Love Simon May,2019-06-18 What is love May plunders Western poetry philosophy and psychology to find answers Thought provoking stuff The Sunday Telegraph Love unconditional selfless unchanging sincere and totally accepting is worshipped today as the West s only universal religion To challenge it is one of our few remaining taboos In this path breaking and superbly written book philosopher Simon May does just that dissecting our ideas of love and showing how they are the product of a long and powerful cultural heritage Tracing over twenty five hundred years of human thought and history May shows how our idea of love developed from its Hebraic and Greek origins alongside Christianity until during the last two centuries God is love became love is God so hubristic so escapist so untruthful to the real nature of love that it has booby trapped relationships everywhere with deluded expectations Brilliantly May explores the very different philosophers and writers both skeptics and believers who dared to think differently from Aristotle s perfect friendship and Ovid s

celebration of sex and the chase to Rousseau's personal authenticity Nietzsche's affirmation Freud's concepts of loss and mourning and boredom in Proust Against our belief that love is an all powerful solution to finding meaning security and happiness in life May reveals with great clarity what love actually is and what it means The most persuasive account of love's nature I have ever read Financial Times Intellectually engaging Provocative The Wall Street Journal **Generous Divine Love** Prof. Kenneth J. Collins,2025-09-23 Discover the heart of Wesleyan theology Explore the heart of Wesleyan theology through an engaging and accessible narrative that speaks to both heart and mind This book shares John Wesley's teachings where the themes of inclusion love and unity take center stage The generous even lavish nature of John Wesley's practical theology reveals the freedom and outgoing love of the divine Being who calls forth people to overcome the divisions and tribalism of group life This gracious call reveals the very universality of the gospel and has the cumulative effect of praise arising of a doxological celebration of a God of holy love who is the fount of it all In *Generous Divine Love* you'll find it approachable yet deeply enriching offering just the right balance of depth and clarity *Swoon: Great Seducers and Why Women Love Them* Betsy Prioleau,2013-02-04 Lose yourself Swoon has wicked fun answering that age old query What do women want Chicago Tribune Contrary to popular myth and dogma the men who consistently beguile women belie the familiar stereotypes satanic rake alpha stud slick player Mr Nice or big money mogul As Betsy Prioleau author of *Seductress* points out in this surprising insightful study legendary ladies men are a different complex species altogether often without looks or money They fit no known template and possess a cache of powerful erotic secrets With wit and erudition Prioleau cuts through the cultural lore and reveals who these master lovers really are and the arts they practice to enswoon women What she discovers is revolutionary Using evidence from science popular culture fiction anthropology and history and from interviews with colorful real world ladykillers Prioleau finds that great seducers share a constellation of unusual traits While these men run the gamut they radiate joie de vivre intensity and sex appeal above all they adore women They listen praise amuse and delight and they know their way around the bedroom And they've finessed the hardest part locking in and revving desire Women never tire of these fascinators and often like Casanova's conquests remain besotted for life Finally Prioleau takes stock of the contemporary culture and asks where are the Casanovas of today After a critique of the twenty first century sexual malaise the gulf between the sexes and women's record discontent she compellingly argues that society needs ladies men more than ever Groundbreaking and provocative Swoon is underpinned with sharp analysis brilliant research and served up with seductive verve **Love** Diogenes Allen,2006-12-14 Love is often seen as overwhelming yet fleeting romantic passion between a woman and a man Diogenes Allen leads us to understand our love for families for friends and for God with an equivalent fascination and intensity Christianity recognizes that every person carries an inalienable value simply by existing Love recognizes this value in other people and allows loved ones to exist freely in their own way Partners in romantic love even though they are hopelessly dependent on one another must struggle to support the other's independence As we

struggle to realize our own dependence on others meanwhile recognizing their inherent worth without us our loves human and devine find new depth and passion *God's Enduring Love in the Book of Hosea* Joy Philip Kakkanattu,2006 Joy Philip Kakkanattu provides an exegetical and theological analysis of an important and difficult text of the Old Testament through a synchronic and diachronic reading Detailed critical notes which discuss the textual difficulties accompany the translation of the text from Hebrew In the detailed exegesis special attention is given to study of the key terms theologically significant in Hos 11 1 11 against the context of the whole book The exegesis shows that in Hos 11 8 9 it is not the repentance of Yahweh that causes the withholding of His anger against Israel but Yahweh s constancy in His election of Israel as His son More than a change of heart the decision not to execute the deserved judgement witnesses Yahweh s divine nature Special attention is dedicated to the parent metaphor employed in Hos 11 1 11 It is concluded that more than expressing the Yahweh Israel relationship as a father son relationship the text speaks of it in terms of parent child relationship In the diachronic analysis the author deals with the origin and formation of Hos 11 1 11 **A Career Exploration and Job Guide by Field , Love** Anton Pavlovich Chekhov,1923 **Courtship, Love, and Marriage in Nineteenth-Century English Canada** W. Peter Ward,1990 Argues that freedom to love court and marry in nineteenth century English Canada was constrained by an intricate social institutional and familial framework which greatly influenced the behavior of young couples both before and after marriage Chance, Love, and Logic Charles Sanders Peirce,1923
