Lepcha community myth the book begins with stifled love between Teesta and Rangeet rivers and celebration of nature's beauty by the poet. The poems run through the entire spectrum of the poet's experience affected by the events occurring around him from the perspective of his personal love to the challenges posed by decadent politics, environmental pollution and the Corona pandemic. In his anthology the poet weaves a child's curiosity with a lover's intense passion tempered by a philosopher's sagacity. Peppered with philosophical, satirical, romantic and imaginative elements, the anthology presents an eclectic feast of different shades of human emotion to be relished by the readers.
