[The Effortless Sleep Method: The Incredible New Cure for Insomnia and Chronic Sleep Problems](#) Sasha Stephens, 2011-05-12 Review Original practical and very effective This new approach to insomnia will change lives Dr W Rosental Consultant Psychiatrist and Addiction Specialist Product Description To those who are longing for a good night s sleep To those addicted to sleeping pills To those who would give anything to get over their insomnia To those for whom nothing ever seems to work To every person who has suffered the horror of chronic insomnia to every insomniac everywhere this is for you The Effortless Sleep Method is the book insomniacs all over the world have been waiting for even those for whom nothing ever works This highly practical and hugely effective method offers a simple and permanent solution for long term and new insomniacs alike The Effortless Sleep Method gives you something no other sleep aid can an entirely different way of looking at insomnia The step by step insomnia recovery programme contained in this book doesn t just treat insomnia it totally undermines it This is not another dry as dust reference book written by a doctor but a lively empowering book which connects the sufferer intimately to one who has gone

through the same pain Many insomnia books follow a similar format scientific information about sleep a section on sleep hygiene and a set of relaxation techniques all interspersed with various case studies While in some cases this will be helpful in learning how to sleep better for many this will never be enough The chronic insomniac can think his or her way around the sleep hygiene will doubt the validity of the case studies and will fight the relaxation techniques The chronic insomniac has been there done that the chronic insomniac has an answer for everything This book is entirely different in its approach to insomnia Yes there are practical changes to make but the real magic lies in the changes it will make to your thinking Because of this the approach in the book is not only useful in treating insomnia once mastered the principles can be extended into other areas of your life What will you get from The Effortless Sleep Method You will discover a truly permanent solution to chronic insomnia even if you have suffered for decades You may end up sleeping better than you have ever done Discover the one simple rule which can instantly improve your sleep Learn the secret most doctors won't tell you You will finally understand why nothing seems to work no matter how many remedies and sleep aids you try Learn the astonishing and unexpected ways in which you may be sabotaging your own recovery with everyday talk and activities Hear a new and surprising take on sleep restriction therapy which explains why it may not have worked for you You will feel empowered optimistic acquire a positive outlook and feel more in control of your life in general The ability to sleep soundly naturally and unaided is the desire of every chronic insomniac This book will guide you to rediscovering your innate ability to sleep without pills potions or external sleep aids When The Effortless Sleep Method is followed properly the results can be incredible Many people report sleeping better than they have ever done Now anyone really can have perfect sleep *Holistic Sleep* Francis B. Buda, Buda, 2000-10 Few doctors really understand sleep problems Most will simply give their patients sleeping pills Dr Francis Buda one of the few experts on the science of sleep offers an alternative His holistic approach first helps you determine whether your sleeplessness is caused by a treatable medical or psychological condition or by the side effects of medications If not then your problem is most likely caused by some aspect of your lifestyle *Holistic Sleep* gives you the whole picture Its informed commonsense advice can help you solve your sleep problem and change your life *Beating Insomnia* Tim Cantopher, 2016-04-21 Insomnia is responsible for a great deal of lost productivity accidents and suffering Ironically the more you try to sleep the worse the situation becomes so the key is to stop gritting your teeth and attempting to wrestle your wakefulness to the ground In *Beating Insomnia* Dr Tim Cantopher will help you to achieve a calm acceptance of your sleeplessness in the short term so you can focus on solving the problem in the longer term Firstly you need to manage the stress or anxiety that might be underpinning your insomnia and much of the book will show you how to do practical strategies using relaxation exercises and mindfulness It will also help you to keep a sleep diary to tackle specific problems which might be interfering with your sleep and will give you advice on when and when not to consider medication to help you sleep By working at the strategies in this book your insomnia will improve significantly and you will experience more
