

An aerial photograph of a city at sunset. The sun is low on the horizon, casting a warm, orange glow over the scene. The city's grid of streets and buildings is visible, with a large highway interchange on the left side. The overall atmosphere is serene and romantic.

So it was possible to
love a stranger.

Love This Stranger Love This Stranger:

Never Love a Stranger Harold Robbins, 2010-06 Harold Robbins very first novel is also one of his most powerful *Never Love a Stranger* tells the gritty and passionate tale of Francis Frankie Kane from his meager beginnings as an orphan in New York's Hell's Kitchen From that confused and belittling start Frank works his way up choosing the wrong side of the law to make a name for himself At a young age he becomes one of the city's most dangerous men indulging in his passion for power sex and the best things in life whether or not they can be purchased First published in 1948 the novel began Robbins prolific career after someone made him a 100 bet that he couldn't write a bestseller Twenty six pot boiling novels later he proved the power of his words *Never Love a Stranger* takes an unflinching look at a New York that's long gone by exposing life during and after the Great Depression when the syndicate ruled the city without mercy **I Was a Stranger** Jodi Mullen

Fondell, 2019-08-06 *I Was a Stranger* will help you build empathy for the strangers and foreigners among you Through personal experience and through the narratives of people who have moved to a foreign country for a variety of reasons Jodi Mullen Fondell offers encouragement for churches desiring to be a place of welcome and embrace for those who often find themselves rejected by the broader society Packed with tips on how to help your church navigate the road toward greater openness this book offers advice on how to avoid the pitfalls that prevent churches from truly welcoming and embracing the stranger among them Rev Fondell gently guides readers in examining their own experiences of alienation in order to understand the profound disorientation that being a stranger in a strange land entails This identification with the pain of being an outsider she asserts can move motivate and mobilize the church to live out God's calling to welcome in the stranger As the body of Christ embraces the members we are tempted to exclude a new level of joy and a taste of heaven await our congregations Includes a small group Bible study guide for communities ready to grow in ministry and hospitality *The Holy Intimacy of Strangers* Sarah York, 2002-11-08 In *The Holy Intimacy of Strangers* Sarah York explores our common yearning for deeper and more meaningful connection with one another The book presents the paradox we often observe how our seemingly casual interactions with strangers can unlock the door to our hearts and help us discover how we need and yet often resist true intimacy in our relationships This provocative book gives us a new way to look at the qualities of our exchanges with strangers Once we begin this journey we can trace the outlines of our lives together in community our expressions of caring and hospitality the costs of prejudice and judgment our fears and defensiveness the tension between being inclusive or exclusive our expectations and assumptions about one another **You Can Love a Stranger** Charlotte

Lamb, 1988 [So Beautiful](#) Leonard Sweet, 2009 In this seminal work Sweet shares how three strands form the church missional relational and incarnational He calls for the re union of these three essential complementary components of Christian life **Mothers' Journal**, 1858 *Love in the Hebrew Bible* Song-Mi Suzie Park, 2023-05-30 Christians insist that love stands at the heart of who God is Yet when we talk about love in the Hebrew Bible how much do we really know

Possessing such a belief alone does not mean that we possess a clear understanding of what love is Are we aware of how often divine and human love are tied up with the idea of preference for one individual or group over another Do we know how often descriptions of love involve questions of power authority and gender Do we see that love is connected to suffering betrayal and sometimes death in the Hebrew Scriptures In *Love in the Hebrew Bible* one of the first book length studies of its kind Suzie Park provides fascinating and essential insights into these questions refreshing our understanding of the meaning of love in the Hebrew Bible Pushing against characterizations of the loving God of the New Testament narrative universe versus the wrathful God of the Old Testament Park shows that love is integral to the ways in which relationships both among people and also between humanity and God are imagined in the Hebrew text Reflecting matrices of meaning and associations love thus is a vital component of the ideology and theology of the Hebrew Scriptures and an understanding of it remains fundamental to our knowledge of the biblical text

The Greatest of These John Indermark, 2011-09-01 God is love Love one another We teach these to children and new Christians but what exactly do we mean and do they hear by love Our culture offers a multitude of understandings and experiences through which the meaning of love can be filtered We in the church can become sloppy in our proclamation and embodiment of love as a result of those filterings unless we remain grounded in the Biblical moorings of love revealed in the narratives of both the Old and New Testaments *The Greatest of These* offers an extended exploration of love's qualities in scripture Each of the six chapters begins with a single page introduction to the chapter theme The bulk of each chapter consists of six individual readings 2 5 to 3 pages each that reflect on a Biblical passage related to the chapter's theme on love The book is written for use by individuals or groups and a leader's guide which is written into the book provides for six suggested sessions Chapter One Love as Gift Chapter Two Love as Invitation Chapter Three Love as Loyalty Chapter Four Love as Ethic Chapter Five Love as Compassion Chapter Six Love as Wonder The written in leader's guide provides a basic template that can be used for each session along with specific suggestions for six sessions to plug into the template in order to explore each of the book's chapters **Munsey's Magazine** ,1896

Converse with One Earthly Jeannie Chen, Cheng Hsiu Chen, 2017-08-30 A book differs from a person in that one is dead and another alive The need to be consistent with oneself is one of the five merits discussed in chapter 7 A person needs to attempt on achieving consistency on all fronts but a book does not need to The inconsistency within this book demonstrates the consistency of authors to reveal all truth including our stages of spiritual growth An outline of this book is provided after the last chapter Textbooks in schools and colleges should have similar outlines appended to help the study The writing of outlines has not received enough attention in school that most students still write one paragraph before outlining Writing paragraphs sequentially should only occur when one does not have a clear sight of what to write and have only vague and general ideas Outlining should be done at least 95 percent of the time *Judaism As Creed And Life* Morris Joseph, 2018-12-14 Published in 1910 this book considers Jewish teaching and the ethics of religion itself Rev Morris Joseph

discussed Judaism in both a practical and academic context as well as considering the subject in conjunction with other prominent world religions

Ethnic Identity from the Margins Dewi Hughes, 2012-06-27 In most people's minds ethnic or ethnicity are terms associated with conflict cleansing or even genocide This book explores from three perspectives the significance of ethnic communities beyond these popular conceptions The first perspective is the reality of the author's own experience as a member of the Welsh ethnic identity The Welsh are a small people whose whole existence has been overshadowed by the more powerful English This is the margin from which the author speaks The second perspective is the Bible and evangelical mission and the third is the unprecedented movement and mixing of ethnic identities in our globalizing world The book ends with the section on ethnicity in the Lausanne Commitment that hopefully marks the beginning of serious consideration by the evangelical missions community of this issue that deeply impacts the lives of many millions
