

The Nature and Origins of Japanese Imperialism

A reinterpretation of the
Great Crisis of 1873

Donald Calman

Nature And Origins Of Japanese Imperialism Reinterpretation Of The Great Crisis Of 1873

Walter LaFeber

Nature And Origins Of Japanese Imperialism Reinterpretation Of The Great Crisis Of 1873:

The Nature and Origins of Japanese Imperialism Donald Calman, 2013-02-01 This important book which many will regard as controversial argues convincingly that the Japanese imperialism of the first half of the Twentieth Century was not a temporary aberration The author looks at the detail of the great crisis of 1873 and shows that the prospect of economic gain through overseas expansion was the central issue of that year's political struggles He goes on to show that Japan had a long earlier history of aiming for economic expansion overseas and that Japan's Twentieth Century imperialism grew out of this In addition he argues convincingly that much of the writing about Japan has played down the true extent and nature of Japanese imperialism

The George Hicks Collection Eunice Low, 2016-07-18 The George Hicks Collection at the National Library Singapore comprises about 6 900 books and materials donated between 200 and 2015 by Mr George Lyndon Hicks The Collection focuses on four main subject areas Southeast Asia China Japan and overseas Chinese spanning the disciplines of history sociology economics political science and anthropology The body of works in the Collection reveals Mr Hicks profound interest in Asia and his scholarly pursuits over the decades This volume written and compiled by Eunice Low presents an annotated bibliography of selected works from the Collection and highlights significant titles Also included are an overview of the life and career of Mr Hicks a list of his authored and edited works as well as essays introducing the chapters

Juan Perón's Anti-Imperialist Geopolitics Robert D. Koch, 2024-09-05 Using a blend of global intellectual and cultural history this book explores the geopolitics of Juan Perón and their relationship to and impact on the international history of the mid 20th century Beginning with Perón's formative years it analyzes the concepts that helped shape his anti-imperialist views and traces these ideas over decades from his time in the Argentine Army through his rise to power downfall and eventual death in 1974 Dissecting how notions of imperialism nationalism and decolonization fueled his ideology and approach to foreign policy Juan Perón's Anti Imperialist Geopolitics takes a long term approach to understand his geopolitical evolution over time While Peronism has continued to be an influential movement in Argentine politics and remains a lively research topic Perón's geopolitics have received scant attention despite their significance to his popularity and legacy This book offers a corrective to this situating Peronism Argentina and Latin America on the international stage during the 20th century From his pioneering role in the era's anti imperialist solidarity movement his expansion of the Peronist development model to a global model and his efforts to establish a post imperial world through the Non Aligned Movement Juan Perón's Anti Imperialist Geopolitics argues that Perón merits recognition as a leading 20th century geopolitical thinker

The History of Anglo-Japanese Relations, 1600-2000 I. Nish, Y. Kibata, 2000-02-16 The Political Diplomatic Dimension 1600 1930 consists of parallel essays by Japanese and British academic specialists covering comprehensively the history of relations between Japan and Britain from the first contacts in the seventeenth century to the present This study and its companion Volume 2 demonstrates that in the political diplomatic sphere while there have been periods of serious disagreement there

has been on the whole a relationship of harmony and mutual understanding A History of Japan K. Henshall, 2004-09-17 In a rare combination of comprehensive coverage and sustained critical focus this book examines Japanese history in its entirety to identify the factors underlying the nation's progression to superpower status Japan's achievement is explained not merely in economic terms but at a more fundamental level as a product of historical patterns of response to circumstance Japan is shown to be a nation historically impelled by a pragmatic determination to succeed The book also highlights unresolved questions and little known facts Introduction to Japanese Politics Louis D. Hayes, 2016-09-17 This classic introduction to the Japanese political system has been revised and updated to take the account of a time of turmoil in the country's political life It incorporates new coverage of the end of the Koizumi era the brief and troubled premiership of Abe and the selection of Fukuda as prime minister This edition also includes expanded material on bubble and post bubble economic developments as well as all new coverage of health care policy The text opens with an overview of Japan's geographical setting and history The next group of chapters covers political institutions processes and actors Two sections then address the country's distinctive social order and economy educational healthcare and public safety systems Part five looks at the increasingly contentious realm of foreign relations and security issues including China's expanding role and the issue of North Korea A concluding section considers dynamics of change in Japanese politics **A History of Japan** Kenneth Henshall, 2012-04-17 Japan's impact on the modern world has been enormous It occupies just one 300th of the planet's land area yet came to wield one sixth of the world's economic power Just 150 years ago it was an obscure land of paddy fields and feudal despots Within 50 years it became a major imperial power it's so called First Miracle After defeat in the Second World War when Japan came close to annihilation within 25 years it recovered remarkably to become the world's third biggest economy it's Second Miracle It is now not only an economic superpower but also a technological and cultural superpower True miracles have no explanation Japan's miracles do The nation's success lies in deeply ingrained historical values such as a pragmatic determination to succeed The world can learn much from Japan and its story is told in these pages Covering the full sweep of Japanese history from ancient to contemporary this book explores Japan's enormous impact on the modern world and how vital it is to examine the past and culture of the country in order to fully understand its achievements and responses Now in its third edition this book is usefully updated and revised Dominant Narratives of Colonial Hokkaido and Imperial Japan M. Mason, 2012-12-23 Recasts the commonly dismissed colonial project pursued in Hokkaido during the Meiji era 1868-1912 as a major force in the production of modern Japan's national identity imperial ideology and empire *Japan's Nationalist Right in the Internet Age* Jeffrey J. Hall, 2021-04-06 Japan's nationalist right have used the internet to organize offline activism in increasingly visible ways Hall investigates the role of internet mediated activism in Japan's ongoing historical and territorial disputes He explores the emergence of two right wing activist organizations Nihon Bunka Channel Sakura and Ganbare Nippon which have played a significant role in pressure campaigns against Japanese media outlets campaigns to influence

historical memorials and campaigns to assert Japan's territorial claim to the Senkaku Diaoyu Islands Taking a multi disciplinary approach he analyses how activists maintained cohesion raised funds held protests that regularly drew hundreds to thousands of participants and used fishing boats to land activists on disputed islands Detailing events that took place between 2004 and 2020 he demonstrates how skilled social actors built cohesive grassroots protest organizations through the creation of shared meaning for their organization and its supporters A valuable read both for scholars seeking insight into the dynamics surrounding Japan's history disputes and territorial issues as well as those seeking to compare Japanese right wing internet activism with its counterparts elsewhere

The SAGE Handbook of Modern Japanese Studies James

D Babb, 2014-12-15 A welcome addition to any reading list for those interested in contemporary Japanese society Roger Goodman Nissan Professor of Modern Japanese Society University of Oxford I know no better book for an accessible and up to date introduction to this complex subject than The SAGE Handbook of Modern Japan Studies Hiroko Takeda Associate Professor Organization for Global Japanese Studies University of Tokyo Pioneering and nuanced in analysis yet highly accessible and engaging in style Yoshio Sugimoto Emeritus Professor La Trobe University The SAGE Handbook of Modern Japanese Studies includes outstanding contributions from a diverse group of leading academics from across the globe This volume is designed to serve as a major interdisciplinary reference work and a seminal text both rigorous and accessible to assist students and scholars in understanding one of the major nations of the world James D Babb is a Senior Lecturer in the School of Geography Politics and Sociology at Newcastle University

Local History and War Memories in Hokkaido

Philip A. Seaton, 2015-07-24 Hokkaido the northernmost island of Japan barely features in most histories of the Second World War However the combination of distinctive war experiences a vibrant set of local historian groups and powerful media organizations disseminating local war history has generated an identifiable set of local collective memories Hokkaido's status as an early colonial acquisition also makes the island an important vantage point from which to reassess the course and nature of the Japanese Empire This book argues that Hokkaido's experiences of war and its militarized post war constitutes a local case study with a much greater national and international significance on both theoretical and empirical grounds than first impressions might suggest Using Japanese language sources presented for the first time in English and a number of detailed local history case studies it offers a fascinating and hitherto little known perspective on the Second World War It also combines a comprehensive theory of how war memories operate at the local level within a broad historical context that explains Hokkaido's pivotal role within Japanese imperial history Demonstrating that understanding local history and memories is essential for a nuanced understanding of national history and memories the book will be highly valuable to students and scholars of Japanese history Second World War history and Asian history

Rethinking Japan's Identity and International Role Susanne Klien, 2018-10-24 This paper presents a study of Japan's international role with a special focus on its historical evolution To that end the following three pillars lay the necessary theoretical foundations one the notions of

historical and political identity and a discussion of the ambivalent shapes they have taken in Japan two the regional context an examination of Japan s situation with respect to Asian history as a whole and finally the civilian power concept as defined by Hanns W Maull

Anthropology and Colonialism in Asia and Oceania Akitoshi Shimizu,1999 This study demonstrates that colonialism was not only a western phenomenon Japanese and Chinese anthropologists also studied subject peoples Comparison of experiences further helps to illuminate this complex relationship

Inventing the Way of the Samurai Oleg Benesch,2014-09-12 Inventing the Way of the Samurai examines the development of the way of the samurai bushid which is popularly viewed as a defining element of the Japanese national character and even the soul of Japan Rather than a continuation of ancient traditions however bushid developed from a search for identity during Japan s modernization in the late nineteenth century The former samurai class were widely viewed as a relic of a bygone age in the 1880s and the first significant discussions of bushid at the end of the decade were strongly influenced by contemporary European ideals of gentlemen and chivalry At the same time Japanese thinkers increasingly looked to their own traditions in search of sources of national identity and this process accelerated as national confidence grew with military victories over China and Russia Inventing the Way of the Samurai considers the people events and writings that drove the rapid growth of bushid which came to emphasize martial virtues and absolute loyalty to the emperor In the early twentieth century bushid became a core subject in civilian and military education and was a key ideological pillar supporting the imperial state until its collapse in 1945 The close identification of bushid with Japanese militarism meant that it was rejected immediately after the war but different interpretations of bushid were soon revived by both Japanese and foreign commentators seeking to explain Japan s past present and future This volume further explores the factors behind the resurgence of bushid which has proven resilient through 130 years of dramatic social political and cultural change

Cultural Sociology of the Middle East, Asia, and Africa Andrea L. Stanton,2012 In our age of globalization and multiculturalism it has never been more important to understand and appreciate all cultures across the world The four volumes take a step forward in this endeavour by presenting concise information on those regions least well known to students across Europe the Middle East Asia and Africa The volumes convey what daily life is like for people in these selected regions Entries will aid readers in understanding the importance of cultural sociology to appreciate the effects of cultural forces around the world and to learn the history of countries and cultures within these important regions Key Features Topics are explored within historical context in three broad historical periods prehistory to 1250 1250 to 1920 and 1920 to the present One volume each is devoted to the regions of the Middle East and Africa and then one volume to East and Southeast Asia and a final volume to West Central and South Asia The volumes include extensive use of photographs and maps to explain cultural and geographic content Each volume has its own volume editor with expertise in that particular region Key Themes Arts Culture and Science People Society and Dynasties Religion and Law Family and Daily Life Conflicts and Wars Politics and Government Health and Education

Economy Trade and Industry National Geography and History Britain and Japan: Biographical Portraits, Vol. VII
,2010-09-23 This latest volume of leading figures in the history of Anglo Japanese relations offers a classic menu of personalities themes and events in all 25 contributions Contents include the writings of the Cambridge scholar Carmen Blacker and leading historian William Beasley British military observer and Times reporter of the Russo Japanese War General Sir Ian Hamilton philosophers Arnold Toynbee Bertrand Russell and George Bernard Shaw the Chosu students Inoue Kaoru and Yamao Yozo who were later key figures in the Meiji period modernization of Japan and Walter Dening scholar and missionary Subjects treated include horse breeding and horse racing the Japanese influence on British architects the beginnings of golf in Japan and Japanese gardeners in Britain *The Clash* Walter LaFeber,1998 One of America s leading historians tells the entire story behind the disagreements tensions and skirmishes between Japan a compact homogeneous closely knit society terrified of disorder and America a sprawling open ended society that fears economic depression and continually seeks an international marketplace Photos *Choice* ,1993 **Myth and Masculinity in the Japanese Cinema** Isolde Standish,2013-11-05 This study argues that in Japanese popular cinema the tragic hero narrative is an archetypal plot structure upon which male genres such as the war retro and yakuza films are based Two central questions in relation to these post war Japanese film genres and historical consciousness are addressed What is the relationship between history myth and memory And how are individual subjectivities defined in relation to the past The book examines the role of the tragic hero narrative as a figurative structure through which the Japanese people could interpret the events of World War II and defeat offering spectators an avenue of exculpation from a foreign imposed sense of guilt Also considered is the fantasy world of the nagare mono drifter or yakuza film It is suggested that one of the reasons for the great popularity of these films in the 1960s and 1970s lay in their ability to offer men meanings that could help them understand the contradictions between the reality of their everyday experiences and the ideological construction of masculinity *Averting a Great Divergence* Peer Vries,2019-08-08 The most significant debate in global economic history over the past twenty years has dealt with the Great Divergence the economic gap between different parts of the world Thus far this debate has focused on China India and north western Europe particularly Great Britain This book shifts the focus to ask how Japan became the only non western county that managed at least partially to modernize its economy and start to industrialize in the 19th century Using a range of empirical data Peer Vries analyses the role of the state in Japan s economic growth from the Meiji Restoration to World War II and asks whether Japan s economic success can be attributed to the rise of state power Asserting that the state s involvement was fundamental in Japan s economic catching up he demonstrates how this was built on legacies from the previous Tokugawa period In this book Vries deepens our understanding of the Great Divergence in global history by re examining how Japan developed and modernized against the odds

Nature And Origins Of Japanese Imperialism Reinterpretation Of The Great Crisis Of 1873 Book Review: Unveiling the Power of Words

Nature And Origins Of Japanese Imperialism Reinterpretation Of The Great Crisis Of 1873 Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In todays fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information.

No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Nature And Origins Of Japanese Imperialism Reinterpretation Of The Great Crisis Of 1873 PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Nature And Origins Of Japanese Imperialism Reinterpretation Of The Great Crisis Of 1873 PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Nature And Origins Of Japanese Imperialism Reinterpretation Of The Great Crisis Of 1873 free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge

today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Nature And Origins Of Japanese Imperialism Reinterpretation Of The Great Crisis Of 1873 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Nature And Origins Of Japanese Imperialism Reinterpretation Of The Great Crisis Of 1873 is one of the best book in our library for free trial. We provide copy of Nature And Origins Of Japanese Imperialism Reinterpretation Of The Great Crisis Of 1873 in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Nature And Origins Of Japanese Imperialism Reinterpretation Of The Great Crisis Of 1873. Where to download Nature And Origins Of Japanese Imperialism Reinterpretation Of The Great Crisis Of 1873 online for free? Are you looking for Nature And Origins Of Japanese Imperialism Reinterpretation Of The Great Crisis Of 1873 PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase.
