photographic exploration of the holiest cities of Islam and the Hajj or annual pilgrimage during Ramadan when more than a million faithful journey to Mecca's Great Mosque to commemorate the first revelation of the Qur'an. This book allows both Muslims and those unfamiliar with the Islamic faith complete access to the holiest sites of one of the world's major religions practiced by a quarter of the world's population but often misunderstood in the West. Photographer Ali Kazuyoshi Namachi, a Muslim convert from Japan, garnered the full support of Saudi Arabian authorities rarely given to shoot in cities where photography is strictly controlled and non-Muslims are not allowed. An expansive work of photojournalism, *Mecca the Blessed, Medina the Radiant* includes 140 full-color never-before-seen photographs of mystical places and scenes of Islam. Breathtaking aerial photographs of the Arabian terrain, vistas of teeming crowds of worshippers surrounding the Kasbah of Mecca's sacred center, intense portraits of faithful Muslims in prayer, magnificent architecture reflecting the faith of the believers, archival illustrations. Text by Seyyed Hossein Nasr, one of the most highly regarded scholars of Islam, enhances the stunning Islamic holy city photographs to illuminate many aspects of Islamic belief that have remained an enigma to non-Muslims until now.

Mecca the Blessed, Medina the Radiant, 2013. During the season of Ramadan when the first revelation of the Quran is commemorated, more than a million visitors journey to Mecca's Great Mosque. Despite Islam's position as a powerful religion boasting one-quarter of the world's population as its followers, many aspects of Muslim thought and belief remain an enigma to non-Muslims. The cities of Mecca and Medina are restricted to Muslims, and photographing the sites requires special and rarely given permission from the Saudi Arabian authorities. This book is an unprecedented exploration of Islam's most holy cities and the great pilgrimage, mostly presented in full color, never before seen photographs. *Mecca the Blessed, Madinah the Radiant ... Michael Wolfe, 2013-11-19. With this impassioned memoir, an American convert to Islam lifts the veil on this ancient and sacred duty of making a pilgrimage to Mecca. Publishers Weekly: The hadj or sacred journey is the pilgrimage to Mecca that all Muslims are enjoined to make once in their lifetimes. One of the world's oldest religious rites, the hadj has continued without break for fourteen centuries. It is like most things Islamic, shrouded in mystery for Westerners. Here Michael Wolfe, an American-born writer and recent Muslim convert, recounts his experiences on this journey. Wolfe begins his narrative in Marrakech, Morocco. Beginning with the month-long fast of Ramadan, he immerses himself in the traditional Muslim life of Morocco. Then in Tangier, he visits mystics and the American author Paul Bowles. From there, he journeys to Mecca, the sacred desert city in Saudi Arabia, closed to all but Muslims. Though the buildup to the Gulf War hovers in the background, the age-old rites of the hadj are what most preoccupy Wolfe. His experience profoundly strengthens his bond to the faith he has embraced as an outsider, making it personal and

Alexander the Great in the Persian Tradition

Haila Manteghi, 2018-02-28 Alexander the Great 356 333 BC was transformed into a legend by all those he met leaving an enduring tradition of romances across the world Aside from its penetration into every language of medieval Europe the Alexander romance arguably had its greatest impact in the Persian language Haila Manteghi here offers a complete survey of that deep tradition ranging from analysis of classical Persian poetry to popular romances and medieval Arabic historiography She explores how the Greek work first entered the Persian literary tradition and traces the development of its influence before revealing the remarkable way in which Alexander became as central to the Persian tradition as any other hero or king And importantly by focusing on the often overlooked early medieval Persian period she also demonstrates that a positive view of Alexander developed in Arabic and Persian literature before the Islamic era Drawing on an impressive range of sources in various languages including Persian Arabic and Greek Manteghi provides a profound new contribution to the study of the Alexander romances Beautifully written and with vibrant literary motifs this book is important reading for all those with an interest in Alexander classical and medieval Persian history the early Islamic world and classical reception studies
