

Navigation Of A Rainmaker

RJ Alexander

Navigation Of A Rainmaker:

Navigation of a Rainmaker Jamal Mahjoub, 1989 This first novel follows the journey of a young man from a mixed family who travels from Britain to the Sudan to claim his heritage from his father As famine inexorably moves into the western part of the country Tanner finds himself the embodiment of the same malaise gripping Africa *The Routledge Handbook of Literature and Space* Robert Tally Jr., 2017-01-06 The spatial turn in literary studies is transforming the way we think of the field The Routledge Handbook of Literature and Space maps the key areas of spatiality within literary studies offering a comprehensive overview but also pointing towards new and exciting directions of study The interdisciplinary and global approach provides a thorough introduction and includes thirty two essays on topics such as Spatial theory and practice Critical methodologies Work sites Cities and the geography of urban experience Maps territories readings The contributors to this volume demonstrate how a variety of romantic realist modernist and postmodernist narratives represent the changing social spaces of their world and of our own world system today **Edinburgh Companion to the Arab Novel in English** Nouri Gana, 2015-04-17 Opening up the field of diasporic Anglo Arab literature to critical debate this companion spans from the first Arab novel in 1911 to the resurgence of the Anglo Arabic novel in the last 20 years There are chapters on authors such as Ameen Rihani Ahdaf *The Oxford Handbook of Arab Novelistic Traditions* Wail S. Hassan, 2017 The Oxford Handbook of Arab Novelistic Traditions encompasses the genesis of the Arabic novel in the second half of the nineteenth century and its development to the present in every Arab country as well as Arab immigrant writing in many languages around the world **Whitehavens** Parker Bilal, 2021-06-01 When it comes to family loyalty is everything It s not easy being the head of a feared crime dynasty Donny Apostolis and his family are at war with the powerful Ziyades determined to stop them muscling in on the Apostolis empire Fortunately Donny has Brodie Brodie is loyal He s also Donny s hitman He does what he s told which is why he s agreed to take Donny s young nephew with him on his next job But when Brodie finds his target he gets a call that changes everything and his mission takes a startling turn Brodie is suddenly one half of an unlikely couple on the run dragged into a brutal game of survival alongside Karima the woman he was sent to kill But can Karima trust him and can Brodie trust her **The Anglo-Arab Encounter** Geoffrey Nash, 2007 This concise study argues there is a qualitative difference between Arabic literature Arabic literature translated into English and a literature conceived and executed in English by writers of an Arab background It examines the corpus of a group of contemporary Arab writers who incorporate Arab subjects and themes into the English language *The Burning Gates* Parker Bilal, 2015-02-24 In Cairo private investigator Makana is called into the office of his new client a powerful art dealer known as Kasabian Kasabian wants him to track down a famous painting that went missing from Baghdad during the US invasion All the dealer can tell Makana is that the piece was smuggled into Egypt by an Iraqi war criminal who doesn t want to be found The world of art is a far cry from the shady streets and alleyways of the Cairo that Makana knows but he soon finds out that this side of the city

has its own dark underbelly As he sets out to find the lost work of art and those involved in the case begin to die in horrific ways Makana finds himself entangled in a mystery that many have attempted to keep hidden The trail will lead him back into the dark days of the war and threaten to send the new life he has built for himself up in flames Africana Islamic Studies

James L. Conyers Jr.,Abul Pitre,2016-03-04 Africana Islamic Studies highlights the diverse contributions that African Americans have made to the formation of Islam in the United States It specifically focuses on the Nation of Islam and its patriarch Elijah Muhammad with regards to the African American Islamic experience Contributors explore topics such as gender education politics and sociology from the African American perspective on Islam This volume offers a unique view of the longstanding Islamic discourse in the United States and its impact on the American cultural landscape **Muslim**

Writing, Writing Muslimness in Europe Carmen Zamorano Llena,Billy Gray,Carolina León Vegas,Carles Magrinyà Badiella,2025-09-25 Throughout the first two decades of the twenty first century the so called Muslim question has intermittently though persistently taken centre stage in Western media and political discourses In terms of culture within the European context there is also a substantial body of literature that has engaged with Western anxieties projected onto the Muslim Other and in particular the Muslim migrant Other Literary criticism of Muslim writing and writing about Muslims in Europe has often highlighted the need to offer a more nuanced articulation of Muslim identity that contributes to challenging such othering practices Critical studies on Muslim writing produced over the last two decades have predominantly focused on contemporary literature and the novel in particular and they have often centred on specific linguistic and national frameworks This collection of essays adds complexity to existing analyses of contemporary Muslim writing and writing about Muslims and Islam in the European context by emphasizing the comparative perspective of writings produced in different epochs and different linguistic and cultural contexts Drawing on transcultural and world literature perspectives Muslim writing is redefined so as to incorporate genres other than the novel and critical approaches that expand on disciplinary redefinitions of literature and literary studies The thematic focus and the rigorous in depth analysis of the different case studies will make this collection relevant to students and academics within the fields of literary and cultural studies sociology and anthropology as well as to those in European studies and global studies Arab Voices in Diaspora Layla Al Maleh,Layla Maleh,2009 Arab Voices in Diaspora offers a wide ranging overview and an insightful study of the field of anglophone Arab literature produced across the world The first of its kind it chronicles the development of this literature from its inception at the turn of the past century until the post 9 11 era The book sheds light not only on the historical but also on the cultural and aesthetic value of this literary production which has so far received little scholarly attention It also seeks to place anglophone Arab literary works within the larger nomenclature of postcolonial emerging and ethnic literature as it finds that the authors are haunted by the same hybrid exilic and diasporic questions that have dogged their fellow postcolonialists Issues of belonging loyalty and affinity are recognized and dealt with in the various essays as are the various concerns involved in

cultural and relational identification The contributors to this volume come from different national backgrounds and share in examining the nuances of this emerging literature Authors discussed include Elmaz Abinader Diana Abu Jaber Leila Aboulela Leila Ahmed Rabih Alameddine Edward Atiyah Shaw Dallal Ibrahim Fawal Fadia Faqir Khalil Gibran Suheir Hammad Loubna Haikal Nada Awar Jarrar Jad El Hage Lawrence Joseph Mohja Kahf Jamal Mahjoub Hisham Matar Dunya Mikhail Samia Serageldine Naomi Shihab Nye Ameen Rihani Mona Simpson Ahdaf Soueif and Cecile Yazbak Contributors Victoria M Abboud Diya M Abdo Samaa Abdurraqib Marta Cariello Carol Fadda Conrey Cristina Garrig s Lamia Hammad Yasmeen Hanoosh Wal S Hassan Richard E Hishmeh Syrine Hout Layla Al Maleh Brinda J Mehta Dawn Mirapuri Geoffrey P Nash Boulus Sarru Fadia Fayezy Suyoufie

Being/s in Transit Liselotte Glage,2000 This fifth volume of ASNEL Papers covers a range of theoretical and thematic approaches to the topics of travelling migration and dislocation The essays in this volume look at both kinds of movement at their intersections and at the dislocating effects

African Literatures in English Gareth Griffiths,2014-09-19 Here is an introduction to the history of English writing from East and West Africa drawing on a range of texts from the slave diaspora to the post war upsurge in African English language and literature from these regions

Nostalgia in Anglophone Arab Literature Tasnim Qutait,2021-04-22 This book offers an in depth engagement with the growing body of Anglophone Arab fiction in the context of theoretical debates around memory and identity Against the critical tendency to dismiss nostalgia as a sentimental trope of immigrant narratives Qutait sheds light on the creative uses to which it is put in the works of Rabih Alameddine Ahdaf Soueif Hisham Matar Leila Aboulela Randa Jarrar Rawi Hage and others Arguing for the necessity of theorising cultural memory beyond Eurocentric frameworks the book demonstrates how Arab novelists writing in English draw on nostalgia as a touchstone of Arabic literary tradition from pre Islamic poetry to the present Qutait situates Anglophone Arab fiction within contentious debates about the place of the past in the Arab world tracing how writers have deployed nostalgia as an aesthetic strategy to deal with subject matter ranging from the Islamic golden age the era of anti colonial struggle the failures of the postcolonial state and of pan Arabism and the perennial issue of the diaspora s relationship to the homeland Making a contribution to the transnational turn in memory studies while focusing on a region underrepresented in this field this book will be of interest for researchers interested in cultural memory postcolonial studies and the literatures of the Middle East

Encyclopedia of African Literature Simon Gikandi,2003-09-02 The most comprehensive reference work on African literature to date this book covers all the key historical and cultural issues in the field The Encyclopedia contains over 600 entries covering criticism and theory African literature s development as a field of scholarship and studies of established and lesser known writers and their texts While the greatest proportion of literary work in Africa has been a product of the twentieth century the Encyclopedia also covers the literature back to the earliest eras of story telling and oral transmission making this a unique and valuable resource for those studying social sciences as well as humanities This work includes cross references suggestions for further reading and a comprehensive

index **Stewart's Quotable Africa** Julia Stewart, 2012-10-02 The African continent is home to spectacularly expressive human beings rebellious anti colonial and opposition leaders eloquent novelists political and social activists comical geniuses pensive and philosophical poets and intellectuals as well as a few raving dictators And the body of proverbial wisdom from Africa alone could fill many volumes Despite being eminently quotable Africa is not so readily quoted Stewart's Quotable Africa covers the whole of Africa north to south and east to west and includes memorable statements from hundreds of speakers including Nelson Mandela Doris Lessing Chinua Achebe Julius Nyerere Kofi Annan among others as well as biblical passages and proverbs Julia Stewart has spent over a decade collecting the 5000 plus quotes found in this book all of them either by Africans or about African subjects *Convivial Worlds* Tina Steiner, 2021-07-29 This book discovers everyday forms of conviviality in fiction and life writing from Eastern and Southern Africa It focuses on ordinary moments of recognition of hospitality of humour and kindness in everyday life to illuminate the significance of repertoires of repair in a world broken by relations of power Through close readings of specific capacities of living with difference the book excavates ideas of world making personhood and the possibilities of alternative social imaginaries from African perspectives It highlights evanescent and more durable attempts at building solidarity across local and translocal settings by focussing on modes of address that invite reciprocity in contexts of injustice which include Apartheid colonialism racism patriarchy and xenophobia Putting current research on conviviality in conversation with the literary texts the book demonstrates how conviviality emerges as an enabling ethical practice as critique and survival strategy and as embodied lived experience The volume will be of great interest to scholars and researchers of Literary and Cultural Studies especially Postcolonial Literature African Studies and Indian Ocean Studies Negotiating Diasporic Identity in Arab-Canadian Students Wisam Kh. Abdul-Jabbar, 2019-05-09 This book framed through the notion of double consciousness brings postcolonial constructs to sociopolitical and pedagogical studies of youth that have yet to find serious traction in education Significantly this book contributes to a growing interest among educational and curriculum scholars in engaging the pedagogical role of literature in the theorization of an inclusive curriculum Therefore this study not only recognizes the potential of immigrant literature in provoking critical conversation on changes young people undergo in diaspora but also explores how the curriculum is informed by the diasporic condition itself as demonstrated by this negotiation of foreignness between the student and selected texts Eastern African Literatures Russell West-Pavlov, 2018 The book offers an overview of Eastern African writing in English since the mid twentieth century It shows how proximate modes of literary communication arising out of residual but vibrant traditions of oral communication blend with contemporary media to produce hybrid genres of proximity specific to Eastern African literary production **Wings of Dust** Jamal Mahjoub, 2023-10-01 In this brilliantly clever fictionalised memoir award winning author Jamal Mahjoub interrogates how the first generation of Northern Sudanese citizens undertook the momentous task of creating a newly independent nation Exiled in a dilapidated hotel in South West

France Sharif looks back on his rich and eventful life to date Memories of a bohemian existence in England and France a time of love affairs and excess clash with more recent memories of navigating the volatile and unprecedented political situation in North Africa With wry wit Sharif recalls the wealth of extraordinary characters who have passed through his life and tries to make sense of an existence lived in disarray **The Heinemann Book of Contemporary African Short Stories** Chinua Achebe, Catherine Lynette Innes, 1992 A collection of 20 stories written between 1980 1991 which deal with themes relevant to various regions of Africa
