Manumission Reflections:

Manumission Reflections, 2002 **Compulsory Manumission, Or an Examination of the Actual State of the West India Question** Alexander McDonnell, 1827 *The Jewish Manumission Inscriptions of the Bosphorus Kingdom* Elizabeth Leigh Gibson, 1999 E Leigh Gibson analyses a little known group of Greek inscriptions that record the manumission of slaves in synagogues located on the hellenized north shore of the Black Sea in the first three centuries of the common era Through a comparison of this corpus with manumission inscriptions from elsewhere in the Greco Roman world and an analysis of Greco Roman Judaism's own interaction with slavery she assesses the degree to which the Black Sea Jewish community adopted classical traditions of manumissions In so doing she tests the often repeated assumption that these Jewish communities developed idiosyncratic slave practices under the influence of biblical injunctions regarding Israelite ownership of slaves More generally she reconsiders the extent of Jewish isolation from or interaction with Greco Roman culture Against the backdrop of Greek manumission inscriptions the Jewish manumissions of the Bosporan Kingdom are unremarkable they follow the basic outlines of Greek manumission formulae A review of Greco Roman Jewish sources demonstrates that biblical precepts on slaveholding were not implemented even if they were still admired One element of the manumissions the ongoing obligation required of the slaves is somewhat enigmatic and possibly indicates that the Bosporan Jewish community indeed had distinctive manumission practices These obligations have been commonly interpreted as requiring the slave to participate in the religious life of the community as a condition of his manumission and possibly his concurrent conversion A close analysis of the clause reveals a more straightforward interpretation the obligation was a kind of paramone clause a common feature of Greek manumission inscriptions E Leigh Gibson demonstrates that the Jews of this region incorporated Greek manumission practices into their communal life The execution of private legal contract with the community of Jews as witness in turn suggests that the wider Bosporan community extended respect and recognition to its local Jewish community

Exploring the Composition of the Pentateuch L. S. Baker Jr., Kenneth Bergland, Felipe A. Masotti, A. Rahel Wells, 2020-12-11 For many years the historical critical quest for a reconstruction of the origins and development of the Pentateuch or Hexateuch has been dominated by the documentary hypothesis the heuristic power of which has produced a consensus so strong that an interpreter who did not operate within its framework was hardly regarded as a scholar However the relentless march of research on this topic has continued to yield new and refined analyses data methodological tools and criticism In this spirit the contributions to this volume investigate new ideas about the composition of the Pentateuch arising from careful analysis of the biblical text against its ancient Near Eastern background Covering a wide spectrum of topics and diverging perspectives the chapters in this book are grouped into two parts The first is primarily concerned with the history of scholarship and alternative approaches to the development of the Pentateuch The second focuses on the exegesis of particular texts relevant to the composition of the Torah The aim of the project is to foster investigation and collegial

dialogue in a spirit of humility and frankness without imposing uniformity In addition to the editors the contributors include Tiago Arrais Richard E Averbeck John S Bergsma Joshua A Berman Daniel I Block Richard Davidson Roy E Gane Duane A Garrett Richard S Hess Benjamin Kilch r Michael LeFebvre Ji Moskala and Christian Vogel Beyond 1776 Maria O'Malley, Denys Van Renen, 2018-12-27 In Beyond 1776 ten humanities scholars consider the American Revolution within a global framework The foundation of the United States was deeply enmeshed with shifting alliances and multiple actors with politics saturated by imaginative literature and with ostensible bilateral negotiations that were in fact shaped by speculation about realignments in geopolitical power To reanimate these intricate and often indirect connections this volume uncovers the influences of people across disparate sites both during and after independence The book centers first on the migration of ideas across the Atlantic particularly among intellectuals and through print In this section scholars focus on how various European countries or cliques appropriate the Revolution to reanimate an array of national local or cosmopolitan affiliations The essays in the second section articulate how revolutions fostered surprising exchanges in for example the West Indies and in the first penal colonies of Australia along the Celtic fringe and Pacific Rim and in the vast territories through which goods circulated Taken as a whole this collection answers the persistent calls from scholars to move beyond the boundaries defined by the nation state or periodization to rethink narratives of U S foundations The contributors examine a range of texts from novels and drama to diplomatic correspondence letters of common sailors political treatises newspapers accounting ledgers naval records and burial rituals many from non Anglophone sources Beyond 1776 will appeal to scholars seeking to understand contact and exchange in the late eighteenth century It indexes how different intellectuals in the period deployed the Revolution as a point of connection follows the dispersal of print books guns slaves and memorabilia and evaluates literary responses to the new republic The book puts in conversation scholars of literature theater history modern languages American studies political science transatlanticism cultural studies women s studies postcolonialism and geography Contributors Jeng Guo Chen Academia Sinica Taiwan Matthew Dziennik United States Naval Academy Miranda Green Barteet University of Western Ontario Carine Lounissi Universit de Rouen Normandie Therese Marie Meyer Martin Luther University of Halle Wittenberg Maria O Malley University of Nebraska Kearney Denys Van Renen University of Nebraska Kearney Ed Simon Bentley University Wyger Velema University of Amsterdam Leonard von Morz University of Massachusetts Boston Paths to Freedom Rosemary Brana-Shute, Randy J. Sparks, 2021-03-03 An international comparative study of a mode of emancipation that worked to reinforce the institution of slavery Manumission the act of freeing a slave while the institution of slavery continues has received relatively little scholarly attention as compared to other aspects of slavery and emancipation To address this gap editors Rosemary Brana Shute and Randy J Sparks present a volume of essays that comprise the first ever comparative study of manumission as it affected slave systems on both sides of the Atlantic In this landmark volume an international group of scholars consider the history and implications of manumission from the medieval

period to the late nineteenth century as the phenomenon manifested itself in the Old World and the New The contributors demonstrate that although the means of manumission varied greatly across the Atlantic world in every instance the act served to reinforce the sovereign power structures inherent in the institution of slavery In some societies only a master had the authority to manumit slaves while in others the state might grant freedom or it might be purchased Regardless of the source of manumission the result was viewed by its society as a benevolent act intended to bind the freed slave to his or her former master through gratitude if no longer through direct ownership The possibility of manumission worked to inspire faithful servitude among slaves while simultaneously solidifying the legitimacy of their ownership The essayists compare the legacy of manumission in medieval Europe the Jewish communities of Levant Europe and the New World the Dutch French and British colonies and the antebellum United States while exploring wider patterns that extended beyond a single location or era They also document the fates of manumitted slaves some of whom were accepted into freed segments of their societies while others were expected to vacate their former communities entirely The contributors investigate the cultural consequences of manumission as well as the changing economic conditions that limited the practice by the eighteenth century to understand better the social implications of this multifaceted aspect of the system of slavery

Slavery and Other Forms of Strong Asymmetrical Dependencies Jeannine Bischoff, Stephan Conermann, 2022-10-03 In der Buchreihe des Bonn Center for Dependency and Slavery Studies werden Monographien und Tagungsbande die das Phänomen der Sklaverei und andere Formen asymmetrischer Abhängigkeiten in Gesellschaften untersuchen veröffentlicht Die Reihe folgt dabei der Forschungsagenda des BCDSS die die vorherrschende dichotomische Vorstellung von Sklaverei versus Freiheit berwindet Das Cluster hat dazu ein neues Schlüsselkonzept asymmetrische Abhängigkeiten entwickelt das alle Ausprägungen von ungleichen Abhängigkeiten wie etwa Schuldknechtschaft Zwangsarbeit Dienstbarkeit Leibeigenschaft Hausarbeit aber auch gewisse Formen der Lohnarbeit und der Patronage berücksichtigt Dabei werden auch Epochen Räume und Kontexte der Weltgeschichte bearbeitet die nicht der europäischen Kolonisierung ausgesetzt waren z B altorientalische Kulturen sowie vormoderne und moderne Gesellschaften in Asien Afrika und den Amerikas

Reflection Guzziferno, 2022-10-27 An updated view or summary of sociology in regards to our present human social direction and how Statecraft evolution and Polity is impacting our social progress This book attempts in a brief and simplistic way to map our social and political direction using history and to understand human nature by studying the choice of direction taken thus far Whether by varying levels of ignorance indifference love concern determination or greed activity or inactivity humanity will inevitably reveal its future strengths and weaknesses by the course of its own actions This book attempts to discuss and ask why we still exhibit the same existing antiquated problems in modern day society despite our lessons from history and the many directions of political evolution experienced These problems are now compounded with our new social values and runaway technical evolution which now heightens our perilous position in the 21 century resulting with the deficiencies in our domestic and

foreign policies and our rapidly changing ecology Perhaps another appropriate title for this manuscript would be the power and nature of human greed Finally the author attempts to describe the possible remedies from a simple citizen s point of view and in terms that would hopefully be understandable to other simple citizens in a great country where simple citizens are supposed to be the active part of a people s government A people s government that is supposed to Reflect the many rights and regulations of the Constitution of the United States of America **Slave Life in Rio de Janeiro, 1808-1850**

Mary C. Karasch,2019-01-29 Rio de Janeiro in the first half of the nineteenth century had the largest population of urban slaves in the Americas primary contributors to the atmosphere and vitality of the city Although most urban historians have ignored these inhabitants of Rio Mary Karasch s generously illustrated study provides a comprehensive description and analysis of the city s rich Afro Cariocan culture including its folklore its songs and accounts of its oral history Professor Karasch s investigation of the origins of Rio s slaves demonstrates the importance of the Central Africaness of the slave population to an understanding of its culture Challenging the thesis of the comparative mildness of the Brazilian slave system other chapters discuss the marketing of Africans in the Valongo the principal slave market and the causes of early slave mortality including the single greatest killer tuberculosis Also examined in detail are adaptation and resistance to slavery occupations and roles of slaves in an urban economy and art religion and associational life Mary C Karasch is Associate Professor of History at Oakland University in Rochester Michigan Originally published in 1987 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

The Tyranny of Resolution Brad Ronnell Braxton,2000 **Paul's Declaration of Freedom from a Freed Slave's Perspective** Robin G. Thompson,2023-03-27 This project attempts to listen to voices that have seldom been heard While others have explored Paul s theology of Christian freedom they have not considered how Paul s declaration of freedom would have been received by those who most desired and valued freedom the slaves and freedpersons in the Galatian churches In this study Robin Thompson explores both Greek and Roman manumission considers how the ancient Mediterranean world conceived of freedom and then examines the freedom declared in Galatians from a freed slaves s perspective She proposes that these freedpersons would likely have perceived this freedom to be not only spiritual freedom but at least in the Christian communities individual freedom as well Reflection and Refraction Robert Rezetko,Timothy Henry Lim,W. Brian Aucker,2007 This volume of thirty articles covering a wide range of subjects related to Old Testament study is written by colleagues friends and students of A Graeme Auld to honour the occasion of his sixty fifth birthday **The Stiles Family in America** Henry Reed Stiles,1895 Roman Artisans and the Urban Economy Cameron Hawkins,2016-07-19 Vividly

reconstructs economic conditions in ancient Roman cities and the socio economic strategies of artisans who lived in them

Philemon in Perspective D. Francois Tolmie, 2010-06-29 This book is dedicated entirely to the interpretation of Paul's Letter to Philemon. The letter is approached from a wide variety of perspectives thus yielding several new insights into its interpretation. In a first essay the tendencies in the research on the letter since 1980 are outlined. This is followed by essays devoted to the epistolary analysis and to a rhetorical psychological interpretation of the letter as well as an essay devoted to the rhetorical function of stylistic form in the letter. After this there are two essays devoted to situating the letter in its ancient context: one views the letter against the background of ancient legal and documentary sources and another one against the background of slavery in early Christianity. The next two essays focus on theological aspects: namely on the letter as ethical counterpart of Paul's doctrine of justification and on the role that love plays in the letter. Three essays focus on ideological issues: the contextual interpretation of the letter in the US, a post colonial reading of the letter and the letter's legacy of hierarchy and obedience. The volume concludes with four essays on the way in which the letter was interpreted by some of the Church Fathers: Origen, Jerome, Chrysostom, Augustine and Theodore of Mopsuestia. **SEG**, 2000

Pauline Slave Welfare in Historical Context W. H. Paul Thompson, 2023-03-20 W. H. Paul Thompson engages in an equality analysis of Pauline ethics on slave welfare: how slaves should be treated in comparison to free persons. He reconstructs a distinctive Jewish numerically equal treatment ethic for slaves and free persons which Paul reorients into a Christocentric framework. Cover page 4. **Papers** Great Britain. Parliament. House of Commons, 1827. **Change in Official Catholic Moral Teachings** Charles E. Curran, 2003 This volume brings together previously published studies presenting the spectrum of opinion on the change in official Catholic moral teachings. **Hearing Brazil** Jonathon Grasse, 2022-04-19 Minas Gerais is a state in southeastern Brazil deeply connected to the nation's slave past and home to many traditions related to the African diaspora. Addressing a wide range of traditions helping to define the region, ethnomusicologist Jonathon Grasse examines the complexity of Minas Gerais by exploring the intersections of its history, music, and culture. Instruments, genres, social functions, and historical accounts are woven together to form a tapestry revealing a cultural territory's development. The deep pool of Brazilian scholarship referenced in the book, with original translations by the author, cites over two hundred Portuguese language publications focusing on Minas Gerais. This research was augmented by fieldwork observations and interviews completed over a twenty-five year period and includes original photographs, many taken by the author. *Hearing Brazil: Music and Histories in Minas Gerais* surveys the colonial past, the vast hinterland countryside, and the modern twenty-first century state capital of Belo Horizonte, the metropolitan region of which is today home to over six million. Diverse legacies are examined, including an Afro-Brazilian heritage, eighteenth and nineteenth-century liturgical music of the region's Minas Baroque, the instrument known as the viola, a musical profile of Belo Horizonte, and a study of the regionalist themes developed by the popular music collective the Clube da Esquina (Corner Club) led by Milton Nascimento with roots in the

1960s Hearing Brazil champions the notion that Brazil's unique role in the world is further illustrated by regionalist studies presenting details of musical culture

Reviewing **Manumission Reflections**: Unlocking the Spellbinding Force of Linguistics

In a fast-paced world fueled by information and interconnectivity, the spellbinding force of linguistics has acquired newfound prominence. Its capacity to evoke emotions, stimulate contemplation, and stimulate metamorphosis is truly astonishing. Within the pages of "**Manumission Reflections**," an enthralling opus penned by a highly acclaimed wordsmith, readers set about an immersive expedition to unravel the intricate significance of language and its indelible imprint on our lives. Throughout this assessment, we shall delve in to the book is central motifs, appraise its distinctive narrative style, and gauge its overarching influence on the minds of its readers.
