## Nature Of Sexual Desire:

Nature, Sex, and Goodness in a Medieval Literary Tradition Hugh White, 2000 Nature is a highly important term in the ethical discourse of the Middle Ages and as such a leading concept in medieval literature This book examines the moral status of the natural in writings by Alan of Lille Jean de Meun John Gower Geoffrey Chaucer and others showing how particularly in the erotic sphere the influences of nature are not always conceived as wholly benign Though medieval thinkers often affirm an association of nature with reason and therefore with the good there is also an acknowledgement that the animal the pre rational the instinctive within human beings may be validly considered natural In fact human beings may be thought to be urged almost ineluctably by the force of nature within them towards behaviour hostile to reason and the right

**The Nature of Sexual Desire** James Giles, 2003 Although there has been much discussion about things like the causes loss and maintenance of sexual desire there has been little research into the nature of sexual desire itself This book takes an interdisciplinary and intercultural approach drawing on a wide range of texts and research to say what sexual desire is

**Sex Slavery** Alfred B. Westrup, 1914

**The Best Books: H. Natural science. II\*, Medicine and surgery. I, Arts and trades. 1926** William Swan Sonnenschein, 1926

*Sex, God, and the Conservative Church* Tina Schermer Sellers, 2017-04-21 Sex God and the Conservative Church guides psychotherapy and sexology clinicians on how to treat clients who grew up in a conservative faith mired in sexual shame and dysfunction and who desire to both heal and hold on to their faith orientation The author first walks clinicians and readers through a critique of Western culture and the conservative Christian Church and their effects on intimate partnerships and sexual lives The book provides clinicians a way to understand the faulty sexual ethic of the early church while revealing the hidden mystical sex and body positive understanding of sexuality of the Hebrew people The book also includes chapters on strategies for a new sexual ethic on clinical steps to heal religious sexual shame and on specific sex therapy interventions clinicians can use directly in their practice Finally it offers a four step model for healing religious sexual shame and actual touch and non touch exercises to bring healing and intimacy into a person s life

*Sex and the Second-Best City* Kenneth Royce Moore, 2005-07-19 Sex and the

Second Best City deals with the topics of sex and society in the Laws of Plato with recourse to historical context and modern critical theory It examines reconstructions of ancient sexuality with a view to increased clarification The text of the Laws is considered along with many of its literary qualities its influences and the utopian plan that it proposes Sexual Desire Roger Scruton,2015-06-15 A dazzling treatise as erudite and eloquent as Simone de Beauvoir s The Second Sex and considerably more sound in its conclusion TLS When John desires Mary or Mary desires John what does either of them want What is meant by innocence passion love and arousal desire perversion and shame These are just a few of the questions Roger Scruton addresses in this thought provoking intellectual adventure Beginning from purely philosophical premises and ranging over human life art and institutions he surveys the entire field of sexuality equally dissatisfied with puritanism and permissiveness he argues for a radical break with recent theories Upholding traditional morality though in terms that may shock many of its practitioners his argument gravitates to that which is candid serene and consoling in the experience of sexual love Troubling Sex Elaine Craig,2012-07-01 When legal scholars or judges approach the subject of sexuality they are often constrained by existing theoretical frameworks For instance queer theorists typically focus on sexual liberty but tend not to consider issues such as sexual violence Feminist theories focus on violence but often don t give recognition to the joy of sexuality To assess the possibility of devising a legal theory of sexuality that can ensure equality without assimilation diversity without exclusion and liberty without suffering Elaine Craig examines the Supreme Court of Canada s approach to sexuality in cases that range from sexual violence to discrimination based on orientation Although the Court continues to hold an essentialist understanding of sexuality that renders certain harms invisible its feminist inspired approach to sexual violence recognizes the socially constructed nature of sexuality and produces legal reasoning that promotes sexual integrity as a common interest Blending feminist theory with the inclusiveness of queer theory Craig advances an iconoclastic approach to law and sexuality that has the power to transform both theory and practice Sexual Virtue Richard W. McCarty,2015-01-08 Richard W McCarty offers a compassionate and inclusive conception of sexual virtue one that liberates Christians from traditional patriarchal requirements for heterosexuality marriage and procreation Daring to depart from ongoing debates about what Aristotle or Aquinas had to say this book sets a new course centered on virtue ethics It employs new insights from the sciences biblical scholarship analyses of church traditions and revisionist natural law thinking Eschewing simple deconstruction of traditional Christian norms for sexual morality McCarty offers constructive ideas about what might count as real human goods for people in a wide variety of sexual relationships Recreation relational intimacy and selective acts of procreation are three ends of sexual virtue that promote human happiness and can be appreciated in a broad Christian framework While primarily referencing the Roman Catholic intellectual tradition McCarty s work is also vital and accessible to those from Protestant backgrounds Addressed to LGBT and straight readers Sexual Virtue provides a compassionate sexual ethics for our time **Hermaphrodites and the Medical Invention of Sex** Alice Domurat

Dreger, 2009-07-01 Punctuated with remarkable case studies this book explores extraordinary encounters between hermaphrodites people born with ambiguous sexual anatomy and the medical and scientific professionals who grappled with them Alice Dreger focuses on events in France and Britain in the late nineteenth century a moment of great tension for questions of sex roles While feminists homosexuals and anthropological explorers openly questioned the natures and purposes of the two sexes anatomical hermaphrodites suggested a deeper question just how many human sexes are there Ultimately hermaphrodites led doctors and scientists to another surprisingly difficult question what is sex really *Hermaphrodites and the Medical Invention of Sex* takes us inside the doctors chambers to see how and why medical and scientific men constructed sex gender and sexuality as they did and especially how the material conformation of hermaphroditic bodies when combined with social exigencies forced peculiar constructions Throughout the book Dreger indicates how this history can help us to understand present day conceptualizations of sex gender and sexuality This leads to an epilogue where the author discusses and questions the protocols employed today in the treatment of intersexuals people born hermaphroditic Given the history she has recounted should these protocols be reconsidered and revised A meticulously researched account of a fascinating problem in the history of medicine this book will compel the attention of historians physicians medical ethicists intersexuals themselves and anyone interested in the meanings and foundations of sexual identity

**Question of Truth** Gareth Moore, 2003-06-19 Many Christians accept that homosexual acts are wrong on the authority of the Church For many others such teaching contradicts what they know to be the obvious truth In this book Gareth Moore closely and dispassionately examines the bases of Christian anti gay arguments Moore critically explores the language that we use to describe and define human sexuality and what this means for what we think we know about sex identity and morality At the centre of this work is a thorough and revolutionary analysis of the Bible on homosexuality posing such questions as Is there a unified biblical teaching on sex or homosexuality Are we misreading the Bible by applying modern thinking and terms Must Christians accept Paul s supposed rejection of homosexuality when they do not follow all of his teaching for example his low estimation of marriage 1 Cor 7 For Moore the criticism that gay practice is remote from Christian values is just as true of straight life Gay Christians are often responsible and thoughtful moral agents and to propose otherwise is both unreasonable and deeply disrespectful It is a precondition of being heard that we listen and in the end the gospel can only be preached effectively by those who listen

*Natural Sex Boosters* Ray Sahelian, 2012-04-16 Although science has made great breakthroughs in the treatment of sexual dysfunction it has been found that the new prescription drugs do not help everyone and that they involve risk Fortunately there are effective alternatives herbs nutrients and natural hormones that have been used for centuries around the world Now best selling author and physician Dr Ray Sahelian has written an easy to understand book on these sex boosters In this A to Z guide Dr Sahelian discusses each natural substance explaining what it is what it does and how it is taken He also presents the research behind each

supplement s claims and shares both his own and his patients personal experiences with natural sex boosters Throughout the book Dr Sahelian highlights how these alternatives can remedy such issues as decreased desire impotency poor staying power and decreased hormone production as well as simply enhance sexual pleasure Natural Sex Boosters provides new solutions to some very old problems **Queer Ecologies** Catriona Mortimer-Sandilands, Bruce Erickson, 2010-07-14

Treating such issues as animal sex species politics environmental justice lesbian space and gay ghettos AIDS literatures and queer nationalities this lively collection asks important questions at the intersections of sexuality and environmental studies Contributors from a wide range of disciplines present a focused engagement with the critical philosophical and political dimensions of sex and nature These discussions are particularly relevant to current debates in many disciplines including environmental studies queer theory critical race theory philosophy literary criticism and politics As a whole **Queer Ecologies** stands as a powerful corrective to views that equate natural with straight while queer is held to be against nature Sex,

Love, and Gender Helga Varden, 2020-05-27 **Sex Love and Gender** is the first volume to present a comprehensive philosophical theory that brings together all of Kant s practical philosophy found across his works on ethics justice anthropology history and religion and provide a critique of emotionally healthy and morally permissible sexual loving gendered being By rethinking Kant s work on human nature and making space for sex love and gender within his moral accounts of freedom the book shows how despite his austere and even anti sex cisist sexist and heterosexist reputation Kant s writings on happiness and virtue Part I and right Part II in fact yield fertile philosophical ground on which we can explore specific contemporary issues such as abortion sexual orientation sexual or gendered identity marriage trade in sexual services and sex or gender based oppression Indeed Kant s philosophy provides us with resources to appreciate and value the diversity of human ways of loving and the existential importance of our embodied social selves Structured on a thematic basis with introductions to assist those new to Kant s philosophy this book will be a valuable resource for anyone who cares about these issues and wants to make sense of them **Sex and Sex Worship** Otto Augustus Wall, 1922 **Rational Sex Ethics**

Walter Franklin Robie, 1919 **Sex and sex worship (phallic worship)** Otto Augustus Wall, 1919 **A catalogue of scientific works on the psychology and pathology of sex** University of London press, ltd, 1901 **Same-Sex Desire in Indian Culture** Oliver Ross, 2016-04-08 This book explores representations of same sex desire in Indian literature and film from the 1970s to the present Through a detailed analysis of poetry and prose by authors like Vikram Seth Kamala Das and Neel Mukherjee and films from Bollywood and beyond including Onir s *My Brother Nikhil* and Deepa Mehta s *Fire* Oliver Ross argues that an initially Euro American homosexuality with its connotations of an essential psychosexual orientation is reinvented as it overlaps with different elements of Indian culture Dismantling the popular belief that vocal gay and lesbian politics exist in contradistinction to a sexually conservative India this book locates numerous alternative practices and identities of same sex desire in Indian history and modernity Indeed many of these survived British colonialism with its

importation of ideas of sexual pathology and perversity in changed or codified forms and they are often inflected by gay and lesbian identities in the present In this account Oliver Ross challenges the preconception that in the contemporary world a grand narrative of sexuality circulates globally and erases all pre existing narratives and embodiments of sexual desire

### **Nature Of Sexual Desire Introduction**

In today's digital age, the availability of Nature Of Sexual Desire books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Nature Of Sexual Desire books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Nature Of Sexual Desire books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Nature Of Sexual Desire versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Nature Of Sexual Desire books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Nature Of Sexual Desire books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Nature Of Sexual Desire books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Nature Of Sexual Desire books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Nature Of Sexual Desire books and manuals for download and embark on your journey of knowledge?
