Forgiveness A Course in Miracles has been the inspiration for this book What I have written is my own interpretation of some of the principles in the Course and as such it cannot match the depth and purity of the original teaching If you find my writings of interest I would encourage you to study the Course s teaching for which there can be no substitute **Exit the Maze** Donna Marks,2022-12-13 In this easy to read revised and expanded edition of Exit the Maze Dr Donna Marks makes the revolutionary claim that there is only one addiction with many faces and the key to overcoming addiction is self love Millions of lives are lost to addiction every year causing more direct and indirect deaths than any other illness In a world where many things are uncertain we do know this There are many kinds of addiction and in spite of treatment and everything else we re doing addiction is only increasing Dr Donna Marks a renowned psychotherapist addictions counselor and teacher of A Course in Miracles for more than thirty years merges her professional experience and her own personal history of substance dependency to offer a single revolutionary solution to all addictions in this expanded and revised edition of Exit the Maze No matter what someone is addicted to alcohol prescription or illegal drugs smoking working gambling and so forth loving yourself is the key to recovery This doesn t mean the road is easy or a few acts of self care will do the trick the journey to true self love includes delving deep into your past trauma to understand where your addiction began addressing those fear based traumas with compassion and forgiveness exchanging bad habits with beneficial ones and staying committed to the recovery process Allow love to guide you through the maze of addiction and back to living your best life **Ordinary Miracles** Angela Dudley,2011-10-31 We walk to God how wondrous our task Simple truth no questions left to ask We walk to God an awesome holy thing Our open hearts are all were asked to bring Ordinary Miracles is an oxymoron in a world where peace seems unreliable and prayers seem unanswered But what if the real world exists where miracles are the norm Miracles of joy and forgiveness always occur within our minds and their external form may or may not be apparent to us However since miracles always come from love they always offer an inner experience of bliss The love that causes miracles is only ordinary because it is always present within us Miracles are ordinary because they are our true nature not a bonus that was earned by someone extra ordinary No matter how successfully we ve hidden our inner spark of love it remains with us always the truth of who we are always awaiting our consent to offer miracles The poetry of Ordinary Miracles is the authors response to the inner Voice for God what she calls the Holy Spirit Inspired by A COURSE in MIRACLES these poems celebrate the truth that we always have a choice to invest ourselves in thoughts of kindness rather than criticism happiness rather than sorrow But whatever we choose we cannot change the magnificent reality of what we are The poems are written as an acknowledgment that the Voice for God offers a very personal relationship with each of us The Voice for God is always patient always answers always loves us and to our little effort adds the strength of God In the COURSE Jesus reminds us Love waits on welcome not on time Text chapter 13 The most profound journey we each make is to that place within where God patiently awaits our certain return *Jesus' Course in Miracles* ,2000 The JCIM derives from the Hugh Lynn Cayce

version of the Course which was completed by Helen Shucman and Bill Thetford in 1972 Later editing by others removed about 25% of the material contained in the first five chapters and made numerous editorial changes which affected both the tone and the content of the message Many students consider study of the unabridged JCIM version to be indispensable in their curriculum Text only This edition does not include the Workbook or the Teachers Manual There is a good explanation of the JCIM on our website at <http://jcim.net/sacredsource.html> 306 pages plus 102 page appendix comparing the JCIM with the popular commercial version of the Course
