**An H. P. Lovecraft Encyclopedia** S. T. Joshi,David E. Schultz,2001-09-30 H P Lovecraft 1890 1937 is commonly regarded as the leading author of supernatural fiction in the 20th century He is distinctive among writers in having a tremendous popular following as well as a considerable and increasing academic reputation as a writer of substance and significance This encyclopedia is an exhaustive guide to many aspects of Lovecraft s life and work codifying the detailed research on Lovecraft conducted by many scholars over the past three decades It includes hundreds of alphabetically

arranged entries on Lovecraft and presents extensive bibliographical information. The volume draws upon rare documents including thousands of unpublished letters in presenting plot synopses of Lovecraft's major works, descriptions of characters in his tales, capsule biographies of his major colleagues and family members, and entries on little-known features in his stories such as his imaginary book of occult lore, the *Necronomicon*. The volume refers to current scholarship on the issues in question and also supplies the literary, topographical, and biographical sources for key elements in Lovecraft's work. As Lovecraft's renown continues to ascend in the 21st century, this encyclopedia will be essential to an understanding of his life and writings.

*The Horror of Lovecraft* Sydney Miller, 2021 H.P. Lovecraft's work has had a resurgence of popularity in the twenty-first century. Along with the positive reaction and attention to the aspects of Lovecraft that are so loved, his tactic of weird fictional horror, his Cthulhu mythos, etc., there has been an increased focus on many of the underlying themes and motifs representative of his fear of racial otherness, which facilitates racism and xenophobia within his stories. In this thesis, I examine the aspects of Lovecraft's horror to which readers and writers are fascinated by and attracted. I explore how these racist themes and motifs are employed as well as their effect on Lovecraft's genre. Finally, I analyze the way that modern authors have sought out to reclaim the work of Lovecraft by extracting and preserving his horror and mythos while employing new points of view from characters of minorities that negate Lovecraft's most hateful themes.
