Passages Janet Caldwell, 2012-03 The expressions found within the pages of this book are an attempt to take you on a journey from darkness into the light I have seen the shadows that haunt me and the glorious light that enveloped me in love I have found that as long as I look into the light of my Father the shadows are behind me Only when I look into the face of them and dwell there do I have the propensity to be swallowed by them I have learned that they are harmless to me as long as I do not engage It's easy to become depressed or sad and let them swallow you whole like a cold drink of water on a hot day in hell My poetry has always been cathartic for me and I know it will be for you The poetry and prose in this book are a reflection of my journey of stepping in and out of the light Finally to be embraced by love acceptance of self and more importantly to love all of God's creation and myself It was not an easy road but I would not have changed it for the world I know the poems in this book will make you laugh cry feel love and experience righteous indignation at times It has been an honor to share my words again and I thank you in advance for reading Blessings of love peace Janet Caldwell
