eerie climax of

Agent Castillo's career with the DEA took place in El Salvador. One day he received a cable from a fellow agent. He was told to investigate possible drug smuggling by Nicaraguan Contras operating from the El Pango air force base. Castillo quickly discovered that Contra pilots were indeed smuggling narcotics back into the United States using the same pilots, planes, and hangars that the Central Intelligence Agency and the National Security Council used under the direction of Lt Col Oliver North to maintain their covert supply operation to the Contras.
