literary criticism coincides fortuitously with a revival of interest in love in philosophy The literary return to ethics also coincides with a spate of neuroscientific discoveries about cognition and emotion But without a philosophical grounding this new work cannot speak convincingly about literature's relationship to our ethical lives Jean Luc Marion's articulation of a phenomenology of love provides this philosophical grounding The Phenomenology of Love and Reading accepts Jean Luc Marion's argument that love matters for who we are more than anything more than cognition and more than being itself Cassandra Falke shows how reading can strengthen our capacity to love by giving us practice in love's habits attention empathy and a willingness to be overwhelmed Confounding our expectations literature equips us for the confounding events of love which Falke suggests are not rare and fleeting but rather constitute the most meaningful and durable part of our everyday life

God's Dawning Light; Spiritual Awakening in a Dusty Old Farmhouse Larry V. Murphy, 2010-05-31 This book describes a man's late life journey to Spiritual Awakeness and Unwavering Forgiveness In fact forgiveness changed the book's unfolding during the writing of it The author began the book's writing with the desire to review a memory troubled life in a way that some degree of peace could be found within it Forgiveness absolutely began to take over the book very early forgiveness became the way of seeing the life rather than an end result The author learned that forgiveness is not only cleansing and healing in retrospective it completely changes the way we look at things For the author a lifetime previously perceived largely in ugliness was transformed into beauty Prior unsavory scenes took their true places within auras of ignorance eyes of forgiveness exposed ignorance as the true culprit in all unhappiness Thus things previously seen in contempt and blame became innocent of all charges The author found total Unwavering Forgiveness and Universal Love gateways to God Consciousness
