**Dreams of Love and Fateful Encounters** Ethel S. Person, 2007-04-02 This groundbreaking study has been widely hailed for its focus on a human emotion generally considered impervious to rational analysis romantic passionate love Ethel Person views romantic love as a powerful agent of change arguing that it is as central to human culture as it is to human existence This new edition of Dreams of Love and Fateful Encounters emphasizes the relevance of passion not only to lovers but also to mental health professionals whose patients often enter treatment because of love related issues from the inability to love or make a commitment to the perils of extramarital love to love sickness or loss of love She forthrightly addresses not only the power of love to unlock the soul but also its inherent paradoxes and conflicts Employing a philosophical perspective in order to understand the existential dilemmas posed by love and a cultural perspective in order to understand its cultural variability Dr Person breaks with contemporary intellectual and philosophical dismissive assumptions about romantic love She acknowledges love's vital importance and power proposing that passion serves an important function not only for the individual but also for the culture while charging psychoanalysis with a reductionist emphasis on sexuality and psychopathology that has narrowed the focus of inquiry into love Among the issues she discusses are romantic love's sources in our early lives its relationship to imagination and creativity and its capacity to enable the lover to transcend the self how romantic love often demands a reordering of values and promotes personal growth by exposing the self to new risks and possibilities the transformational potential of transference love in the therapy process flaws in the common misperception that women are more influenced by romantic love than men considerations of homosexual love love across generations and love triangles focusing on the individual growth that can result from such relationships Citing accounts of love drawn from literature film and real life Person focuses on the lover's internal soliloquy and external dialogue with the beloved that can develop over an individual's life An uplifting resource for people experiencing failing or unorthodox romances Dreams of Love and Fateful Encounters boldly takes on issues pertinent to lovers to professionals who encounter patients for whom key conflicts revolve around romantic love and to anyone who has struggled to understand the importance of romantic love in his or her own life

Bonhoeffer and Christology Matthias Grebe, Nadine Hamilton, Christian Schlenker, 2023-05-18 The key question this volume addresses is how does Bonhoeffer's thought help to rediscover the doctrine of Christ's two natures and one person and understand and renew it in its significance for a modern post metaphysical and secular world The volume takes a fresh look at Dietrich Bonhoeffer's Christology and brings it into a fruitful dialogue with current Christological debates In a multi perspectival pluralistic world Bonhoeffer's thinking offers a productive basis for conceptually incorporating the openness required for this task into academic theology Bonhoeffer's theology offers a starting point for the

recovery of a productive Christology that reflects the plurality of the globalized world as Bonhoeffer's Christology begins precisely with this integration into worldly reality whereby the world is understood in its plurality and polyphony In this way he characterizes his enterprise as follows What keeps gnawing at me is the question what is Christianity or who is Christ actually for us today DBWE 8 362 Accordingly it opens itself up not only to inner Christian discussion but also to non Christian worldviews from which a basic ethical demand follows

**Surrendered Sexuality** Juli Slattery,2025-07-01 The purpose of our sexuality is not self discovery but to understand God's love Christians are confused about God's views on sex and intimacy We don't know what to do with our temptation shame brokenness longings or desires Even Christian churches and families are divided in the nuances of sexuality neglecting Jesus call to be unified as His body Surrendered Sexuality provides a clear biblical understanding of our sexuality and the transformational power of Christ Readers discover how Jesus gave His life not primarily to change behavior but to renew our identity which is rooted in our union with Christ not our wounds feelings desires past or present sins or purity We're living amid tremendous cultural confusion and pain But we won't be able to offer life and hope without the fire of God's love first passing through us Juli provides the biblical wisdom and encouragement we all need

Redeemed in the Name of Love Leonard D. Lister,2010-05-28 Every day is a blessing Even when a storm approaches life takes a turn but as God promised we will always see the rainbow after the storm stretched out through the clouds God knows what we can handle but sometimes we forget what God can handle As a father to a son and a mother to a daughter love and faith is so strong and merciful God is mercy and love gentle but strong he brings joy and correction and he comforts the soul and gives correction I feel that God has brought me through the trials and walked with me through many storms to see who I was before I could see that which is ahead Love From Above Hear My Cry and now Redeem In the Name of Love has centered my heart even more towards God and His Son Jesus Christ As much as we try to find love as we try to live a perfect life and as we try to become that perfect christian we find that we need God even more God has blessed me with so much but I still fall short of His glory my heart

Casewell,2021-05-30 This book interrogates the contemporary Lutheran theologian Eberhard Jüngel's theological anthropology arguing that Jüngel's thought can provide a model for theological engagement with philosophical accounts of existence Focusing on Jüngel's theology of existence the author explores the thought of philosophers including Heidegger and Hegel their influence on and application to his theology and argues that Jüngel's account of humanity should be seen as a response to atheistic existentialist accounts of existence In showing how Jüngel's theology is informed by and dependent on philosophical thought this book provides a new lens on the interplay between philosophy theology and religion in twentieth century German thought It will be of particular interest to researchers in philosophy theology and philosophy of religion
