download a free scanned copy of the original book without typos from the publisher Not indexed Not illustrated 1884 edition
Excerpt CHAPTER V CUNNILINGUES E have now said enough about the work of Venus performed by the virile member it
remains for us to explain how a sacrifice may be offered to Venus without one This may be done by means of the tongue or of
the clitoris We have accordingly first to treat of the cunnilingues those who lick women s privates and then of the tribads As
it is the office of the fellator or fellatrix to suck the virile parts so it is the business of cunnilingues to lick the female The
cunnilingue operates by introducing his tongue into the vulva Martial XL 62 has described his monstrous act very clearly

Manneius husband with his tongue adulterer with his mouth more foul than the mouths of harlots of the Summoenium whom seeing as he stood naked from a window the filthy procuress closed her brothel whose middle she had rather kiss than his head He who of old knew all the channels of the inwards and could declare with a sure and certain voice whether twas a boy or girl in the mother s belly be glad all vulvas for your part is done can no longer erect his fornicating tongue For lol as he lurks with tongue plunged in the swelling vulva and hears the babes wailing inside their mother a shocking malady paralyses his greedy mouth and now he can no more be either clean or unclean By the same paralysis of the tongue Zoilus was struck Martial XL 86 An evil star Zoilus has struck your tongue of a sudden even while licking a vulva Of a surety Zoilus you must now use your member Baeticus the castrated priest of Cybele against whom Martial has directed Epigram III 81 was a cunnilingue What have you Baeticus a priest of Cybele to do with the female pit That tongue of yours by rights should lick
