

CRETIA MOYTT

NTLE WARRIOR

A NOVEL IN THREE PARTS

by Dorothy Sterling

Lucretia Mott Gentle Warrior

Katrin Zwirglmaier

Lucretia Mott Gentle Warrior:

Lucretia Mott Dorothy Sterling, 1999 A biography of the senior founder of the Women's Rights Movement published for the 150th anniversary of the Women's Rights Convention **Gentle Warriors** Barbara Stuhler, 1995 Author is an alumna of Evanston Township High School class of 1941 **Women Public Speakers in the United States, 1800-1925** Karlyn Kohrs Campbell, 1993-01-26 From the nation's beginnings efforts have been made to silence U.S. women Yet they spoke This biographical dictionary the first of two companion volumes gives their voices new recognition Selecting thirty seven key orators Karlyn Kohrs Campbell provides entries on a diverse group of women All were ground breakers suffragists the first lawyers ministers physicians labor organizers newspaper editors and publishers historians educators even soldiers The volume opens with Campbell's introduction and then provides extensive essays on each of the women included Each entry begins with brief biographical information and then focuses on the woman's public life in discourse Each entry includes an analysis of the subject's rhetoric Entries conclude with information on primary sources critical works key rhetorical documents and selected sources of historical and biographical information The work is fully indexed **Suffrage** Susan L. Poulson, 2019-09-03 Four generations of women fought for the right to vote This book shows how their grand reform effort overcame resistance from traditionalists fearing social decay religious leaders citing scriptural prohibitions and a stodgy political establishment reluctant to share power What was it like to be among the founders of the women's movement in the middle of the nineteenth century with no script to follow and self doubt dogging their every move This book not only reminds us of the laws that conspired against women's equality in the post Civil War United States but it also illustrates through the eyes of the suffragists themselves the cultural and religious norms that had held women in second class status for centuries Early suffragists grappled with isolation and outright hostility as they lectured around the nation even as they tried to reassure the public that politicized women would still serve the family Others espoused outrage by organizing public protests This book shows how lasting political change comes about through a combination of working from within the system and outside of it and deftly illustrates the tensions within the movement Although the vote was finally won in 1920 it was not without tremendous sacrifice The book lays bare the strategies that led to the single minded focus on the vote and the consequences of postponing action on so many other issues that remained for later generations to address including reproductive freedom labor rights and equal pay **Dictionary of American Religious Biography** Henry W. Bowden, 1993-04-13 The first edition of this award winning reference published in 1977 contained 425 biographical profiles of the most significant American religious figures This new edition includes profiles for 125 additional people and the earlier biographical sketches have been revised and updated The volume includes religious leaders who died before July 1 1992 Among its pages are entries for reformers philosophers social activists doers and dreamers While many of the people are mainstream white ordained clergymen many more stand outside traditional denominations and reflect the cultural and

religious diversity of modern America The result is a systematic overview of 400 years of American religion from the colonial period to the present day Each profile begins with a capsule summary of the chief events in that person s life The biographical essay that follows places the basic facts of the figure s life within the larger context of American religious history A bibliography of the most significant works by and about the figure concludes each entry Appendices at the end of the work categorize each individual by religious denomination and by place of birth

Early Feminist Pioneers, Their Lives, and Their Reform Efforts Satish Sharma,2020-12-24 Early feminist pioneers contributed much to the functioning and reform of society including making women s status and privileges equal to those of men However we still do not know enough about their efforts strategies sacrifices and attainments As such through a focus on the lives and contributions of eight early female pioneers of England and America from the seventeenth century to the early twentieth century this book helps to fill this gap Among these women were religious and educational reformers political activists social advocates abolitionists feminists community organizers pacifists internationalists and historians These women noticed many injustices done to their kind by men and society over the centuries and took brave actions at great personal costs to provide remedies Their respective backgrounds and interests were different but all of them desired more protection and the welfare of vulnerable populations nationally and internationally This book will be of interest to scholars and students in many fields and can also be adopted as a textbook in colleges and universities

Learning from the Left Julia L. Mickenberg,2006 Publisher Description *American History Through People Who Looked to the Lord* Margaret Whitaker,2011-10-28 The Scriptures tell us righteousness exalteth a nation Abigail Adams in a letter to a friend Education is useless without the Bible Noah Webster Captivate students with American History through People Who Looked to the Lord an engaging hands on workbook for Christian educators of children ages eight through twelve Filled with puzzles historical fiction creative writing exercises and more this innovative lesson book focuses on the often overlooked role of Christianity throughout American history Bible verses are included for each unit and thoughtful questions stimulate research and critical thinking skills Fiction stories and short plays bring history to life while engaging facts of events ground the student in history Row past British warships with George Washington s army under a providential fog Hear Benjamin Franklin call upon the Continental Congress to pray before writing the Constitution Ride with fugitives on Levi Coffin s Underground Railroad Ideal for homeschoolers or Christian school educators American History through People Who Looked to the Lord is a fun and lively tool to help you create a thoughtful dialogue with your students on how America can look to the Lord today

Joyous Greetings Bonnie S. Anderson,2000-03-16 Over one hundred fifty years ago champions of women s rights in the United States Britain France and Germany formed the world s earliest international feminist movement Joyous Greetings is the first book to tell their story From Seneca Falls in upstate New York to the barricades of revolutionary Paris from the Crystal Palace in London to small towns in the German Rhineland early feminists united to fight for the cause of women At the height

of the Victorian period they insisted their sex deserved full political equality called for a new kind of marriage based on companionship claimed the right to divorce and to get custody of their children and argued that an unjust economic system forced women into poorly paid jobs They rejected the traditional view that women's subordination was preordained natural and universal In restoring these daring activists' achievements to history Joyous Greetings passes on their inspiring and empowering message to today's new generation of feminists

Impatient with Desire Gabrielle Burton, 2010-03-09 A great adventure A haunting tragedy An enduring love In the spring of 1846 Tamsen Donner her husband George their five daughters and eighty other pioneers headed to California in eager anticipation of new lives out West Everything that could go wrong did and an American legend was born The Donner Party We think we know their story starving pioneers trapped in the mountains performing an unspeakable act to survive but we know only that one harrowing part of it Impatient with Desire brings us answers to the unanswerable question What really happened in the four months the Donners were trapped in the Sierra Nevadas And it brings to stunning life a woman and a love story behind the myth Tamsen Eustis Donner born in 1801 taught school wrote poetry painted botanized and was fluent in French At twenty three she sailed alone from Massachusetts to North Carolina when respectable women didn't travel alone Years after losing her first husband Tully she married again for love this time to George Donner a prosperous farmer and in 1846 they set out for California with their five youngest children Unlike many women who embarked reluctantly on the California Oregon Trail Tamsen was eager to go Later trapped in the mountains by early snows she had plenty of time to contemplate the wisdom of her decision and the cost of her wanderlust Historians have long known that Tamsen kept a journal though it was never found In Impatient with Desire Burton draws on years of historical research to vividly imagine this lost journal and paints a picture of a remarkable heroine in an extraordinary situation Tamsen's unforgettable journey takes us from the cornfields of Illinois to the dusty Oregon Trail to the freezing Sierra Nevada Mountains where she was forced to confront an impossible choice Impatient with Desire is a passionate heart wrenching story of courage hope and love in hardship all told at a breathless pace Intimate in tone and epic in scope Impatient with Desire is absolutely hypnotic

Negro History and Literature, 1968 **Elizabeth Cady Stanton and Susan B. Anthony** Penny Colman, 2013-07-23 Weaving events quotations personalities and commentary into a page turning narrative Penny Colman's Elizabeth Cady Stanton and Susan B Anthony vividly portrays a friendship that changed history In the Spring of 1851 two women met on a street corner in Seneca Falls New York Elizabeth Cady Stanton a thirty five year old mother of four boys and Susan B Anthony a thirty one year old unmarried former school teacher Immediately drawn to each other they formed an everlasting and legendary friendship Together they challenged entrenched beliefs customs and laws that oppressed women and spearheaded the fight to gain legal rights including the right to vote despite fierce opposition daunting conditions scandalous entanglements and betrayal by their friends and allies

Deepening Literacy Learning Mary Ann Reilly, Jane M. Gangi, Rob Cohen, 2010-09-01 *In Silence or Indifference* Wayne A.

Wiegand,2024-08-30 Librarians around the country are currently on a battleground defending their right to purchase and circulate books dealing with issues of race and systemic racism Despite this work the library community has often overlooked even ignored its own history of White supremacy and deliberate inaction on the part of White librarians and library leadership Author Wayne A Wiegand takes a crucial step to amend this historical record In Silence or Indifference Racism and Jim Crow Segregated Public School Libraries analyzes and critiques the world of professional librarianship between 1954 and 1974 Wiegand begins by identifying racism in the practice and customs of public school libraries in the years leading up to the Brown v Board of Education decision This culture permeated the next two decades as subsequent Supreme Court decisions led to feeble and mostly unsuccessful attempts to integrate Jim Crow public schools and their libraries During this same period the profession was honing its national image as a defender of intellectual freedom a proponent of the freedom to read and an opponent of censorship Still the community did not take any unified action to support Brown or to visibly oppose racial segregation As Black school librarians and their Black patrons suffered through the humiliations and hostility of the Jim Crow educational establishment the American library community remained largely ambivalent and silent The book brings to light a distressing history that continues to impact the library community its students and its patrons Currently available school library literature skews the historical perspective that informs the present In Silence or Indifference is the first attempt to establish historical accountability for the systemic racism contemporary school librarianship inherited in the twenty first century

The Religious World of Antislavery Women Anna M. Speicher,2000-02-01 Nineteenth century women reformers such as the radical abolitionists have frequently been seen as having abandoned the constraints of religion in order to pursue their personal and political goals The subjects of this book Angelina Grimke Sarah Grimke Sallie Holley Abby Kelley and Lucretia Mott did indeed reject what they found to be the repressive features of the Christianity of their day Their religiosity however remained fundamental to their world view In this book Anna M Speicher explores the dimensions of this evolving faith which was critical in shaping their decisions and actions throughout their lives

Searching for Tamsen Donner Gabrielle Burton,2009-03-01 This book tells of Burton s search to solve the mystery of Tamsen Donner for herself A graceful mingling of history and memoir Searching for Tamsen Donner follows Burton and her husband with their five daughters on her journey along Tamsen s path From Tamsen s birthplace in Massachusetts to North Carolina where she lost her first family in the space of three months to Illinois where she married George Donner and finally to the fateful Oregon Trail Burton recovers one woman s compelling history through a modern day family s adventure into realms of ultimately timeless experiences Cover p 2

Ends and Odds Samuel Beckett,1976 A collection of one act plays **Books for Schools and the Treatment of Minorities** United States. Congress. House.
