**Playgirls Are & Are Not Divas** Veronica Johnson,2017-05 This book is based on my steps with god and past relations of the heart My experiences impacted me to walk diligently and stand steadfast through spiritual warfare The Religious talk about surface sexual concerns with womankind rather than going deeper Everyone has experienced a relationship that was formed through self centered pride Yet not everyone acknowledges spirituality once they have been robbed of their innocence through vain desires I hope this book helps those struggling to draw lines with their sexual affairs to overcome sexual addiction My prior book Players With Without Swag formed the basis of this book To avoid murmuring about the feelings and emotions of the playgirl mentality I wanted to bring it to a general perspective This will allow playgirls to acknowledge things they cannot gracefully explain while facing fears A lot of women suffer from a sexual disorder and don t acknowledge it as a trial test Which often leaves their sense of authority surrounded by emotions Although god wanted womankind to be helpmates he didn t intend their emotions to be trodden down by the feet of other women Because after that womankind s pure intent becomes distorted by mankind s beliefs and tactics This book was written to understand playgirls imperfections to help them realize the changes that can be made from God s perspective Also to give men closure who are seeking a perfect woman There is no perfect woman but you can help a playgirl change and overcome by changing and reshaping your life Change requires a step by step process and you don t need to wait You can seek help today My central message has an effect and reason for topics of interest This message affects men and women in multiple areas of life and reveals how it is possible to do things differently Once you have found an effect and reason for writing a book research current topics and the next goal is to review how people from the past dealt with the same issues After that acknowledge God s plan and purpose for your life Then start with a testimony to guide you through writing My rimes are at the back of this book Those are the experiences that I have encountered with playgirls

wikipedia org wiki Diva A few years ago I was asked to give the graduation address at a high school My good friend I affectionately call Aunt Star went with me for moral support On the way she was listening to my speech to make sure that I did not bore the young adults I had to speak to Just before I was introduced she turned to me and said Are you ready Ms Diva For a brief moment I thought humis THAT what you really think of me What a cheap shot just before I go on stage She then smiled and said Life has taught you many lessons you know who you are and can now share your experiences to help others go get them girlfriend At that moment I was released and felt proud to share my success AND mistakes to the audience Soon after that event I was invited to another organization to speak about empowerment for young girls It just so happens that the organization was a church Upon my arrival the church had a gracious representative that attended to my every need With in my tradition and long standing reputation of keeping it real I will admit that the attention felt well sort of kind of good I keep praying that they ask me to come back one day Anyway just before I addressed the audience the humble representative turned to me and said Are you ready Ms Diva I almost lost my religion because I know just like YOU know that the adjectives used to describe a diva are simply put words we care NOT to use in anyones church Matter of fact the typical actions of a diva will get you sat down or drop kicked by the ushers in any faith The very moment I almost lost my religion I also found it at the same time I felt my calling the need to help change the stigma for true Divas everywhere The word diva has historically been used to categorize someone who is demanding demeaning and downright witchy My thoughts about the encouraging words from my Aunt Star and the humble personal care the representative was giving me at the church as her honored guest gave me the true Diva wake up call Though their comments they were simply letting me know that they knew who I was supporting me reminding me to never forget my strength to be a conduit to connect and help others The real beauty that comes from being a Diva comes only when you share strength with others to empower them I was not asked to speak to the young ladies because my name is Monica Sparks but the organization thought my message of empowerment would encourage help to heal and guide the young ladies in the audience The supportive words and care I was provided was a way to thank me for my concern and service I was appreciated for sharing and giving the gift of my experiences The light came on for me so every time I speak and have the opportunity to offer encouragement I do I learned that Divas are not necessarily rude and obnoxious people They are people who know who they are and gladly give back to help others It is that spark of loving yourself and others that drive Divas to have creative positive energy that allows them to network with     The Story of My Life Hans Christian Andersen,1871     *Littell's Living Age* ,1851
