Love Across Time Boxed Set 1-4
 Annie Seaton, 2022-04-16 When the truth comes out can their love cross the centuries or will it be lost in time

COME BACK TO ME Megan Miller has come to a crossroads in her career Accusations of a breach of ethics in her university teaching have rocked her world As she travels halfway across the world to the Glastonbury rock festival to research and complete her doctoral thesis she hopes that the mess she leaves behind in Australia will be sorted while she is in England Davy Morgan the reclusive rock singer tries to keep his music world and his private life separate his very existence depends on it But when the beautiful fey woman turns up at the cottage next door he must do all he can to keep his dark secret Because everything is not as it seems in Davy's world

FOLLOW ME Beth McLaren knows that her great aunt's cottage holds the key to the mystery that has been a family secret since she was a child Determined to discover if what she has read in Great Aunt Alice's diary is true Beth travels halfway across the world to Glastonbury to solve the mystery Silas Rogers an eccentric musician who moves into the cottage is equally determined to keep Beth from knowing the truth and keep her from danger The last thing he expected was to fall in love But when Beth finds herself in the fifteenth century can she trust that Silas will find her and get her home

FINDING HOME Alice McLaren is a traveller but her travels must remain a secret Now that she has no one of her own she leaves London during the Blitz to move to her family's cottage in Somerset Alice plans to take evacuated children from London and care for them in the country However her travels take her much further than she anticipates away to a safer place far from the war and the incessant bombing When she meets and falls in love with Branton Alice is torn There is a child to be rescued and Alice is the only one who can save Amelia Adnum She must choose between Branton and taking the lost child home safely As circumstances change Alice must make a decision that could change many lives Branton knows Alice holds a secret but he cannot understand why she refuses to stay with him He cannot bear to lose her but can Branton convince Alice that their love will endure no matter what

THE THREADS THAT BIND Lucy McLaren went back to her family name after she and her long term partner split The McLaren family history and their cottage in Somerset in England drew her inexorably to the past and gave it an importance that she was unable or perhaps unwilling to explain As her daughter Beth grew older and began to question the past and Lucy's relationship floundered she knew the only way to save her sanity and justify her actions to her daughter was to go back and seek out the man she had fallen in love with many years ago Could she tell her daughter that her whole life had been a lie And will the love of her life still be there when Lucy returns to the nineteenth century
