Each experiences a miraculous change in health all from simply changing his or her diet. Fascinatingly these stories all have one thing in common: the subjects started eating the opposite of what they had previously been told was healthy. The dietary guidelines they had learned growing up had failed them. Medical science has long turned a blind eye to such stories. But now the tide is changing as more and more major studies are being conducted on what the body truly needs to survive and the findings are

alarming The belief in eating less fat and less saturated fat is mistaken Inadvertently this advice may be the biggest reason behind the obesity and diabetes epidemic It s time to take a stand it s time for real food again In Low Carb High Fat Food Revolution Dr Andreas Eenfeldt takes the offensive by exploring the severe systematic failures on which many of today s dietary guidelines are based For Eenfeldt s patients the solution has been a low carb high fat diet that allows you to eat your fill and still lose weight The book concludes with a guide section full of tips and recipes everything you need to start your own food revolution *CSIRO Low-Carb Every Day* Grant Brinkworth, Pennie Taylor, 2018-03-27 BOOK 2 OF THE 1 BESTSELLING LOW CARB DIET The CSIRO Low carb Diet is based on strong scientific research that has successfully helped Australians lose weight and improve their overall health Building on the success of the first book this new volume will make implementing the diet at home easier than ever It includes An update on the latest science 80 NEW recipes with a focus on meals that are quick and easy to prepare All daily allowances for recipes calculated and explained Daily plans and meal builders to help you seamlessly incorporate this way of eating into your everyday life 15 new excercises that complement those in the first book to add variety to your exercise routine and further improve your fitness strength and general health Accessible affordable and achievable this is a fully researched approach to better eating and improved health from Australia s peak science organisation This is a specially formatted fixed layout ebook that retains the look and feel of the print book
