The Nature of the Psyche Jane Roberts, 2011-07-08 Seth speaking exclusively through Jane Roberts reveals a startling new concept of self answering questions about the secret language of love human sexuality the real origins and incredible powers of dreams and how we choose our physical death sometimes years in advance For the first time Seth explains Why love is the basic language from which all others spring The bisexual nature of humanity and its biological and spiritual importance The true basis of homosexuality and lesbianism along with their private and social effects The benefits of recalling our dreams and consciously participating in them How dreams can prevent chronic illnesses by providing important therapeutic information Simple exercises you can do to expand your awareness of the deeper portions of your psyche and stretch your abilities to their fullest potential The psyche is a gestalt of aware energy in which your own identity resides inviolate yet ever changing as you fulfill your potentials You are your psyche's living expression its human manifestation Yet you allow yourselves often to become blind to brilliant aspects of your own existence Jane Roberts Speaking for Seth The Nature of the Psyche Jane Roberts, 1996-02-29 Seth speaking exclusively through Jane Roberts reveals a startling new concept of self answering questions about the secret language of love human sexuality the real origins and incredible powers of dreams and how we choose our physical death sometimes years in advance For the first time Seth explains Why love is the basic language from which all others spring The bisexual nature of humanity and its biological and spiritual importance The true basis of homosexuality and lesbianism along with their private and social effects The benefits of recalling our dreams and consciously participating in them How dreams can prevent chronic illnesses by providing important therapeutic information Simple exercises you can do to expand your awareness of the deeper portions of your psyche and stretch your abilities to their fullest potential The psyche is a gestalt of aware energy in which your own identity resides inviolate vet ever changing as you fulfill your potentials You are your psyche's living expression its human manifestation Yet you allow yourselves often to become blind to brilliant aspects of your own existence Jane Roberts Speaking for Seth The Nature of the Psyche, Its Human Expression Jane Roberts, 1987 The Outline of Parapsychology Jesse Hong Xiong, 2010 This work of systematic parapsychology aims to construct a framework and system of parapsychology taking a comprehensive approach to the field The book states that parapsychology has a different philosophical background from the existing science and religions and posits that pantheism could be the theoretical basis of parapsychology The Nature of Personal Reality (A **Seth Book)** Jane Roberts, 2011-10-01 In this perennial bestseller Seth challenges our assumptions about the nature of reality and shows us how we create our personal reality through our conscious beliefs about ourselves others and the world His message is clear we are not at the mercy of the subconscious or helpless before forces we cannot understand We are Gods couched in creaturehood Seth says We are given the ability to form our experience as our thoughts and feelings become actualized Seth was one of my first metaphysical teachers He remains a constant source of knowledge and inspiration in my

life Marianne Williamson I would like to see the Seth books as required reading for anyone on their spiritual pathway The amazing in depth information in the Seth books is as relevant today as it was in the early 70s when Jane Roberts first channeled this material Louise Hay Psychic Psychology John Friedlander, Gloria Hemsher, 2011-08-09 Two of America's most experienced and respected psychic teachers present their system of the subtle energy of interpersonal relationships in a book that will appeal to anyone wishing to understand and improve their relationships within their families partnerships workplaces and wider communities This useful guide from two of America's preeminent psychics is unique in its focus on individual psychology and interpersonal relationships It begins with simple meditations during which practitioners learn how to recognize their own psychic energy and also determine if that energy is constrained Psychic Psychology shows how to free energy through such tools as grounding clearing psychic enmeshment and finding the space from which to respond most openly resourcefully and generously to life An entire chapter is devoted to exploring the specific energies men and women have based on their biological differences and helping them to deal with their own energy and that of the other sex Friedlander and Hemsher present the everyday usefulness of clairvoyant skills within a big picture where they explain that we create our reality but do not control it and that the personality like the soul is eternal and always growing The final section describes how psychic skills can be applied in real world contexts which are often ambiguous and contradictory The book explores common issues such as dealing with selfdoubt without jumping to unwarranted blind confidence and how to communicate effectively with clear boundaries Handbook of Spiritualism and Channeling, 2015-03-31 Bringing together scholars from different disciplines and geographies the Brill Handbook of Spiritualism and Channeling presents modern spirit possession in a variety of contexts Weaving together the interrelated movements of Spiritualism along with its specific Franco and Latin American currents articles explore the nineteenth century beginnings of s ances and trance mediumship Channelling an heir to Spiritualism begun in the 1970s and still flourishing today is brought into direct conversation with its predecessors with a view to showing both continuity and disjuncture as the products of new cultural and religious needs The Brill Handbook marks the first extensive collection on these two interrelated movements and examines themes such as gender race performance and technology in each instance In Search of the Body & Soul **Connection** Duke Saganich, 2020-03-22 This book is a thought provoking analysis for all of the spiritual seekers looking for answers It s for those who are open to all the possibilities of what could be It s about the mysteries and wonders of why we are here The author's studies and research into spirituality and religion have led him to find common ground between them The premise of this book is based on his interpretation and understanding of the three main aspects of spirituality the Body the Soul and the Link which connects them Part One The Body Explains the basic understanding of how the physical body works in conjunction with thoughts emotions and the decision making process He believes the first steps to a healthy and balanced lifestyle is to listen to your intuition stop and take a breath before reacting and understanding the life force and

how it can be utilized in your daily life Part Two The Soul How understanding the different aspect of your soul which includes your inner self is the foundation for your spiritual path This will develop a spiritual awareness which in turn will give you the tools and opportunities to make decisions in your life with purpose Part Three The Link By understanding and utilizing the many ways your body and soul communicate is the core to spiritual growth Listening to your intuition being self aware living in the present moment and making conscious choices with loving intent is the path to health and balance Throughout these chapters the author provides simple techniques and exercises that can be used in your daily life to help you connect and keep you on your spiritual quest The author will be donating 50% of his royalties to various charities that are in need Telepathy, Clairvoyance and Precognition Mary Barton, 2010-08-23 Latest research and examples of telepathic clairvoyant and precognitive abilities Learn how to develop your extrasensory perception **Acupressure for the Soul** Nancy Fallon, 1993 Acupressure for the Soul How to Awaken Biological Spirituality and the Gifts of Emotions offers a revolutionary view of the emotions inspired by Seth's comment Any strong emotion carries within it far more energy than say that required to send a rocket to the moon Emotions send thoughts from this interior reality through the barrier between nonphysical and physical into the objective world no small feat and one that is constantly repeated Seth session 625 The Nature of Personal Reality Emotions instead of something to manage or get rid of are portrayed as magnificent sources of power to fulfill one s innately good purpose for being on Mother Earth at this time The ancient teachings of Oriental Medicine combined with the author's knowledge and personal Shamanic like experiences provide the reader with a unique formula of how to experience BIOLOGICAL SPIRITUALITY and utilize THE GIFTS OF THE EMOTIONS Conversations With Seth: Book Two Susan M. Watkins, 2006-05-01 In 1963 Jane Roberts met a spiritual entity named Seth He spoke through her and the lessons he taught proved timeless and crucial Roberts went on to write much about her channeling experiences with Seth and her books have sold 2.5 million copies Her Seth material is consistently one of the top two most visited collections at the Yale University Archives From 1968 to 1975 Roberts held an ESP class in her home during which she channeled Seth Sue Watkins was a member of that class The knowledge she gained from the Seth sessions changed Watkins s life In fact it changed the lives of all the class participants In Volume II of the Seth series Watkins shares the insights she discovered while participating in Roberts s groundbreaking classes The personal social and political issues addressed in Conversations with Seth are as relevant today as ever and include health sexual identity wealth and poverty the military draft relationships dreams ESP reincarnation and more Seth expands on many of the topics raised in book 1 and also explores provocative new material the correlation between our beliefs dreams and daily experience the concept of probabilities counterparts and individual identity the very real difficulties of applying the you create your own reality concept to daily life Also included is a fascinating discussion of Christ And as in the first book Seth addresses the personal ongoing issues that class members experienced over the years troubled marriages illness financial hardships and more **Conversations with Seth** Susan M.

Watkins, 2005-01-01 In 1963 Jane Roberts met a spiritual entity named Seth He spoke through her and the lessons he taught proved timeless and crucial From 1968 to 1975 Roberts held an ESP class during which she channeled Seth Susan Watkins was a member of that class The knowledge gained from Seth helped Watkins and her classmates face serious illness painful relationships financial hardship and natural catastrophe It also changed their lives In addition to being a well written highly entertaining historical account of the late Jane Roberts and her class Conversations with Seth reveals the profound insights discovered by class members insights into the origin of both the troubling and triumphant events in our lives and into the vast nature of human consciousness Roberts Seth material is consistently one of the top two most visited collections at the Yale University Archives The story that launched the New Age movement Acorns: Windows High-Tide Foghat Joshua Morris, 2013-01-23 Acorns delineates the future of humanity as a reunification of intellect with the Deep Self Having chosen to focus upon ego established securely by the time of Christ much more beta brain wave development will destroy our species and others which process has already begun We create our own realities through beliefs intents and desires and we were in and out of probabilities constantly Feelings follow beliefs not the other way around **Spirit Guide Contact** Through Hypnosis Bruce Goldberg, 2005-05-15 Contacting spirit guides is as old as civilization itself Shamans dating back to at least 50 000 B C ritualistically contacted nonphysical entities The Mystery Schools of Ancient Egypt Greece Persia Rome and India also dealt with contacting spirit guides Every major religion acknowledges the reality of discarnate entities or spirits whether they are called saints angels the Holy Spirit and so on One of the purposes of this book is to demystify this process The media's depiction of spirit contact has led to the false assumption that anyone who establishes this contact must be in great danger In reality this communication is natural relatively simple and a wonderful growth experience Spirit communication removes the fear of death and bereavement and results in a form of spiritual empowerment Contacting your spirit guides can help us Develop your intuition and other psychic abilities Increase your ability to love yourself and others Become more aware of the workings of the universe Establish better contact with your own Masters and Guides and Higher Self to facilitate your own spiritual evolution Protect you from negative entities and or other forces in the universe Access the wisdom of the ancients Establish and maintain your own physical mental emotional and spiritual health Overcome bad habits and fears Eliminate the fear of death See into the future Master the art of out of body experiences Learn your true karmic purpose Spirit Guide Contact Through Hypnosis includes free audio companion downloads **Spirit Guide Contact** Through Hypnosis (Volume 2 of 2) (EasyRead Super Large 20pt Edition), **Transpersonal Hypnosis** Eric D Leskowitz, 2019-05-23 Transpersonal Hypnosis presents a multidimensional energy based view of human awareness that integrates disparate biological psychological and spiritual therapeutic techniques Each of the chapters all from world renowned contributors includes both a historical overview and the theory behind the development of each technique The authors emphasize experimental studies that examine the validity of using hypnotically accessed transpersonal states of

consciousness to heal the body mind and spirit Several clinical vignettes highlight the types of medical and psychological symptoms responsive to these approaches The emerging field of spiritually influenced treatments is transforming the practice of medicine Spirit Guide Contact Through Hypnosis (Volume 2 of 2) (EasyRead Super Large 24pt Edition),

The Magical Approach (A Seth Book) Jane Roberts, 2011-08-01 In The Magical Approach Seth invites us to look at the world through another lens a magical one Seth reveals the true magical nature of our deepest levels of being and explains how we have allowed ourselves to become inhibited by our own beliefs and conventional thinking The Magical Approach teaches us how to live our lives spontaneously creatively and according to our own natural rhythms It helps us to discover and tune into our natural instinctive behavior By applying the principles in this book readers will learn to trust their impulses and discover the highest expression of their creativity. We are speaking about an approach to life a magical or natural approach to life that is man s version of the animal s natural instinctive behavior in the universe Jane Roberts Speaking for Seth The Individual and the Nature of Mass Events Jane Roberts, 2011-07-08 From the Bestselling Author of Seth Speaks Speaking exclusively through Jane Roberts Seth has repeatedly stressed the concept that we create our own reality according to our individual beliefs But how do our realities merge and combine to form mass reactions such as the overthrow of governments the birth of a new religion wars epidemics earthquakes and new periods of art architecture and technology In this pioneering work Seth explores the connection between personal beliefs and world events He pinpoints the unconscious and often negative beliefs pervading science and religion medicine and mythology and offers thought provoking reflections on Darwinism Freudianism religions cults and medical beliefs With fascinating and inspiring implications Seth asserts that the personal impulses we are often taught to see as dangerous chaotic or contradictory are instead crucial to the best interests of the species and the natural world for they lead us to live not only as loving caretakers but as partners with other species Only people who trust their spontaneous impulses can be consciously wise enough to choose from a myriad of probable futures the most promising events Jane Roberts Speaking for Seth ESP Power Jane Roberts, 2000
