[Sermons on some of the most Essential Doctrines and Duties of Christianity](#) Charles COLE (Minister

of St. Peter's Episcopal Church, Peterhead.),1840 *Secrets of the Spirit* Luis Martinez,Germana Santos,2019-03-25 How do I develop a deep loving relationship with God Martinez author of *The Sanctifier* encourages us to trust in the love and concern God has for us in all that we do Without glossing over the reality of sin and suffering he reminds us that the Holy Spirit guides us in our struggle to grow in union with Jesus *Charles Williams and C. S. Lewis* Paul S. Fiddes,2021 This study of the literary relationship between Charles Williams and C S Lewis during the years 1936 1945 focuses on the theme of co inherence at the centre of their friendship The idea of co inherence has long been recognized as an important contribution of Williams to theology and had significant influence on the thought of Lewis This account of the two writers conviction that human persons inhere or dwell both in each other and in the triune God reveals many inter relationships between their writings that would otherwise be missed It also shows up profound differences between their world views and a gradual though incomplete convergence onto common ground Exploring the idea of co inherence throws light on the fictional worlds they created as well as on their treatment whether together or separately of a wide range of theological and literary subjects the Arthurian tradition the poetry of William Blake and Thomas Traherne the theology of Karl Barth the nature of human and divine love and the doctrine of the Trinity This study draws for the first time on transcriptions of Williams lectures from 1932 to 1939 tracing more clearly the development and use of the idea of co inherence in his thought than has been possible before Finally an account of the use of the word co inherence in English speaking theology suggests that the differences that existed between Lewis and Williams especially on the place of analogy and participation in human experience of God might be resolved by a theology of co inherence in the Trinity *The Christian's friend, papers for the comfort and edification of the children of God* ,1874 *Learning To Be A Disciple* Luella Campbell,2017-08-04 Discipleship and sonship are intimately connected Jesus was a Son to His Father and a rabbi to His disciples His goal was to teach His disciples how to be sons by introducing them to the Father and calling them to follow Him and imitate Him as God s beloved Son They were to be His replicas on earth training others to follow Him Jesus was a Jew born and raised in the Jewish language and culture of His day Out of this richness He invited and trained uneducated men to take His yoke learn from Him and go into the world to set people free from their yokes of bondage Westernization has obscured the Biblical meaning of discipleship and pawned believers who have lost the truth and simplicity of following Jesus The church has been fragmented by theology and tradition instead of being united by the Spirit of Jesus Jesus stripped Judaism of its impositions by taking people back to the Torah and explaining what God meant not what rabbis imposed on it This book is an attempt to re introduce believers to Jesus s yoke by teaching them to embrace the spirit of Torah which reflects not rules or religion but mercy based on the love of the Father **Sermons Preached at Trinity Chapel, Brighton** Frederick William Robertson,1861 **The Revelations of St. Birgitta of Sweden** Bridget Morris,2008-10-07 St Brigitta of Sweden 1303 73 canonized 1391 was one of the most charismatic and influential visionaries of the later Middle Ages Altogether she received

some seven hundred revelations dealing with subjects ranging from meditations on the human condition domestic affairs in Sweden and ecclesiastical matters in Rome to revelations in praise of the Incarnation and devotion to the Virgin Mary. Her Revelations collected and ordered by her confessors circulated widely throughout Europe and long after her death. Many eminent individuals including Cardinal Juan Torquemada, Jean Gerson and Martin Luther read and commented on her writings which influenced the spiritual lives of countless individuals. Birgitta was also the founder of a new monastic order which still exists today. She is the patron saint of Sweden and in 2000 was declared with Catherine of Siena and Edith Stein co patroness of Europe. Birgitta's Revelations present her as a commanding and dauntless visionary who develops a contemplative mysticism that is always interwoven with social engagement and a commitment to the salvation of the world. The varied styles of her revelations are dominated by frequent juxtapositions of memorable images and allegories that illustrate her fierce and fertile imagination, her sharp powers of observation and understanding and her passionate and receptive storytelling powers. This is the second of four volumes and it contains Book IV and Book V of the Revelations. Book IV includes some of Birgitta's most influential visions with topics ranging from the Avignon papacy and purgatory to the Hundred Years War. Book V, the *Liber Quaestionum* (Book of Questions) takes the form of a learned dialogue between Christ and a monk standing on a ladder fixed between heaven and earth. The argument centers on the way in which God's providence is constantly misunderstood and rejected by self-centered human beings. The translation is based on the recently completed critical edition of the Latin text and promises to be the standard English translation of the Revelations for years to come.

What a Beautiful Name Brooke Ligertwood, Ben Fielding, Karalee Fielding, Scott Ligertwood, 2020-09-15. Based on Hillsong Worship's beloved Grammy-winning chart-topping song, this fantastical journey of discovery is certain to inspire children who long to know more about Jesus and what draws people to Him. Join little Oliver and his monkey pal as they embark on a quest for the name in the song. Oliver's mother sings, "As they travel across land, sea, and space, they encounter beauty, wonder, and power. Each adventure in their epic journey leads them to the matchless name of Jesus and to the realization that they don't have to go far to find Him." *What a Beautiful Name* is the perfect book for sharing with the little adventurers in your world, and its faith-filled message will resound in their hearts long after the last page is read.

All Quiet Along the Potomac Ethel Lynn Beers, Mrs. Ethelinda Elliot Beers, 1879.

The Living under God's Governmental Administration in His Salvation and the Provisions of the Divine Life Witness Lee, In his Epistles Peter emphasizes God's government. Whereas Paul's ministry speaks mainly of the Body of Christ and John's ministry speaks mainly of the house of God, Peter's ministry speaks mainly of the kingdom of God, that is, of all matters related to God's governmental administration. His Epistles substantially and comprehensively speak of how God's hand in His governmental administration accomplishes His desire in us, and they speak deeply and with much application to our actual

condition If we want to know God in our practical living and walk and know God's hand and His work upon us we must know the content of the Epistles of Peter **Brother Reginald's Golden Secret** ,1871 *Love's Redeeming Work* Geoffrey Rowell,Kenneth Stevenson,Rowan Williams,2003-10-23 There is a rich vein of writing within Anglican tradition that has helped to form the theology and spirituality of the contemporary church For many readers much of this material remains unfamiliar and is often difficult to access *Love's Redeeming Work* draws together the works of major writers from the sixteenth century to the present day who have contributed to this development Each selected writer is introduced with a brief biography which gives background information about the author and highlights the relationships that existed with others from the same period This will enable the reader to set the writings in their proper context enhancing understanding of the material The selections then follow In some instances these may be familiar but other examples will introduce fresh ideas for every reader Each writer's selection is concluded with a list of source texts which can encourage readers to explore in more depth those areas which intrigue and excite them *Love's Redeeming Work* traces a path that has enabled Anglicanism in particular and the wider church as well to develop an ever deepening awareness of the need for a spiritual depth in the Christian life informed by a better knowledge of tradition In exploring this material it is the compilers hope that readers will find new riches that will encourage and sustain their own quest for holiness Clelia.
