Manuel Puig Y La Mujer Arana:

El beso de la mujer araña / The Kiss of the Spider Woman Manuel Puig, 1994-10-04 La obra más conocida de Manuel Puig el brillantemente inventivo novelista argentino The New York Times es ahora el tema de una premiada comedia musical El beso de la mujer araña es una elegante y fascinante novela sobre el amor y la victimización En una cárcel argentina dos hombres comparten una celda Molina un diseador de escaparates homosexual que es egoísta auto denigrante y al mismo tiempo encantador y Valentín un revolucionario articulado y ferozmente dogmático obsesionado con la memoria de la mujer que abandonó por la causa Ambos son gradualmente transformados por su cautelosa pero creciente obsesión de Molina con la fantasía y el romance del cine

El beso de la mujer araña/ Manuel Puig Manuel Puig, 1993

Diálogo y oralidad en la narrativa hispánica moderna Rolf Eberenz, 2001-01-01 La representación de la comunicación oral en los textos escritos se encuentra actualmente en la encrucijada de varias disciplinas científicas dedicadas al estudio del lenguaje y de sus productos culturales lingüística antropología sociología historia de la literatura etc En lingüística el redescubrimiento de la oralidad ha empezado a minar la tradicional certidumbre sobre la preeminencia de la lengua escrita y a provocar una revisión de muchos conceptos gramaticales nunca cuestionados Los estudiosos de la literatura conocen desde hace tiempo fenómenos menos conexos como el género del diálogo literario la inserción de diálogos en el relato o el coloquialismo de estos últimos que a veces impregnan también el discurso del propio narrador

El beso de la mujer araña Manuel Puig, 2016-11-11 Mientras comparten una celda Martín relata viejos melodramas cinematográficos a Valentín activista político e idealista para aliviarle de los efectos de las sesiones de tortura a que lo somete la policía política de la dictadura El beso de la mujer araña la novela más popular de Manuel Puig consolidó su fama en el ámbito internacional gracias al extraordinario éxito de su versión cinematográfica y teatral Durante la dictadura militar argentina dos hombres comparten una celda Molina un homosexual de edad madura pasa largas horas de

encierro contando episodios de sus películas preferidas. Valentín un activista político se lo piensa en el movimiento revolucionario mientras recuerda a la mujer que abandonó por dicha causa. Determinada principalmente por el intenso diálogo entre los dos presos. El beso de la mujer araña es una novela fascinante que narra la creciente amistad entre dos personalidades distintas en grado extremo. Al final ambos son transformados por la relación que desarrollan nacida en la soledad y el miedo a la tortura por parte de Valentín y de la obsesión de Molina por la fantasía y el amor por el cine. Otros autores han dicho sobre la novela: Puig fue más allá de la vanguardia, demostró que la renovación técnica y la experimentación no son contradictorias con las formas populares. Ricardo Piglia: La obra de Puig es una de las más originales de los últimos años del siglo XX. Mario Vargas Llosa: Lectura neobarroca de "el beso de la mujer araña" de Manuel Puig. , **Intertextualidad generativa en El beso de la mujer araña, de Manuel Puig**. Rubén L. Gómez-Lara, 1996. La forma del destino. Juan Pablo Dabove, 1994-01-01. En esta nueva lectura de EL BESO DE LA MUJER ARANA la imitación por las imágenes que la suscitan: la Mujer, la heroína, el arte, el artista, es el sitio de la reflexión sobre la obra de Puig y sobre los estudios que hasta ahora la han interrogado. En contrapunto con una y otros, el ensayo de Dabove se pliega sobre su objeto en un movimiento que al reflejarlo produce algo más: una réplica con la que como aquel intenta acercarse al punto que el autor no alcanza al sitio en que la pregunta por el destino de los relatos en el mundo vuelve a resonar. **Postmodernity in Latin America**. Santiago Colás, 1994-11-07. Postmodernity in Latin America contests the prevailing understanding of the relationship between postmodernity and Latin America by focusing on recent developments in Latin American and particularly Argentine political and literary culture. While European and North American theorists of postmodernity generally view Latin American fiction without regard for its political and cultural context, Latin Americanists often either uncritically apply the concept of postmodernity to Latin American literature and society or reject it in an equally uncritical fashion. The result has been both a limited understanding of the literature and an impoverished notion of postmodernity. Santiago Colás challenges both of these approaches and corrects their consequent distortions by locating Argentine postmodernity in the cultural dynamics of resistance as it operates within and against local expressions of late capitalism. Focusing on literature, Colás uses Julio Cortázar's Hopscotch to characterize modernity for Latin America as a whole. Manuel Puig's Kiss of the Spider Woman to identify the transition to a more localized postmodernity and Ricardo Piglia's Artificial Respiration to exemplify the cultural coordinates of postmodernity in Argentina. Informed by the cycle of political transformation beginning with the Cuban Revolution, including its effects on Peronism, to the period of dictatorship and finally to redemocratization, Colás's examination of this literary progression leads to the reconstruction of three significant moments in the history of Argentina. His analysis provokes both a revised understanding of that history and the recognition that multiple meanings of postmodernity must be understood in ways that incorporate the complexity of regional differences. Offering a new voice in the debate over postmodernity, one that challenges that debate's leading thinkers, Postmodernity in Latin America will be of particular

interest to students of Latin American literature and to scholars in all disciplines concerned with theories of the postmodern

Latin American Writers on Gay and Lesbian Themes David William Foster, 1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author's writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe

Postmodern Parody in Latin American Literature Helene Carol Weldt-Basson, 2018-05-24 This book examines postmodern parody in Latin American literature as the intersection between ideology construction and deconstruction Parody's chief task is to deconstruct and criticize the ideologies behind previous texts During this process new ideologies are inevitably constructed However postmodernism simultaneously recognizes the partiality of all ideologies and rejects their enthronement as absolute truth This raises the question of how postmodern parody deals with the paradox inherent in its own existence on the threshold between ideology construction deconstruction and the rejection of ideology This book explores the relationship between parody and ideology as well as this paradox of postmodern parody in works written by writers ranging from early twentieth century poets to the most recent novel by the Nobel Prize winning Mario Vargas Llosa The analyses include such authors as Cristina Peri Rossi Manuel Puig Luisa Valenzuela Enrique S nchez Roberto Bola o Claudia Pi eiro Margarita Mateo Palmer Boris Salazar and Rosario Ferr
