Lovology A Religious Science:

Lovology Roger S. Harkness,1993-01-01 **Loveology** John Mark Comer,2014-02-04 Discover wisdom from Scripture that will help you navigate the confusing waters of love and relationships in today s world In *Loveology* pastor and New York Times bestselling author John Mark Comer helps you understand what the Bible has to say about sexuality romance singleness and what it means to be male and female In the beginning God created Adam Then he made Eve And ever since we ve been picking up the pieces Love and hate Marriage and divorce Sexuality and adultery Romance and heartache Love is the source of our highest highs and lowest lows We see the messiness of love all around us and are left with so many questions about what love really is Amid all this confusion and pain *Loveology* offers you a fresh hopeful biblical perspective on love that starts with marriage and works backward Comer helps you understand what is right in male female relationships what God intended in the Garden And about what is wrong the fallout in a post Eden world Comer shows how when you let Scripture transform your understanding of love it will transform your relationships and your life This book brings honesty wit and compassion to one of life s most beautiful and challenging areas and ends with a raw uncut anything goes Q and A dealing with the most asked questions about sexuality and relationships *Loveology* is for singles engaged couples and the newly married both inside and outside the church who want to learn what the Bible has to say about sexuality and relationships If you want to ask the why questions and get intelligent nuanced answers that are rooted in the Scriptures this book is for you Defining Love Thomas Jay Oord,2010-06-01 Some scientific studies suggest that human beings are innately selfish and that Christian virtues like self sacrifice are a delusion In this intriguing volume esteemed theologian Thomas Jay Oord interprets the scientific research and responds from a theological and philosophical standpoint providing a state of the art overview of love and altruism studies He offers a definition of love that is scientifically theologically and philosophically adequate As Oord helps readers arrive at a clearer understanding of the definition recipients and forms of love he mounts a case for Christian agape and ultimately for a loving God *Mystical Theology* William Johnston,1995 From the earliest centuries there has existed a Christian theology of mysticism defining the state which Bernard Lonergan called a being in love with God St John of the Cross wrote such a theology for the sixteenth century calling it the science of love Now William Johnston one of the great spiritual writers of our time attempts to do the same for the twenty first century In Part One of *Mystical Theology* Johnston surveys Christian mysticism through the centuries Johnson shows that such a theology today must dialogue with modern science and with Eastern religions Part Two provides this dialogue where Johnston engages Einstein s theories as well as Zen Buddhism In Part Three it becomes clear how the science of love is no longer an esoteric discipline for monks and nuns In Johnston s writing it becomes accessible to all modern people grappling with problems of our age *Forthcoming Books* Rose Army,1993 **The First Love Story** Bruce Feiler,2018-03-20 An exploration of the way Adam and Eve introduced the idea of love into the world and how they continue to shape our deepest feelings about

relationships family and togetherness Since antiquity Adam and Eve have stood at the center of every conversation about men and women Yet instead of celebrating them history has blamed them for bringing sin deceit and death into the world In this fresh retelling of their story Bruce Feiler travels from the Garden of Eden in Iraq to the Sistine Chapel in Rome discovering how Adam and Eve should be hailed as exemplars of a long term healthy resilient relationship At a time of discord and fear over the strength of our social fabric Feiler shows how history s first couple can again be role models for unity forgiveness and love Love: A Good Medicine (The Saga of the Elixir of Life) (Introducing 'LoveOlogy') Dr.

Siddhartha Ganguli,2024-01-15 The human emotion of love has its own spectrum like the rainbow with its two extremes represented by two different neuro chemicals Dopamine Smart Love Short lived or Short Love and Oxytocin Sustained Love In the ancient Indian NatyaShastra of the great Bharata Muni the essence or rasa of love is Sringara having at its two poles Kama lust and Prema pure love As illustrations of the Sringara rasa the author has analysed a number of love song lyrics from different cultures In this book while the author has looked at and analysed love from the angles of bio medical social psychological and neurological sciences one unique concept shared is that of the love pie A very special section deals with Futuristic Love where the author has discussed the idea of having a love relationship with AI Artificial Intelligence Special contributions by the Stellar Maestro world famous polymath musician astrophysicist philosopher painter Dr Leonid Timoshenko of Russia and the top ranking gynaecologist and obstetrician Dr Gouri Kumra from India are precious value additions *Books in Print Supplement* ,1994 **Unity [devoted to Practical Christianity]** ,1955-06 **Love as**

Common Ground Paul S. Fiddes,2021-09-23 This book explores the way in which the study and practice of love creates a common ground for different faiths and different traditions within the same faith For the contributors common ground in this context is not a minimal core of belief or a lowest common denominator of faith but a space or area in which to live together consider together the meaning of the love to which various faiths witness and work together to enable human flourishing Such a space the contributors believe is possible because it is the place of encounter with the divine This book is the fruit of a Project for the Study of Love in Religion which aims to create this space in which different traditions of love converge from Islam Judaism and the Christianity of both East and West Tools employed by the contributors in exploring this space of love include exegesis of ancient texts theology accounts of mystical experience philosophy and evolutionary science of the human Insights about human and divine love that emerge include its nature as a form of knowing its sacrificial and erotic dimensions its inclination towards beauty its making of community and its importance for a just political and economic life

Faith and Science ROBERT J. HESSE,2022-09-05 Deacon Robert Hesse is uniquely qualified to write this scientifically accurate and inspirational gateway into the mind and heart of God through the interrelationship between faith and science Drawing upon his Ph D in Physical Chemistry his background in Trappist mystical theology and years of leadership in interreligious dialogue he provides a glimpse into the unrestricted consciousness from which springs the equations of physics

the space time continuum molecular structures the biophysical leap into life and the biospiritual leap into human consciousness free choice loving relationships and mystical ecstasy **Science Of Love** Thomas Oord, Thomas Jay Oord, 2004-09 Analyses the fundamentals of love the basic characteristics of existence that must be present for love to be expressed concluding with the important argument that progress can be made when religion and science work together to both understand and promote love **Science Of Love** Thomas Oord, 2008-01-01 We all know the saying Love can change the world When science looks at love it considers cosmology sociobiology evolutionary psychology neurology sex and romance and the role of emotions as each relates to love It also explores religious ethical and philosophical issues such as virtue creation ex nihilo progress divine action agape values religious practices pacifism sexuality friendship freedom and marriage All affect the ways in which people understand each other and interact with one another In this book Oord explores these varied dimensions of love illuminating the love science symbiosis for both scholars and general readers His definition of love is to act intentionally in sympathetic response to others including God to promote overall well being Love acts are influenced by previous actions and executed in the hope of attaining a high degree of good for all He begins his study with an exploration of the role love plays in all major world religions Hinduism Buddhism Confucianism Judaism Islam and Christianity He explains how divine love in action can be viewed as consonant with the big bang theory and the continual creation of the universe He looks at pacifism and concludes that nonviolence is not always the most loving thing sometimes violence must be used to rescue victims or prevent holocausts He explores the animal kingdom to see how creatures work together with the Creator to make the world a better place And he analyzes the fundamentals of love the basic characteristics of existence that must be present for love to be expressed He concludes with the important argument that progress can best be made when religion and science work together to both understand and promote love **THE THIRD EYE—The Mystery of Sri Sri Ramakrishna's Visions** Dr. Siddhartha Ganguli, 2024-11-21 The 19th century Hindu super saint Avatar Sri Sri Ramakrishna descended on earth as a God incarnate to bring about harmony between different religions some of those believing in gods without forms and a few having faith on gods and goddesses with forms He was an evangelist of spirituality rather than a religious missionary His every step every move was based on his clear visions of the far and near pasts as well as the proximal and distant futures This was possible because of the mystical powers of his open and active third eye The author who is until now the only Ramakrishna scholar who has been studying him deeply bio behaviourally explains with adequate authentic supportive data that the third eye is not an imaginary concept of a creative thinker It is very much a power of the human brain s Pineal Gland It is the only sensory organ that the subtle bodied soul carries to the post death world after leaving the two biological eyes in the lifeless mortal body The book includes a list of all third eye powers that have been discovered until now and also talks about the astha siddhis the eight very special powers that the yogis acquire through sadhana There is a brief discussion also on the seven planes of existence and the post death realms where the souls

move once we die Godly Love Matthew T. Lee, Amos Yong, 2012-01-01 Godly Love Impediments and Possibilities examines the theory of Godly Love understood as including a vertical axis denoting the love of God and a horizontal axis involving the love of others is at the core of a new field of research that studies how divine love influences the love of others and vice versa It is a multidisciplinary research program into the benevolent expressions of the Great Commandment of the Christian tradition involving the theological and social sciences Theological and social scientific essays that ask why there is not more Godly Love in this world and what might be done to change the situation This book focuses on the problems confronting challenging prohibiting and perhaps even resisting the concrete expression of Godly Love in the world utilizing a range of theological and especially social scientific methodologies **Goddess Kali, God Thoughts, Sri Sri Ramakrishna and A Few Slices of Sri Sri Ramakrishna's Soul (Introducing 'Soulology')** Dr. Siddhartha Ganguli, 2024-05-11 Hinduism is a polytheistic religion For the Hindus Goddess Kali is the only austere down to earth deity who believes in absolute simplicity and openness She does not hide her body she is naked with her private parts covered by a garland of severed hands of demons slain by her Her mind is overt as she sticks out her tongue representing her thirst for the blood of evil people whom she is determined to overpower and also her feeling of shame Her soul yearns for pure and authentic love She is unlike other Hindu goddesses who are opulently dressed and majestically ornamented Kali's child God incarnate Sri Sri Ramakrishna like his mother goddess is casual not only about his dress but also about his worshipping habits This book looks at Ramakrishna his method of devotion his yearning for the goddess and his value system and entire philosophy It analyses the Hindu Saint's soul and its slices that he had shared and still continues to share even today long after he left this planet with those who understand him thoroughly and are meant to propagate his message The author's method of analysis and treatment of the subject are unique as no other Kali or Ramakrishna scholar had used for their probes earlier *Love Divine* Jordan Wessling, 2020 Love Divine provides a systematic account of the deep and rich love that God has for humans clarifying and defending conclusions concerning how the doctrine of divine love should be approached It presents a unified theological account of divine love punitive wrath and redemption Love as Common Ground Paul S. Fiddes, 2021-09-23 This book explores the way in which the study and practice of love creates a common ground for different faiths and different traditions within the same faith For the contributors common ground in this context is not a minimal core of belief or a lowest common denominator of faith but a space or area in which to live together consider together the meaning of the love to which various faiths witness and work together to enable human flourishing Such a space the contributors believe is possible because it is the place of encounter with the divine This book is the fruit of a Project for the Study of Love in Religion which aims to create this space in which different traditions of love converge from Islam Judaism and the Christianity of both East and West Tools employed by the contributors in exploring this space of love include exegesis of ancient texts theology accounts of mystical experience philosophy and evolutionary science of the human Insights about human and divine love that emerge include its
