Naturalized Jews Of The Grand Duchy Of P:

The Naturalized Jews of the Grand Duchy of Posen in 1834 and 1835, 2004 Jewish given Names and Family Names David L. Gold, 2001-12-01 This work identifies and describes over 3 000 books essays in books and articles on Jewish given names and family names throughout history spanning the Biblical period to modern times The bibliography is a highly analytic one recording published materials in a wide variety of research languages treating Jewish anthroponymy in the broadest sense from historical sociological and linguistic perspectives The bibliography will be an invaluable resource for any researcher engaged in etymological studies Jewish intralinguistics or Jewish family history **A Dictionary of German-Jewish Surnames** Lars Menk, 2005 This dictionary identifies more than 13 000 German Jewish surnames from the area that was pre World War I Germany From Baden Wuerttemberg in the south to Schleswig Holstein in the north From Westfalen in the west to East Prussia in the east In addition to providing the etymology and variants of each name it identifies where in the region the name appeared identifying the town and time period More than 300 sources were used to compile the book A chapter provides the Jewish population in many towns in the 19th century **The Power of Myth, or on the Meanders of Historical Writing** Krzysztof A. Makowski, 2023-09-25 This monograph presents a critical analysis of the body of historical writing on the history of the Jewish population in Poznan in the era of the Prussian rule 1772 1918 including the identification and verification of the attendant myths and stereotypes The interest in the Polish edition of this book was considerable Similarly noticeable was the academic response to the title despite its ostensibly local subject matter While this study was also noticed abroad the language barrier has severely impeded its impact This prompted the author to work towards the English edition of this book hoping it would find its way into global academic circulation Some changes and additions were made in the English version It includes an updated survey of scholarship on this subject of the past twenty years a response to reviews engaging with the Polish edition and some general reflections on the evolution of historiography in the recent years *Between Jewish Posen and Scholarly Berlin* Daniel R. Schwartz, 2016-11-07 The life of Philipp Jaff 1819 1870 from his youth in Posen his studies with Leopold von Ranke and career as a close friend of Theodor Mommsen at the pinnacle of historical scholarship in Berlin first at the Monumenta Germaniae Historica and then after his feud with Georg Heinrich Pertz with his unprecedented 1862 appointment while still a Jew to a Berlin professorship and on to his baptism in 1868 and suicide in 1870 was a life of transition between East and West and between Judaism and Christianity and a life of devotion to scholarship of loneliness of success and of frustration Forgotten today except by medievalists who depend on his numerous editions of Latin texts Jaff was a central figure in the heydays of German scholarship His career illustrates the working conditions of such scholars their friendships and feuds and also the limits that hemmed Jews in and the ways they could be overcome This volume documents Jaff's life accomplishments and struggles and also offers insight into his soul via more than two hundred of his letters in German about half to his parents in Posen and half to colleagues

around Europe especially Pertz and Mommsen **The Naturalized Jews of the Grand Duchy of Posen in 1834 and 1835** ,1987 Descendants of Salomon Bloch of Janowitz, Bohemia, and Baruch Wollman of Kempen-in-Posen, Prussia Joan Ferris Curran,1996 Salomon Simon Bloch Block 1819 1896 was born in Janowitz Bohemia now Janovice nad Uhlanvou Czech Republic He married Elisabeth Fleischer and later G ta Herz The family immigrated to the U S between 1866 and 1874 settling in Nevada Colorado and New Mexico later moving to California Missouri and Washington Baruch Wollman 1755 1837 lived in Kempen in Posen Prussia Several descendants immigrated to England and the United States many settling in New York and Kansas Also includes descendants of Lazarus Kohn who married Rachel Abeles in Pilsen southwestern Bohemia in 1806 as well as the family of Simon Bienenstok 1822 1887 and his wife Helena who emigrated from Posen Prussia Poland to St Louis Missouri by 1864 Networked Community Sue Silberberg,2020-04-28 In 1835 a renegade group of Tasmanians wishing to expand their landholdings disembarked in what was to become Melbourne This colonising expedition was funded by a group of investors including the Jewish emancipist Joseph Solomon Thus in Melbourne as in the settlement of the continent itself Jews were at the foundation of colonisation Unlike many other settlers these Jews predominantly came from urban backgrounds Although principally from London some of them had experienced other forms of Jewish urbanism in central and eastern Europe the Ottoman Empire and the Caribbean and applied their experience to the formation of a new emancipated conceptualisation of urban Judaism In Victoria as in the other new Australian colonies there were no civil or political restrictions on the Jewish community With the establishment of Melbourne Jewish settlers were required to create new communal frameworks and the religious bodies of an active Jewish life The community s structure and the institutions they founded were a pragmatic response to the necessities of communal formation and the realities of maintaining Judaism within this colonial outpost As with other Jewish communities in the large centres of the world they responded to the freedoms of an emancipated society while the political and social environment of a new city such as Melbourne provided a unique set of opportunities Unlike in other cities where Jewish property ownership was restricted here Jews could live and work where they chose becoming from the first land sales investors in property Subsequently as the city expanded as developers and builders they influenced the formation of the urban fabric while their intellectual and economic connections brought new political and intellectual ideas and networks to the colonial experience **Avotaynu** ,2003

History of the Jewish Community of Schneidemühl Peter Simonstein Cullman, 2006 Peter Cullman spent fifteen years compiling a history of Schneidemühl today Piasek Poland The result is a portrayal not only of the Jewish minority but also the community in which it resided The book begins by describing the slow growth of this tiny Polish town and the arrival of Jews in the 16th century The reader is provided a detailed account of the synagogues the arrival of rabbis and the changing nature of this community against a background of major European historical events As a result of his painstaking research the author was able to trace the fate of most members of the Jewish community as it existed in the 1930s many of whom could emigrate in time and others who ultimately perished in the Holocaust What is unusual in the book are the detailed person by person chronologies of many as they were deported sent to various towns labor camps and hospices and their ultimate fate An annotated Jewish burial register 1854-1940 lists the names of more than nine hundred persons Today nothing remains of Jewish Schneidemühl but the book brings to life what once was a small but vibrant and notable Jewish community
