Navigating Perilous Waters An Israeli Strategy For Peace And Security

Jonathan Adelman

Navigating Perilous Waters An Israeli Strategy For Peace And Security:

Navigating Perilous Waters Ephraim Sneh, 2004-08-02 Israel is a Jewish state in a Muslim Middle East How can it survive in that region This book answers this question by analyzing the dangers and threats that Israel faces today The book also highlights an important component of Israel s strength the endurance and the cohesion of its social fabric which the author sees as the key to his country s survival in the Middle East Written by Israel s former deputy minister of defence this book is essential reading for all those interested in the contemporary politics of the Middle East **Fear and Insecurity** Jonathan G. Leslie, 2022-12-13 To observers of the Iran Israel conflict its vitriolic rhetoric might suggest an ancient hatred between Jews and Muslims a biblical feud dating back hundreds or thousands of years But this rivalry is a far more modern development In this authoritative study Jonathan G Leslie examines the origins of the conflict Drawing on extensive archival and open source research he concludes that despite the animosity surrounding the Iran Israel relationship the twenty first century s hostilities are not inevitable consequences of these nations history nor of contemporary political events The intensification of tensions has been largely the product of one nation s efforts with Israel viewing Iran as a far greater danger than Iran does Israel Using a novel theoretical approach considering the power of narrative within historical context Leslie outlines how Israel s leaders successfully reimagined their erstwhile ally Iran as an existential threat Former Prime Minister Benjamin Netanyahu took this further employing populist strategies in an attempt to rewrite history depict Iran as a global menace and recruit allies against the JCPOA nuclear deal **Fear and Insecurity** provides important new insights into the history of the Iran Israel conflict and offers fresh prospects for defusing the tensions threatening both global and regional security **Israeli-Palestinian Peace Negotiations, 1999-2001** Gilead Sher, 2013-11-05 Written by Gilead Sher Israeli Chief of Staff during the tumultuous 1999 2000 peace negotiations this book provides a fast paced description and analysis of the Israeli Palestinian conflict Presenting an overview of the core issues of contention the various key players and the possible solutions formulated during the peace process effort the book sheds new light on the events of that period An important contribution to the current literature it provides a fresh understanding of the link between the Israeli Palestinian conflict and the current global threats of Islamic fanaticism and international terrorism *Israel's National Security Law* Amichai Cohen, Stuart Cohen, 2012-08-06 Terror attacks on western civilian targets have stimulated interest in the dilemmas faced by liberal societies when combating threats to national security Combining the perspectives of political science and law this book addresses that discourse asking how democracies seek to harmonize the protection of individual liberties with the defence of state interests The book focuses on the experience of Israel a country whose commitment to democratic values has continuously been challenged by multiple threats to national survival It examines the legal legislative and institutional methods employed to resolve the dilemmas generated by that situation and thus provides a unique interpretation of Israeli national security behaviour Policy making and policy implementation in this sphere it shows have reflected not just external

constraints but also shifts in the domestic balance of power between the executive the legislature and the judiciary The book concludes with an agenda of the measures that each branch of government needs to implement in order to repair the flaws that have developed in this system over time Based on a close reading of legislative and court readings the book proposes a new taxonomy for the analysis of national security legal frameworks both in Israel and elsewhere in the democratic world As such it will be of great interest to students and scholars of political science national security law Israeli history and civil military relations Negotiating Arab-Israeli Peace, Second Edition Laura Zittrain Eisenberg, Neil Caplan, 2010-07-14

Thoroughly updated and expanded this new edition of Negotiating Arab Israeli Peace examines the history of recurrent efforts to resolve the Arab Israeli conflict and identifies a pattern of negative negotiating behaviors that seem to repeatedly derail efforts to achieve peace In a lively and accessible style Laura Zittrain Eisenberg and Neil Caplan examine eight case studies of recent Arab Israeli diplomatic encounters from the Egyptian Israeli peace of 1979 to the beginning of the Obama administration in light of the historical record By measuring contemporary diplomatic episodes against the pattern of counterproductive negotiating habits this book makes possible a coherent comparison of over sixty years of Arab Israeli negotiations and gives readers a framework with which to assess the relative strengths and weaknesses of peace making attempts past present and future **Doomed to Failure?** Ofira Seliktar, 2009-08-27 This ground breaking book examines

how and why the much vaunted Oslo Peace Accords between the Israelis and Palestinians collapsed The author analyzes the players on both sides of the accords pointing out the attitudes and actions that serve to undermine peace and promote conflict On the one hand she criticizes the Islamist organizations Hamas and Palestinian Islamic Jihad for not tolerating the idea of any true long term peace with Israel On the other hand she scrutinizes the factions for and against Oslo that developed within Israeli government circles and she calls into question the ability of Israeli intelligence to correctly assess the Palestinian negotiators By means of such examination this book poses a fundamental question Can Islamic fundamentalism ever accept the existence of Israel or will it short circuit any prospect of peace between majority Muslim states and their non Muslim counterparts Israel's National Security Efraim Inbar, 2007-12-21 This volume presents a

comprehensive analysis of Israel s security challenges since the 1973 October War Efraim Inbar takes the reader on a historical journey through Israel s relations in the Middle East that begins with an analysis of Israel s strategic thinking after 1973 and ends with an important look at the recent Second Lebanese War and the Iranian nuclear challenge Israel s National Security delves not only into Israel s responses but also its relationships in the international community providing a complete picture of how Israel s strategic environment has evolved over time Relevant to today s current political atmosphere the volume dissects the influences of the growing appeal of Islamic extremism on the peace process Israel strategic partnerships with India and Turkey and Israel s relations with the Palestinians Israel and the Palestinian Refugee Issue Jacob

Tovy, 2014-03-05 Examining the development of Israel s policy toward the Palestinian refugee issue this book spans the

period following the first Arab Israeli War until the mid 1950s when the basic principles of Israel's policy were finalized. Israel and the Palestinian Refugee Issue outlines and analyzes the various aspects that together created the mosaic of the refugee problem with which Israel has since had to contend. These aspects include issues of repatriation, resettlement, compensation, blocked bank accounts, internal refugees, and family reunification. Drawing on extensive archival research, this book uses documents from Israeli government meetings from the Foreign Affairs and Defense Committee and files from the office of the Prime Minister's advisor on Arab affairs to address the many diverse aspects of this topic and will be essential reading for academics and researchers with an interest in Israel, the Middle East, and political science more broadly.

Trapped Fools Shlomo Gazit, 2004-11-23 Based upon the author's own experiences, this study explores the Israeli government's attitude to the West Bank and Gaza over a period of 30 years. The fools in the book's title refers not only to the Arabs who rejected Israeli peace offers but to the Israelis themselves. Israel's Quest for Recognition and Acceptance in Asia Jacob Abadi, 2004-03-01 This title represents a comprehensive study of Israel's attempts to build diplomatic relations with countries on the Asian continent. The author argues that despite the persistence of the Arab Israeli conflict, the Israeli Foreign Ministry was remarkably successful in gaining recognition in most Asian countries. He provides an overview of Israel's relations with Asian countries from 1948 until the present and analyses the political, social, and economic factors in each country and the role that each played in the process of rapprochement with Israel. He explores the reasons for Israel's successes as well as its failures and analyses the flaws in Israeli diplomacy. *H V Evatt and the Establishment of Israel* Daniel Mandel, 2004-08-02 The Minister for External Affairs and the dominant force in the formation of Australian foreign policy for a crucial decade in the battle over Palestine, 1941-1949, Herbert Vere Evatt played a central role in the Australian political response to Zionism and the conflict in Palestine. This book, which uses a variety of primary sources from Australia, Israel, the United Kingdom, and the United States, provides a valuable study of Evatt, the Zionist, as well as illuminating a fascinating political figure. This valuable book charts the debate in Australia over the creation of a Jewish state as well as providing a genuinely entertaining study of Evatt himself. **The Rise of Israel** Jonathan Adelman, 2008-03-25 This book provides a general history of the rise of Israel since the early Zionist efforts at state building. In particular, it seeks to show how unlikely Israel's creation was and that it should best be understood as a series of revolutions. *Social Mobilization in the Arab/Israeli War of 1948* Moshe Naor, 2013-08-21 In many ways, the Arab Israeli war of 1948 is typical of the total military conflicts that characterized the first half of the twentieth century. However, in addition to the military course of the war and its formative and revolutionary ramifications, this war was also notable for the social mobilization of the Israeli population. *Social Mobilization in the Arab Israeli War of 1948* focuses on these civilian aspects of the war: the involvement of the Israeli home front in the fighting and the participation of society in the process of mobilization. Israeli civil society organizations played an active and central role in mobilizing the economy for the war effort, mobilizing personnel for military service for

labor and for the emergency services and in organizing the home front The function of Israeli society and civil organizations in processes of mobilization conducted against the background of the end of the British mandate and the establishment of the State of Israel was one of the principal factors that contributed to the Israeli military victory in the 1948 war Civilian aspects of the 1948 war have received little attention despite the opening of the archives in the 1980s As such Social Mobilization in the Arab Israeli War of 1948 is an important contribution particularly for those interested in Israeli History Jewish History Middle Eastern History the Arab Israeli conflict and War Studies

Ralph Bunche and the Arab-Israeli Conflict Elad Ben-Dror, 2015-09-16 I swear by all that s Holy I will never come anywhere near the Palestine problem once I liberate myself from this trap Ralph Bunche wrote these lines to his wife in 1949 during the armistice talks on Rhodes A year later he was awarded the Nobel Peace Prize for his success in ending the 1948 Arab Israeli war Ralph Bunche and the Arab Israeli Conflict provides a comprehensive study of Ralph Bunche s diplomatic activities on the Palestine question Bunche was at the centre of the story from the referral of the issue to the United Nations in 1947 until the signing of the armistice agreements that ended the war He began as advisor to UNSCOP and then headed the secretariat of the commission tasked with implementing partition Later after serving as the senior aide to UN mediator Folke Bernadotte he was appointed to replace the Count after the latter s assassination Using extensive archival materials some of it revealed here for the first time this book addresses central questions such as the relationship between Bunche s African American identity and his diplomatic endeavours and the complexities of his outlook on the Arab Israeli conflict Through research and careful analysis it uncovers how Ralph Bunche managed to bridge the gaps between Israel and Arab states This book will be of interest to students and scholars of Middle Eastern History particularly Israeli History as well as Political Science and Diplomacy

Britain's Moment in Palestine Michael J Cohen, 2014-02-24 In 1917 the British issued the Balfour Declaration for military and strategic reasons This book analyses why and how the British took on the Palestine Mandate It explores how their interests and policies changed during its course and why they evacuated the country in 1948 During the first decade of the Mandate the British enjoyed an influx of Jewish capital mobilized by the Zionists which enabled them not only to fund the administration of Palestine but also her own regional imperial projects But in the mid 1930s as the clouds of World War Two gathered Britain s commitment to Zionism was superseded by the need to secure her strategic assets in the Middle East In consequence she switched to a policy of appeasing the Arabs In 1947 Britain abandoned her attempts to impose a settlement in Palestine that would be acceptable to the Arab States and referred Palestine to the United Nations without recommendations leaving the antagonists to settle their conflict on the battlefield Based on archival sources and the most up to date scholarly research this comprehensive history offers new insights into Arab British and Zionist policies It is a must read for anyone with an interest in Palestine Israel British Colonialism and the Middle East in general

Politics of Memory Udi Lebel, 2013 Providing a new angle on state control and political legitimacy this book addresses the efforts of successive Israeli governments to establish

their political dominance and legitimacy through the selective production and collective assimilation of cultural practices associated with bereavement and commemoration of those who fell on their country's behalf *Secularism and Religion in Jewish-Israeli Politics* Yaacov Yadgar, 2010-07-28 Offering a fresh approach to the study of contemporary Jewish identity the author explores the implications of this identity from the perspective of traditionism covering issues of religion tradition modernity and secularisation within Jewish Israeli society and politics **Israel and the Family of Nations** Alexander Yakobson, Amnon Rubinstein, 2009 Amnon Rubinstein and Alexander Yakobson explore the nature of Israel's identity as a Jewish state how that is compatible with liberal democratic norms and is comparable with a number of European states

Jihad in Palestine Shaul Bartal, 2015-07-24 The 21st century exists in the shadow of the return of extremist Islam to the center of the world's political stage a process that began at the end of the previous century While researchers have focused on the rise of Hamas this return has in fact manifested itself in a range of independent Islamic extremist groups with their own philosophies Jihad in Palestine provides a comprehensive study of the variety of Islamic extremist groups operating inside Israel Palestine today examining their philosophies and views concerning martyrdom as well as their attitudes to the Israeli Palestinian conflict These ideologies are presented in their own words thanks to the author's extensive translations and commentary of primary sources in Arabic including the writings of the Islamic Jihad al Jama'a al Islamiya Hizbal Tahrir al Islami Hamas and the Islamic Movement The book studies the attitudes of these organisations towards the fundamental issues surrounding Jihad including the concept of personal obligation the relationship of the movement to the peace agreements and attitudes towards Jews expressed in the movement's writings Exploring the basic theories of sacrifice and analysing modern day Palestinian society it promotes a greater understanding of the religious angle of the Israeli Palestinian conflict The book will be of interest to students and scholars of Middle East Studies Jewish Studies Political Islam and Terrorism Political Violence Ben-Gurion's Political Struggles, 1963-1967 Zaky Shalom, 2006-09-27 An essential insight into this central figure in the modern history of Israel and Zionism This important new study explores the years that built up to the Six Day War and details the crucial issues and events the world is still grappling with today This book traces Daniel Ben Gurion's waning years in Israeli politics After his resignation from the office of prime minister in 1963 the Old Man soon lost faith in his self chose successor Levi Eshkol and ceaselessly tried to undermine the latter's premiership eventually forming a breakaway party The events leading up to the Six Day War in June 1967 caught Ben Gurion by surprise During the weeks long waiting period prior to the outbreak of hostilities he paid little attention to daily security issues But when war did erupt he displayed one of his key leadership skills the ability to formulate an accurate independent situation assessment It will be of interest to scholars working in Israeli politics and history this is a lucid thoroughly researched account of the sunset years of the driving force behind the Israeli nation state

Navigating Perilous Waters An Israeli Strategy For Peace And Security Introduction

In the digital age, access to information has become easier than ever before. The ability to download Navigating Perilous Waters An Israeli Strategy For Peace And Security has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Navigating Perilous Waters An Israeli Strategy For Peace And Security has opened up a world of possibilities. Downloading Navigating Perilous Waters An Israeli Strategy For Peace And Security provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Navigating Perilous Waters An Israeli Strategy For Peace And Security has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Navigating Perilous Waters An Israeli Strategy For Peace And Security. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Navigating Perilous Waters An Israeli Strategy For Peace And Security. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Navigating Perilous Waters An Israeli Strategy For Peace And Security, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Navigating Perilous Waters An Israeli Strategy For Peace And Security has transformed the way we access

information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Navigating Perilous Waters An Israeli Strategy For Peace And Security Books

1. Where can I buy Navigating Perilous Waters An Israeli Strategy For Peace And Security books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Navigating Perilous Waters An Israeli Strategy For Peace And Security book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Navigating Perilous Waters An Israeli Strategy For Peace And Security books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Navigating Perilous Waters An Israeli Strategy For Peace And Security audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores.

Navigating Perilous Waters An Israeli Strategy For Peace And Security

Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Navigating Perilous Waters An Israeli Strategy For Peace And Security books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
