## Lost Yesterdays:

*Yesterday's Lost (Yesterday's Paranormal Mysteries, Prequel)* Sam Cheever, 2018 An old house a shadowy night a tortured spirit two lives irretrievably changed Pratt Davies is a police detective with the Saint Louis PD He s comfortable in his role confident that he s seen just about everything there is to see Until he and his partner answer a call to enter a home where blood curdling screams speak of horrific violence Inside the disturbing house he encounters a strange icy mist and something malevolent waiting just beyond view Pratt s confidence is shaken his worldview smashed into tiny pieces like shards of glass from a broken mirror His partner comes out of that house damaged both physically and mentally unable to even form a coherent response Pratt is so shaken he can barely function And he still has a murder to solve Who killed the couple living in that terrible house What haunted the mist obscuring the scene How did Pratt s partner end up bleeding and babbling on the floor something evil oozing through her gaze And how is Pratt broken and terrified himself ever going to solve a murder that has every indication of having been born in the ether

**Yesterday's Self** Andreea Deciu Ritivoi, 2002 In *Yesterday's Self* Andreea Ritivoi explores the philosophical and historical dimensions of nostalgia in the lives of immigrants forging a connection between current trends in the philosophy of identity and intercultural studies The book considers such questions as Does attachment to one s native culture preclude or merely influence adaptation into a new culture Do we fashion our identity in interdependence with others or do we shape it in a non contingent frame Is it possible to assimilate in an unfamiliar world without risking self alienation Ritivoi s response nostalgia is both the poison and the cure in such situations

**Yesterday's Bestsellers** Brian M. Stableford, 1998-01-01 A study of the popular fiction of the past [Back to Me](#) Lindsay Paige, 2016-10-04 *Memories in Serenade* Kevin M. Isaac, 2010-02 *Memories in Serenade* captures the psychic musing of a purpose driven poet intent on embracing the world against a backdrop of unyielding obstacles woven into a tapestry of pain sorrow hope joy and love It also captures the poet s fascination with language as much as with life and takes us on his journey which so often juxtaposes fantasy with reality as if second nature This collection allows us to accompany the the poet as he takes small steps though significant steps along the road to understanding and responding in healthy ways to life s vicissitudes and attaining self actualization

**Blameless** Claudio Magris, 2017-04-25 From one of Europe s most revered authors a tale of one man s obsessive project to collect the instruments of death evil and humanity s darkest atrocities in order to oppose them Claudio Magris s searing new novel ruthlessly confronts the human obsession with war and its savagery in every age and every country His tale centers on a man whose maniacal devotion to the creation of a Museum of War involves both a horrible secret and the hope of redemption Luisa Brooks his museum s curator a descendant of victims of Jewish exile and of black slavery has a complex dilemma will the collections she exhibits save humanity from repeating its tragic and violent past Or might the display of articles of war actually valorize and memorialize evil atrocities In *Blameless* Magris affirms his mastery of the novel form interweaving multiple themes and traveling deftly through history

With a multitude of stories the author investigates individual sorrow the societal burden of justice aborted and the ways in which memory and historical evidence are sabotaged or sometimes salvaged     **A Heart Made Weary** Madison

Blue,2005-12-31 Like the pleasant memory of a kiss that lingers the thought of a touch that remains after the caress has ceased A heart made weary is the story of love s tender whispers and the lesson s Virginia Manning s heart finds the courage to learn     **The Evolution of Intimacy : A Personal Story** Karren Kae Kearney,2019-05-27 Life is one small unexpected

journey at a time moving us towards a destiny we could never imagine The Evolution of Intimacy A Personal Story is one such journey The book is an account of taking a leap of faith with a chance online meeting on a dating site in October and moving in together in December having only met once The book details the results of following one s intuition and heart and moving over three hundred miles to create a new life It s a story showing how against all odds faith and trust changed the fate of two unsuspecting people It touches on difficult issues of love marriages divorces death adult children his and hers ex spouses couples counseling health finances and everything in between The book offers hope insights and inspiration for anyone struggling with or in a dysfunctional relationship or was raised in an alcoholic environment or is an alcoholic an addict a compulsive over eater or food addict a sex and love addict co dependent or in a relationship with anyone with an addictions or mental illness I hope you find the story as inspirational as I did living it     **Little Steps** James Ream Adams,2020-04-27

All too often survivors of a loved one s suicide are left behind struggling with a loss that fosters stigma shame blame guilt and abandonment For the survivor these struggles last long after the funeral is over and friends and relatives have returned to their daily lives Healing the loss after the suicide of a love one is about restarting your life with nothing firm to stand on Little Steps is the guided process James Adams recorded in his journal documenting before during and after his son committed suicide It starts with conversations where voices of wisdom are guiding him along a spiritual path of discovery then as he was confronted with the trauma of his loss those conversations shifted focus towards coping with and understanding the grief process as it unfolded Feeling left behind and somehow responsible James continued to write his guided conversations as he dealt with the questions of Why did he do this I should have I could have if only I had known or done what did I do wrong These real time journaled conversations capture in a loving spiritual and supportive way all the drama trauma and recovery as they occurred making Little Steps a powerful documentary of healing from a traumatic loss

Rimes and Poems. By Robin pseud ROBIN,1850     **Poems** Robert LEIGHTON (of Ayr.),1866     *Dreaming of the Dead* Marilou Trask-Curtin,2012-05-08 From the age of three when a near death experience brought an angel s healing touch Marilou Trask Curtin has been able to communicate with spirits primarily in unusually vivid and realistic dreams Over the years she has interacted with the ghostly forms of several spirits and experienced dream visitations from many others such as her first true love her beloved grandfather and even British actor Jeremy Brett with whom she d grown close through years of correspondence Marilou touchingly recounts her visitations with spirits who have come to offer advice reassurance

or to let her know they have died or are about to pass on This includes her companion animals who return to show they re as full of health and joy as their human counterparts in spirit The author also tells of dream visits from historical mentor figures such as Samuel L Clemens and Harriet Beecher Stowe as well as many others Dreaming of the Dead will take you on a compelling and beautifully comforting journey with a glimpse of what awaits us on the other side of life s doorway

Rhymes and poems. Second edition Robert LEIGHTON (of Ayr.),1861      My Heart After Esther: A Mystic's Philosophy of Love Collins I. Aki,2017-01-24 My Heart After Esther could be considered a philosophy of love in the skin of a romance novel or a romance novel in the skin of a philosophy of love but it is ultimately a story about love and philosophy in a way that romances the two In this work of literary meta fiction two stories are interwoven into one The first story is about the translator of the second story Gustav Z Itohahn and his love for the author and his work he is translating the mysterious pseudo philosopher Jorge Manuel Belmarez In the second story we read Itohahn s presentation of Belmarez s story of love which dares to challenge every idea of love and marriage from the vow till death do we part to the old courtly love edict that marriage is no proper defense against love This new take on philosophical fiction may somehow find itself in the memory of its readers as more than an experiment in story telling but truly an experiment in challenging our deepest ideas and beliefs
