King Lear William Shakespeare, 1861 *Everyday Shakespeare* Ben Crystal, David Crystal, 2023-05-25 An absolutely joyous gasp out loud achievement Stephen Fry A cathedral of consciousness Shakespeare s uncanny insight into human nature finds us unearthed here LionHeart artist poet and BBC Radio London presenter Shakespeare had an ear and hand that was able to capture our everyday thoughts and emotions pin them to a page and express them so well that still today they can make us feel stunned to be seen Better three hours too soon than a minute too late Make not your thoughts your prisons Wisely and slow They stumble that run fast And I have heard it said unbidden guests are often welcomest when they re gone With a quote for every day of the year this beautiful book gathers the finest lines from the lesser known corners of Shakespeare s plays and poems While you may not be familiar with these 400 year old phrases you will be surprised by the immediate easy resonance they have with modern day to day life and hopefully inspired to learn a few quotes say them out loud and drop them into conversation Each page bears a gift of Shakespearean delight around which lies a treasure trove of trivia miscellaneous fact and opportunities for reflection The Crystals son and father draw attention to points of daily life literary linguistic and theatrical interest through their entertaining commentary They offer notes of context for anyone who wants to know who originally said the words in which play and why And finally the authors provide three indexes allowing readers to help find the right quote for a task or to follow up on a quote s original source Shakespeare s words are a mirror

for us to peer into to see if any part of ourselves familiar or strange is visible Each day as you read his lines you ll get glimpses of loves you ve known jealousies you ve felt relationships you ve had and situations you ve encountered that bring a smile or a wince of familiarity Everyday Shakespeare shares the simple lines that encapsulate the wondrous complexity of life and the enduring appeal of the Bard Shakespeare was not of an age but for all time Ben Jonson **The Wheel of Fire** G.
