Long, 2004-07-06 Enter the territory of Jeff Long where the unknown is deeply present death is a constant shadow and the human spirit is our final hope Now comes *The Reckoning* another superbly original thriller a story of predation betrayal and resurrection that is at once intricate haunting and terrifying Armed with only a camera and iron determination thirty year old photojournalist Molly Drake arrives in modern day Cambodia to cover the U S military search for the remains of an American pilot shot down during the Vietnam War In this eerie wasteland pockmarked with human bones and live land mines the people hold more secrets than the landscape from aging archaeologist Duncan O Brian to John Kleat a caustic vet hunting for his long lost brother When Molly's camera captures a flight helmet buried among Khmer Rouge victims diplomatic powers force her and her civilian comrades off the dig But just as a typhoon looms offshore the outcasts learn of an even bigger find A mysterious expatriot guides them into the ruins of an ancient city where they begin a harrowing search for the remains of

an entire patrol of GIs that strayed in combat thirty years ago With storm winds hammering their jungle fortress Molly discovers that a war she never knew never died Her survival comes to depend on her journalistic skills to solve a forgotten murder among these warriors left behind In the end her only hope for salvation is to redeem the lost souls that surround her As stylishly written as it is suspenseful *The Reckoning* is a thriller that illuminates the fragile thread between life and death knowledge and ignorance hope and horror Bringing readers ever closer to enemy territory it is a hair raising journey into one of modern history s darkest periods and an intense look into the hearts still haunted by it *The Joy Luck Club* Amy Tan,1990 Encompassing two generations and a rich blend of Chinese and American history the story of four struggling strong women also reveals their daughters memories and feelings **Lucky's Lady** Sandy Raven,2025-06-14 When Mary Michael Watkins married her elderly mentor who owned the shipyard where she worked she never thought she d miss the things he can t give her But as the years pass she discovers a surprising need for a child that grows stronger each day Her husband urges her to look elsewhere for a man to sire the baby she wants but she can t even consider such a thing until she meets Captain Gualtiero Luchino Gualtiero is a man to whom family means everything Second to family is growing his tea import company and he s come to Watkins Shipyard to have two new ships built He s enjoyed married women in the past so has no issue bedding the beautiful wife of the shipyard owner But when it comes time to leave her his heart cannot forget her Shortly before her husband s death Mary Michael realizes she is carrying the captain s child A spurned suitor accuses her of adultery claiming to be the child s father to gain the Watkins fortune and she is forced to ask the captain to care for their child in the event she is found guilty and hanged Lucky will do whatever is necessary to have Mary for his own and to be a part of his child s life even kidnap her from her cell and take her on the high seas with him He knows she s long fought her feelings for him and aboard the *Lady M* he will convince her that his love for her is as endless as the ocean *The Cry of the Unborn Babies* Noah Weldemichael,2020-01-14 The cry of the unborn babies is very exceptional in its writing and style What makes it unique is that it brings the direct word of the unborn babies We may think that unborn babies are accounted for life but we don t consider that they are conscious about their life We think act and decide for them and they are very grateful for that as long as it benefited them But these days what they are experiencing is against their expectation That is why they choose to voice their resentment to the living world They want their lives to be valued and respected their bodies honored and their call answered They are very eager with great expectation that they will get the desire of their heart and that is their dear life They are also very determined to continue their fight once they cheat death abortion and arrive in this world So we better hear their cry and stop abortion But if we are not ready to do so they will come in person and we altogether will witness what they are going to do for their dear life *Unborn Bodies* Margaret D. Kamitsuka,2023 The afterlife is often a concern during fragile moments of reproductive loss The historical church ignored the death of unborn beings and the precarity of pregnancy focusing more on the soul than the body A new approach to eschatology is needed that upholds

**Oh Baby** Kathy Fray, 2016-02-29 Much recommended by new mothers, this is the only book you'll need for the best baby advice. Now completely revised and updated. Refreshingly honest, openly frank and candidly blunt, this book has been written by a mother who is also an experienced midwife for other mothers. It oozes warm fuzzies, exudes realism in every paragraph and is refreshing in its guiltless honesty. Modern first-time mothers are often alone, devoid of once traditional motherhood knowledge and practical support. Often previously self-confident women find themselves isolated, fumbling over everyday mothering tasks, enduring sleep deprivation, feeling desperately despondent and aching and leaking everywhere. This book provides supportive, caring advice, one mum to another, while at the same time serving as an encyclopaedic medical reference regarding the mother and baby. Checked thoroughly by medical professionals, this book is a unique blend like having access to a kind and gentle GP as well as to all the gems of wisdom of years of mothers' coffee groups. This title clearly and compassionately explains the ups as well as the downs, which are perfectly normal aspects of giving birth and mothering in today's society.
