of the Second Wind Samuel Stillmore,2007-09-19 He grew up in a hopeful time But lately Jesse hasn t been feeling too hopeful Once he was young and unwavering He searched for things that were lasting and true But somewhere along the line he had given up the chase Maybe he was too old for it now Or maybe it was time for a second try Jesse is at work on the morning of his fifty second birthday when he receives an unexpected email from a long lost friend that sends him slipping out the back door of his office building without a word to anyone In this lyrical tale of renewal Jesse retraces the paths of his youthful wandering from the deserts of Tucson to the hills of San Francisco and back to his hometown in Kansas Along the way he rediscovers many of the beliefs that were once essential to him and finds once more the possibility of wonder Song of the Second Wind is the story of one man s journey to a new understanding **Loving Summer** Kailin Gow,2011-05-27 I love the romance but there are bigger issues the author tackles in this book that is appropriate for older teens and young adults
