A Journey of Unconditional Love Michele Bell, 2018-03-23 Nicky Bell diagnosed with Ewing s Sarcoma at age thirteen died five years later with his mother and best friend at his side *A Journey of Unconditional Love* tells Nicky and Michele s story describing the battle with cancer in great detail However this book is about more than cancer and its treatment and the fight to survive It s about more than a mother and her son who had to face his mortality at such a young age and the despair and anguish that comes in losing that fight It s about more than

death This book is about life It s about how this mother and son approached the everyday moments of life despite the greater story that was playing out around them and was outside of their control It s about what each had learned from the other and the influential roles played in their life experiences It is about how it still affects the life of the one left behind It s about the depth of human spirit and the soul s ultimate survival along with what the survivor is supposed to do with that energy The connection between this mother and her son has lived on long after his passing and it continues to be a force in this mother s life every day The inspiration in this story comes from the millions of small everyday moments the choices made the words spoken and the unconditional love that makes such a seemingly senseless experience somehow bearable This book gives a voice to parents and loved ones caregivers and patients those who relate to this loss and those who know they feel every heartbeat in this story but who also struggle to come to grips with their own experience **Fractured Lines** Maggie

Season of New Beginnings Mitch Finley,2016-10-31 Each day s mini meditation begins with a brief quotation from the writings of a spiritual guide Following their words you will find a short reflection designed to put a Lenten spin on the words you just read a perspective rooted in the realities of our own time and place and the season of Lent Then the capper a one line prayer Say the prayer and let it sink in think of this small book as a literary sparkplug something to keep the spirit of Lent alive for you one day at a time **Blue Butterflies in Heaven** Lois Lee Siler,2018-07-25 Blue Butterflies in Heaven is a unique collection of inspirational and whimsical poems Proverbs 17 22 states A cheerful heart is good medicine but a crushed spirit dries up the bones These poems are prayerfully written to encourage and lift the spirit of their audience Hidden in between are playful fun loving poems that will hopefully make you smile and give relief from a stress filled day The poet wishes to convey Gods love and majesty to those of us who love prose and poetry and to those who are just learning to appreciate the wonderful magic of poetry **Date with the Daughters** Morsheda Amin,2021-12-27 Life is already abundant with the resources of fulfilling a desire Fear doesn t allow people to see the already ready abundance In this book characters are coming to a realization that fear exists only on a choice point Once fear is illuminated characters discover that they were flawlessly abundant in the first place In the process of discovery a divorce occurred But the divorce worked as a catalyst to increase self esteem in the divorced couple The kids of the couple are the most benefited because of their parents separation *Mr. Gabe* Hershel Marise,2022-07-19 This book I pray expresses that the suffering a child endures because of a traumatic childhood does not have to be the determining factor in deciding the outcome of our lives The kind of life trauma a child or anyone goes through should not in any way determine their ability to overcome these traumas and have a productive adult life It is my belief that with a great Creator God and his divine intervention in our lives we as his children

will be carried through life's traumatic experiences. It is my belief that I and all of humankind were created for a great purpose. The writing of this book or its purpose is not to gather sympathy but the opposite to explain that an individual does not have to allow their childhood or economic environment to set the standard for the rest of their lives. In my childhood, I attempted to subconsciously close myself off mentally or emotionally from what was occurring. This denial allowed me a way of surviving through early life. I called out to God, the great Creator, for help and guidance many times. Without the help and the great love of God, these traumas would probably have killed me from the shock. From an early age and throughout my adult life, I've had to find ways to deal with my traumatic past. With God and a drifter named Mr. Gabe, who showed up at all the right times like a guardian angel who seemed to know a lot about the same God my grandmother talked about, I did survive throughout these traumas and have lived a relatively good life and achieved challenges that could only have been possible with God's love.
