relates to other affective states such as emotions and desires and how love influences and is influenced by reason What love is affects what love ought to be Conversely our ideas of what love ought to be partly determined by our conception of what love is Faith, Not Religions Chatha Akbar Ghulam,2012-12-05 Author Chatha Akbar Ghulam believes God is universal With love as his message he shares a thought provoking collection of essays poems and meditations illustrating how he has come to understand the concept of God and why he feels a loving heart is the only requirement needed to have faith in God Chatha shares how as a youth he came to discard the traditional teachings of heredity and customs and eventually achieved inner peace and contentment by recognizing universal good and truth As he offers his opinion on such subjects as God and war life and death wisdom versus ignorance the yearnings of a soul and heaven and hell Chatha provides a fresh impartial perspective on Gods influence in todays world By sharing his thoughts on the differences between the self righteous and true believers through personal anecdotes and inspiration from Punjabi mystic poets Chatha quietly encourages spiritual seekers of all faiths to look inward and focus on gratitude rather than desires Faith Not Religions offers one mans inspiring reflections regarding his faith in God his opinions on organized religions and his journey to seek his own spiritual path in life

queer studies is the brainchild of the humanities and argues that social science has been talking about sex all along To deny this one would have to overlook Kinsey s pioneering sex research in the 1950s or the psychiatrist Evelyn Hooker s pathbreaking study of homosexuality but also in the sex talk that lies at the heart of classic debates on kinship inequality cognition and other foundational topics in the social sciences What is different now Weston claims is the way sexuality has been isolated from other contemporary issues Not content with its ghettoization as a contained subfield Weston refuses to draw an artificial line around sexuality Calling Chris Maunder,2010-08-19 *CALLING* is a novel about 21st century alternative spirituality Visions divine guidance magic pilgrimage all of these are ancient religious themes What happens when they break into the life of a modern urban non religious young woman *CALLING* s main character is drawn into a magical new world of intense encounters which inspire her However she also has to meet challenges which represent a rite of passage for this late twenty something into a greater maturity and stronger sense of her place in the universe
