Nba Los Angeles Lakers Just Say No:

DARE to Say No Max Felker-Kantor,2024-02-14 With its signature DARE to keep kids off drugs slogan and iconic t shirts DARE Drug Abuse Resistance Education was the most popular drug education program of the 1980s and 1990s But behind the cultural phenomenon is the story of how DARE and other antidrug education programs brought the War on Drugs into schools and ensured that the velvet glove of antidrug education would be backed by the iron fist of rigorous policing and harsh sentencing Max Felker Kantor has assembled the first history of DARE which began in Los Angeles in 1983 as a joint venture between the police department and the unified school district By the mid 90s it was taught in 75 percent of school districts across the United States DARE received near universal praise from parents educators police officers and politicians and left an indelible stamp on many millennial memories But the program had more nefarious ends and Felker Kantor complicates simplistic narratives of the War on Drugs He shows how policing entered US schools and framed drug use as the result of personal responsibility moral failure and poor behavior deserving of punishment rather than something deeply rooted in state retrenchment the abandonment of social service provisions and structures of social and economic inequality

Spy, 1989-05 Smart Funny Fearless It's pretty safe to say that *Spy* was the most influential magazine of the 1980s It might have remade New York's cultural landscape it definitely changed the whole tone of magazine journalism It was cruel brilliant beautifully written and perfectly designed and feared by all There's no magazine I know of that's so continually referenced held up as a benchmark and whose demise is so lamented Dave Eggers It's a piece of garbage Donald Trump

too contemptible for words Suffice it to know that a skunk has more regard for a garden party than Trump has for a house of worship Hong Kongers protesting Chinese rule These protests amount to nothing more than a self hating Stockholm Syndrome like preference for the British over the Chinese Hong Kongers don t want democracy so much as a return to British colonial rule MTV trying to whitewash Michael Jackson s name from VMAs Frankly his pedophile exploits were such that MTV paying any homage to him is tantamount to Jello paying homage to Bill Cosby Rich parents offering bribes to get their kids into elite colleges The real indictment is that despite all the resources at their disposal these parents raised such dumb lazy and untalented kids Failure of latest US North Korea nuclear summit While Trump flew off to take a cold shower back in America Kim was smoking a cigarette and planning sightseeing tours around Vietnam So who do you think is zooming who in their brokeback bromance *Jet* ,2003-04-07 The weekly source of African American political and entertainment news
