## Marching On:

*His Truth Is Marching On* Jon Meacham, 2021-09-07 1 NEW YORK TIMES BESTSELLER An intimate and revealing portrait of civil rights icon and longtime U S congressman John Lewis linking his life to the painful quest for justice in America from the 1950s to the present from the Pulitzer Prize winning author of *The Soul of America* An extraordinary man who deserves our everlasting admiration and gratitude The Washington Post ONE OF THE WASHINGTON POST AND COSMOPOLITAN S BEST BOOKS OF THE YEAR John Lewis who at age twenty five marched in Selma Alabama and was beaten on the Edmund Pettus Bridge was a visionary and a man of faith Drawing on decades of wide ranging interviews with Lewis Jon Meacham writes of how this great grandson of a slave and son of an Alabama tenant farmer was inspired by the Bible and his teachers in nonviolence Reverend James Lawson and Martin Luther King Jr to put his life on the line in the service of what Abraham Lincoln called the better angels of our nature From an early age Lewis learned that nonviolence was not only a tactic but a philosophy a biblical imperative and a transforming reality At the age of four Lewis ambitious to become a minister practiced by preaching to his family s chickens When his mother cooked one of the chickens the boy refused to eat it his first act he wryly recalled of nonviolent protest Integral to Lewis s commitment to bettering the nation was his faith in humanity and in God and an unshakable belief in the power of hope Meacham calls Lewis as important to the founding of a modern and multiethnic twentieth and twenty first century America as Thomas Jefferson and James Madison and Samuel Adams were to the initial creation of the Republic itself in the eighteenth century A believer in the injunction that one should love one s neighbor as oneself Lewis was arguably a saint in our time risking limb and life to bear witness for the powerless in the face of the powerful In many ways he brought a still evolving nation closer to realizing its ideals and his story offers inspiration and illumination for Americans today who are working for social and political change

**While God is Marching On** Steven E. Woodworth, 2001-10-02 They read the same Bible and prayed to the same God but they faced each other in battle with rage in their hearts The Civil War not only pitted brother against brother but also Christian against Christian with soldiers from North and South alike devoutly believing that God was on their side Steven Woodworth one of our most prominent and provocative Civil War historians presents the first detailed study of soldiers religious beliefs and how they influenced the course of that tragic conflict He shows how Christian teaching and practice shaped the worldview of soldiers on both sides how it motivated them for the struggle how it influenced the way they fought and how it shaped national life after the war ended Through the diaries letters and reminiscences of common soldiers Woodworth illuminates religious belief from the home front to the battlefield where thoughts of death and the afterlife were always close at hand Woodworth reveals what these men thought about God and what they believed God thought about the war Wrote one Unionist I believe our cause to be the cause of liberty and light the cause of God and holy and justifiable in His sight and for this reason I fear not to die in it if need be With a familiar echo his Confederate counterpart declared that our Cause is Just

and God is Just and we shall finally be successful whether I live to see the time or not Woodworth focuses on mainstream Protestant beliefs and practices shared by the majority of combatants in order to help us better understand soldiers motivations and to realize what a strong role religion played in American life throughout the conflict In addition he provides sharp insights into the relationship between Christianity and both the abolition movement in the North and the institution of slavery in the South Ultimately Woodworth shows us how opposing armies could put their trust in the same God while engaging in four years of organized slaughter and destruction His compelling work provides a rich new perspective on religion in American life and will forever change the way we look at the Civil War Are We Marching On? Jettie Irving Felps,1960 **Laus Domino: a new collection of Anthems, Mottets, and Canticles, etc** George Leach,1864 **Book of Praise.
