**The Five Books of Maccabees in English Hardcover** Henry Cotton,2022-09-30 There are two books of Maccabees in the Catholic Bible and none in the Protestant Bible There were and still are speculations and arguments about why these books existed in one version of the Bible and not in the other but none of them went to the core of the matter until Henry Cotton As shown in this book there are not two but five books of Maccabees Five books so rich in the history politics and religion of the Jewish people that leaving them out of any version of the Bible equals the drastic erasing of the history of an entire nation of people Henry Cotton corrects this error by researching and collecting the writings of ancient Jewish authors The work of these authors tells of the persecution of the Jews under the Seleucid dynasty details the true beginning of Hannukah and provides authentic information for the period known as the 400 Years of Silence Proving to be much more than religious text Cottons unveils the fascinating history of the Jewish people one neglected in the Protestant Bible and barely explored in the catholic one Presenting it in a manner that lets you explore history in the most engaging way

1 Maccabees Daniel R. Schwartz,2022-01-01 A new translation and commentary on I Maccabees that offers a fresh interpretation of the author s values and purpose First Maccabees composed in the second century BCE chronicles four decades of clashes between Hellenistic Syria and Judea from Antiochus Epiphanes s ascent to the throne in 175 BCE to the Hasmoneans establishment of an independent Judean state ruled by Simon and his sons In this volume Daniel R Schwartz provides a new translation of the Greek text and analyzes its historical significance In dialogue with contemporary scholarship the introduction surveys the work s themes sources and transmission while the commentary addresses textual details and issues of historical reconstruction often devoting special attention to the lost Hebrew original and its associations Schwartz demonstrates that 1 Maccabees despite its Hebraic biblical style and its survival within the Christian canon deviates from biblical and Judaic works by marginalizing God evincing scorn for martyrs and ascribing to human power and valor crucial historical roles This all fits its mandate justification of the Hasmonean dynasty especially the Simonides

*The Fourth Book of Maccabees and Kindred Documents in Syriac* Robert Lubbock Bensly,1895

*First and Second Maccabees* Daniel J. Harrington,2012 Comprehensive and understandable these books bring the relevance of the Old Testament to Bible study participants teachers students preachers and all readers of the Bible The series is filled with recent scholarship provides vital background and addresses important questions such as authorship and cultural context Often neglected the books of First and Second Maccabees are important for Christians as in them is told how the Jewish people established the political and religious culture into which Jesus was born The martyr stories inform the early Christian martyrdoms and the books are written in Greek the language in which the Jews of Jesus time read the

scriptures More importantly as Father Harrington notes without the Maccabees the fate of Judaism and with it Christianity and Islam was uncertain *1 Maccabees* John R. Bartlett,1998 Annotation This is a book for anyone interested in the political and cultural results of the entry of the small state of Judah and its capital Jerusalem into the wider Hellenistic world in the second century BCE In particular it forms a helpful introduction to the biblical writing called 1 Maccabees which is preserved in the Apocrypha 1 Maccabees is a history of the rebellion of the Jews against their Syrian rulers in the 160s BCE The rebellion s leader was Judas Maccabee and from his family and its success sprang a dynasty that ruled Judah for the century before the arrival of Herod the Great The author of 1 Maccabees was a keen supporter of that dynasty and saw their early rulers as made in the mould of the early kings of Israel The present book introduces the student to modern scholarly research on 1 Maccabees and its author *The Age of the Maccabees* Annesley William Streane,1898 *The Fourth Book of Maccabees and Kindred Documents in Syriac* Bensly,1895 **The First & Second Books of the Maccabees** ,1903

**The First Book of Maccabees** William Fairweather,John Sutherland Black,1963 [The Second Book of Maccabees](#) Bible. O.T. Apocryhal Books. 2 Maccabees. English,1954 **The Five Books of Maccabees in English** Henry Cotton,2021-09-06 There are two books of Maccabees in the Catholic Bible and none in the Protestant Bible There were and still are speculations and arguments about why these books existed in one version of the Bible and not in the other but none of them went to the core of the matter until Henry Cotton As shown in this book there are not two but five books of Maccabees Five books so rich in the history politics and religion of the Jewish people that leaving them out of any version of the Bible equals the drastic erasing of the history of an entire nation of people Henry Cotton corrects this error by researching and collecting the writings of ancient Jewish authors The work of these authors tells of the persecution of the Jews under the Seleucid dynasty details the true beginning of Hannukah and provides authentic information for the period known as the 400 Years of Silence Proving to be much more than religious text Cottons unveils the fascinating history of the Jewish people one neglected in the Protestant Bible and barely explored in the catholic one Presenting it in a manner that lets you explore history in the most engaging way **The Fourth Book of Maccabees and Kindred Documents in Syriac** Bensly Robert Lubbock (English orientalist),1895 *The Books of Maccabees* Joseph Lumpkin,2019-04-20 1 Maccabees Although the book presents the Jewish leaders Judas Jonathan and Simon as devout people and has little sympathy for people who favor hellenization but it must be noted that he nowhere mentions divine intervention The contents of the book can be summarized as follows Chapter 1 2 The hellenization of Judah and the non violent resistance by Mattathias Chapter 3 9 Military actions by Judas the Maccabaeen battle hammer after 166 he defeats the Seleucid armies three times and liberates Jerusalem where the temple is purified Chapter 9 12 Continued warfare led by Judas brother Jonathan 160 143 who benefiting from wars of succession in the Seleucid Empire restores the fortunes of the Jewish nationalists and adds to their territories Chapter 13 16 The third brother Simon achieves political independence and founds the Hasmonaean dynasty

2 Maccabees 2 Maccabees is not as well written and has a less polished form The pagans are defined as blasphemous and barbarous nations in 10 4 but there are also severe censures of apostate Jews of whom there must therefore have been considerable numbers We find a theological features in 2 Maccabees such as the resurrection of the body in 7 11 14 46 This stand in stark contrast first to Wisdom and Philo both of which teach the immortality of the soul 3 Maccabees The title of 3 Maccabees is a misnomer because the book has nothing to do with the Maccabees who are never mentioned in it The book is a story about a situation in which the Jewish people this time in Egypt were in danger of being annihilated by a Hellenistic monarch who was attempting to top their religious convictions and practices 4 Maccabees 4 Maccabees belongs to the Maccabees series only because it deals with the beginning of the persecution of Jews by Antiochus IV Epiphanes It possibly was written during the reign of the emperor Caligula C E 37 The work s main religious theme is that the martyr s sufferings expunged the sins of the entire Jewish people through a type of propitiation The Maccabees books were preserved only by the Christian church

**The Books of Maccabees** Daniel Merrick, 2015-02-15 The Books of Maccabees are found in the Latin Vulgate dating to about 405 AD Only fragments of the original of 1st Maccabees were found in the Dead Sea Scrolls yet these books totaled 8 in number from the combined works of Josephus and by construction from the Roman Catholic Church The history in part is not contested but the style and voice from the middle ages has been questioned by some scholars This collection is the first three books of which 2 and 3 have had some valid questions of authorship 1 Maccabees is considered a reliable source of historical accounts by most experts on manuscripts although with some contentions as to additions from other sources This translation restores the use of the Sacred name of the Creator with Yahuah as a addition to personal libraries and historical biblical resources Footnotes and references included by translator Daniel Merrick PhD
