Birkenfeld, 2020-09-30 A page turning real life thriller Lucifer's Banker Uncensored is a fascinating behind the scenes look at the secret Swiss high net worth banking industry and a harrowing account of our government's justice system Updated and Uncensored As a private banker working for the largest bank in the world UBS

Bradley Birkenfeld was an expert in Switzerland's shell game of offshore companies and secret numbered accounts. He wined and dined ultrawealthy clients whose millions of dollars were hidden away from business partners, spouses, and tax authorities. As his client list grew, Birkenfeld lived a life of money, fast cars, and beautiful women, but when he discovered that UBS was planning to betray him, he blew the whistle to the US Government. The Department of Justice scorned Birkenfeld's unprecedented whistle blowing and attempted to silence him with a conspiracy charge. Yet Birkenfeld would not be intimidated. He took his secrets to the US Senate, the Securities and Exchange Commission, and the Internal Revenue Service, where he prevailed. His bombshell revelations helped the US Treasury recover over 15 billion and counting in back taxes, fines, and penalties from American tax cheats. But Birkenfeld was shocked to discover that at the same time he was cooperating with the US Government, the Department of Justice was still doggedly pursuing him. He was arrested and served thirty months in federal prison. When he emerged, the Internal Revenue Service gave him a whistle blower award for 104 million, the largest such reward in history. A page-turning real-life thriller, *Lucifer's Banker* is a fascinating behind-the-scenes look at the secret Swiss high-net-worth banking industry and a harrowing account of our government's justice system. Readers will follow Birkenfeld and share his outrage with the incompetence and possible corruption at the Department of Justice, and they will cheer him on as he hammers one of the most well-known and powerful banks in the world.
