Revised Standard Version Universidad de Navarra. Facultad de Teología, 2000 This handy volume contains the world renowned commentary that appeared in the multi volume edition of the Navarre Bible as well as the complete English text in the reliable Revised Standard Version Catholic Edition of each of the first five New Testament books Many consider the Navarre Bible to be the best Catholic commentary available today It brings you practical useful insights from on the Gospels and Acts from Church documents the writings of the Fathers and Doctors of the Church and modern spiritual writers particularly St Josemaria Escriva

As We Await the Blessed Hope Mark Kyriakos, 2015-12-18 Too many books are published today with too little rigor This is a book that has been rigorously researched and written In a world that often seems full of the shallow and superficial it is deep and filled with important insights It is not for everyone but those that make the effort will be richly rewarded Matthew Kelly New York Times bestselling author of Rediscover Catholicism Mark Kyriakos has written a book on Bible prophecy that is most unique among Catholic scholars today It is thoroughly biblical and Catholic It is both scholarly and approachable to read for a serious student of Scripture I welcome it as a fresh offering at a time when we usually read treatments of this topic from a predominantly non Catholic perspective John Michael Talbot Founder and Minister General of the Brothers and Sisters of Charity Its impossible to understand the whole range of Gods plan and indeed the Gospel message itself without an understanding of the Second Coming and Final Judgment I am grateful for the immense work that Mark Kyriakos has put into this book and for his effort to make these valuable resources available to a wider audience Ralph Martin S T D President Renewal Ministries
