*Bisexuality and the Challenge to Lesbian Politics* Paula C Rust, 1995-10-01 The subject of bisexuality continues to divide the lesbian and gay community At pride marches in films such as Go Fish at academic conferences the role and status of bisexuals is hotly contested Within lesbian communities formed to support lesbians in a patriarchal and heterosexist society bisexual women are often perceived as a threat or as a political weakness Bisexual women feel that they are regarded with suspicion and distrust if not openly scorned Drawing on her research with over 400 bisexual and lesbian women surveying

the treatment of bisexuality in the lesbian and gay press and examining the recent growth of a self consciously political bisexual movement Paula Rust addresses a range of questions pertaining to the political and social relationships between lesbians and bisexual women By tracing the roots of the controversy over bisexuality among lesbians back to the early lesbian feminist debates of the 1970s Rust argues that those debates created the circumstances in which bisexuality became an inevitable challenge to lesbian politics She also traces it forward predicting the future of sexual politics **White Sight** Nicholas Mirzoeff,2023-02-14 From the author of How to See the World comes a new history of white supremacist ways of seeing and a strategy for dismantling them White supremacy is not only perpetuated by laws and police but also by visual culture and distinctive ways of seeing Nicholas Mirzoeff argues that this form of white sight has a history By understanding that it was not always a common practice we can devise better ways to dismantle it Spanning centuries across this wide ranging text Mirzoeff connects Renaissance innovations from the invention of perspective and the erection of Apollo statues as monuments to white beauty and power to the rise of racial capitalism dependent on slave labor with the ever expanding surveillance technologies of the twenty first century to show that white sight creates an oppressively racializing world in which subjects who do not appear as white are under constant threat of violence Analyzing recent events like the George Floyd protests and the Central Park birdwatching incident Mirzoeff suggests that we are experiencing a general crisis of white supremacy that presents both opportunities and threats to social justice If we do not seize this moment to dismantle white sight then white supremacy might surge back stronger than ever To that end he highlights activist interventions to strike the power of the white heteropatriarchal gaze White Sight is a vital handbook and call to action for anyone who refuses to live under white dominated systems and is determined to find a just way to see the world The Bloomsbury Handbook of Sex and Sexuality in Game Studies Matthew Wysocki,Steffi Shook,2025-01-09 The Bloomsbury Handbook of Sex and Sexuality in Game Studies consists of a comprehensive collection of essays that review and supplement current work focusing on sex and sexuality in games The chapters provide insight into sexual content in games representation of various sexualities and player experience Together they contribute to a growing field of work concerning two difficult to define phenomena the borders of sex and sexuality and video games As we frequently see debates and discussions over who gets to love whom and who gets to exist in their true self this handbook plays a part in outlining the parameters of crucial issues within the games that we play *Bisexuality: A Critical Reader* Merl Storr,2013-04-03 Bisexuality A Critical Reader presents the essential primary texts on bisexuality from the last 100 years in an easy to read format Exploring this often controversial concept from a range of perspectives this book places bisexuality in its historical and cultural context and explores its many meanings and uses Merl Storr s introductions give a straightforward overview of the texts included and sets them clearly in the context of debates on bisexuality This collection includes pieces by Henry Havelock Ellis Sigmund Freud Alfred C Kinsey Wardell B Pomeroy and Clyde E Martin and H l n Cixous *Introducing the New Sexuality Studies* Steven Seidman,Nancy L.
