Love and Organization Michael Pirson, 2022-06-30 Organizations are not human but they are made up of people Examining the organization functioning growing and developing and moving together as one unit the well being and success of that organization depends on the well being of people that make it up Love in its various forms is the energy that motivates and fuels creativity care innovation progress and well being Traditionally organizational structures have been set up to support compliance and command and control which often discourages love and creates policies against love at the workplace The result has been reduced growth productivity and retention of businesses as well as reduced well being for employees This reduced connectivity between individuals has also at a higher level adversely affected society Without love people are working and performing with reduced energy and at reduced capacity While prior research has been focused on love at the workplace from the viewpoint of psychologists this book explores the impact of love within organizational contexts from various viewpoints including management psychology and philosophy It explores love in the organizational context by looking at how it affects meaning purpose well being motivation faith care spiritual development and how the identity and well being of each person in the organization positively affects retention and the growth and success of that organization It will be of interest to researchers academics and advanced students in the fields of organizational studies leadership and management

Works of Love Robert L. Perkins, 1999 To claim that Works of Love is an important philosophical essay is to assume hazardous burden of proof The book's title is an allusion to the Bible's injunction that we should love our neighbor as we love ourselves a far cry far instance from Diotima's ladder of erotic desire up which we climb from the love of bodies until we catch a vision of that single sea of beauty beauty itself Plato Symposium This contrast given that some of some of our

neighbors may not be particularly likable or one may even be a determined enemy suggests immediately to some that a book with such an obviously religious title must be excessively moralistic and at best full of sermon helps for the harried clergy or at worst laden with rules for the unlearned laity A casual perusal of a few paragraphs however shows these put down views of the book to be unfounded *A Laggard in Love* Mrs. Coulson Kernahan,1890 **ARCANA CCELESTIA: OR HEAVENLY MYSTERIES CONTAINED IN THE SACRED SCRIPTURES, OR WORD OF THE LORD, MANIFESTED AND LAID OPEN: BEGINNING WITH THE BOOK OF GENESIS INTERSPERSED IN THE WORLD OF SPIRITS AND THE THE HEAVEN OF ANGELS.** EMANUEL SWEDENBORG,1803 **Cultivating the Mind of Love** Thich Nhat Hanh,2004-02-09 Lessons on love and Dharma with commentaries on 3 essential sutras of Mahayana Buddhism from the celebrated monk who introduced mindfulness to the Western world Just might be my favorite book of Thich Nhat Hanh Natalie Goldberg author of *Writing Down the Bones* In *Cultivating the Mind of Love* Thich Nhat Hanh gives a most unusual Dharma teaching the story of his first love He pairs these personal memories with his insightful commentaries on classic Buddhist teachings including the Diamond Lotus Avatamsaka and Vimalakirti Sutras In combining personal experience and Dharma teachings Nhat Hanh allows his readers to experience and to appreciate what is human and wonderful in all of us He shows us how to cultivate our own mind of love and how to bring joy and hope to ourselves and those around us Being Right with God John James Miller,2011-01-14 For sincere seekers teachers and preachers This book consists of the most complete and understandable explanation of BEING right with God to be found anywhere After a lifetime of becoming acquainted with Christian literature and 28 years of listening to other preachers the author observed the lack of presenting BEING right with God even though it is the most important thing to be achieved in life Only partial explanations are given in sermons that touch on the subject of being As a result people have a fragmented and incomplete understanding of BEING right with God The Bible contains what it is to BE right with God but not in an organized and systematic way Many scriptures are brought together in this book in order to present a full and understandable Biblical explanation of what it is to BE right with God and how to GET right with God Built for Growth Arthur Rubinfeld,Collins Hemingway,2005 From a major player in Starbucks expansion and the co author of *Bill Gates Business at the Speed of Thought* come specific solutions to create a brand and presence that generates true customer passion and lays a solid foundation for long term success Sounds of Destiny Mary E. Adams,2008 Adams suggests that this is the time to take a firm stand for rebuilding the walls of faith that have been broken down in families cities churches and nations *Practical Life* *Developing Games on the Raspberry Pi* Seth Kenlon,2018-12-19 Learn to set up a Pi based game development environment and then develop a game with Lua a popular scripting language used in major game frameworks like Unreal Engine BioShock Infinite CryEngine Far Cry series Diesel Payday The Heist Silent Storm Engine Heroes of Might and Magic V and many others More importantly learn how to dig deeper into programming languages to find and understand new functions frameworks and languages to utilize in your

British Theatre John Bell, 1780 Love as Common Ground Paul S. Fiddes, 2021-09-23 This book explores the way in which the study and practice of love creates a common ground for different faiths and different traditions within the same faith For the contributors common ground in this context is not a minimal core of belief or a lowest common denominator of faith but a space or area in which to live together consider together the meaning of the love to which various faiths witness and work together to enable human flourishing Such a space the contributors believe is possible because it is the place of encounter with the divine This book is the fruit of a Project for
