Geopolitical Alpha Marko Papic, 2020-10-06 Forecast geopolitics and markets with this clear and insightful resource Geopolitical Alpha An Investment Framework for Predicting the Future provides readers with an original and compelling approach to forecasting the future and beating the markets while doing so Persuasively written by author investment strategist and geopolitical analyst Marko Papic the book applies a novel framework for making sense of the cacophony of geopolitical risks with the eye towards generating investment relevant insights Geopolitical Alpha posits that investors should ignore the media hyped narratives insights from smoke filled rooms and most of their political consultants and instead focus exclusively on the measurable material constraints facing policymakers In the tug of war between policymaker preferences and their constraints the latter always win out in the end Papic uses a wealth of examples from the past decade to illustrate how one can use his constraint framework to generate Geopolitical Alpha In the process the book discusses What paradigm shifts will drive investment returns over the next decade Why investment and corporate professionals can no longer treat geopolitics as an exogenous risk How to ignore the media and focus on what drives market narratives that generate returns Perfect for investors C suite executives and investment professionals Geopolitical Alpha belongs on the shelf of anyone interested in the intersection of geopolitics economics and finance

Between Thought

and Action Ori Z Soltes,2022-10-01 This volume has two goals One is to explore the life and the thought of Fethullah G len and the important educational and peace inducing activities in which he and those inspired by him have been engaged for several decades The outcome of those efforts of creating schools and providing diverse social and cultural services that bring people together people from diverse backgrounds has been to provide the face of civic and civil Islam as an antidote to the uglier side of political Islam The second goal has been to make clear how the accusations against Mr G len by the minions of Recep Tayyip Erdo an could hardly be more false that what G len and the hizmet service movement that he has inspired are ultimately about is improving the world and saving it form its uglier inclinations A brief discussion of his life and thought has been supplemented by the voices of more than 70 interviews conducted over several years with individuals intimate and more distant but all inspired to be part of the process of serving humanity
