Peter Abelard:

Letters of Peter Abelard, Beyond the Personal Peter Abelard, 2008 The popularity of the personal letters has generated considerable fanfare for the publication of another set of correspondence printed under the title *The Lost Love Letters of Heloise and Abelard* The authorship of all these letters has been contested repeatedly with the last mentioned collection being the center of a present firestorm **Peter Abelard** David Edward Luscombe, 1979 **Peter Abelard** Leif Grane, 2020-12-17 Originally published in 1970 Peter Abelard provides an exploration into the social and religious background to the story of Abelard and Heloise The book presents the twelfth century as an age of renaissance which saw the revival of Greek philosophy and Roman law a renaissance just as important as that which was to come three centuries later Through an examination of the life of Peter Abelard the book offers an insight into this age of enlightenment in which dialects flourished and religious thought began to break away from the bonds of traditionalism Peter Abelard will appeal to those with an interest in religious and social history medieval history and the story of Abelard and Heloise The Philosophy of Peter Abelard John Marenbon, 1997 This book offers a major reassessment of the philosophy of Peter Abelard 1079 1142 which shows that he was a far more constructive and wider ranging thinker than has usually been supposed It combines detailed historical discussion based on published and manuscript sources with philosophical analysis which aims to make clear Abelard's central arguments about the nature of things language and the mind and about morality Although the book concentrates on these philosophical questions it places them within their theological and wider intellectual context **Peter Abelard and Heloise** David Luscombe, 2018-12-20 These essays provide original reflections and new evidence for the lives and work of an outstanding medieval couple Peter Abelard and Heloise The main themes of the author's studies are the careers and the thought of Peter Abelard his philosophy theology and monastic teaching his relationship in marriage and in religious life with Heloise and their correspondence The essays now brought together in a single volume show how much is still to be learned from the presentation of new evidence and the opening of new enquiries about the lives and calamities of Peter Abelard and Heloise Abelard and Heloise: The Letters and Other Writings Peter Abelard, Heloise, Stanley Lombardo, 2007-03-16 The most comprehensive compilation of the works of Abelard and Heloise ever presented in a single volume in English The Letters and Other Writings features an accurate and stylistically faithful new translation of both *The Calamities of Peter Abelard* and the remarkable letters it sparked between the ill-fated twelfth century philosopher and his brilliant former student and lover an exchange whose intellectual passion formal virtuosity and psychological drama distinguish it as one of the most extraordinary correspondences in European history Thanks to this edition Latin-less readers will be better placed than ever to see why this undisputed milestone in the intellectual life of medieval France is also a masterpiece of Western literature In addition to the *The Calamities* and the letters the first complete English translation of all seven in more than eighty years this volume includes an Introduction a map and a chronology Abelard's Confession of Faith
