The diary of a superfluous man, and other stories Ivan Sergeevich Turgenev, 1922

The Book of Archives and Other Stories from the Mora Valley, New Mexico A. Gabriel Meléndez, 2017-04-20 In the shadow of the Sangre de Cristo Mountains New Mexico's Mora Valley harbors the ghosts of history troubadours and soldiers Plains Indians and settlers families fleeing and finding home There more than a century ago villagers collect scraps of paper documenting the valley's history and their identity military records travelers diaries newspaper articles poetry and more and bind them into a leather portfolio known as The Book of Archives When a bomb blast during the Mexican American War scatters the book's contents to the wind the memory of the accounts lives on instead in the minds of Mora residents Poets and storytellers pass down the valley's traditions into the twentieth century from one generation to the next In this pathbreaking dual language volume author A Gabriel Meléndez joins their ranks

continuing the retelling of Mora Valley's tales for our time. A native of Mora with *el don de la palabra* the divine gift of words, Mel ndez mines historical sources and his own imagination to reconstruct the valley's story first in English and then in Spanish. He strings together humorous, tragic, and quotidian vignettes about historical events and unlikely occurrences, creating a vivid portrait of Mora both in cultural memory and present reality. Local gossip and family legend intertwine with Spanish language ballads and the poetry of New Mexico's most famous dueling troubadours, Old Man Vilmas and the poet Garc a. Drawing on New Mexican storytelling tradition, Mel ndez weaves a colorful dual language representation of a place whose irresistible characters and unforgettable events, and the inescapable truths they embody, still resonate today.

[The Trojan Horse and Other Stories](#) Julia Kindt, 2024-01-11

What makes us human? What if anything sets us apart from all other creatures? Ever since Charles Darwin's theory of evolution, the answer to these questions has pointed to our own intrinsic animal nature. Yet the idea that in one way or another, our humanity is entangled with the non-human, has a much longer and more venerable history. In the West, it goes all the way back to classical antiquity. This grippingly written and provocative book boldly reveals how the ancient world mobilised concepts of the animal and animality to conceive of the human in a variety of illuminating ways. Through ten stories about marvelous mythical beings, from the Trojan Horse to the Cyclops and from Androcles' lion to the Minotaur, Julia Kindt unlocks fresh ways of thinking about humanity that extend from antiquity to the present and that ultimately challenge our understanding of who we really are.

The Hunter and Other Stories Dashiell Hammett, 2013-11-19

The Hunter Shortlisted for the 2015 CWA Short Story Dagger. A new collection of crime stories from the legendary hard-boiled writer Dashiell Hammett. The author of classic novels *The Thin Man* and *The Maltese Falcon*, Hammett has been called a master of the detective novel, yes, but also one hell of a writer. The *Boston Globe* while Raymond Chandler raved that Hammett wrote scenes that seemed never to have been written before. Two previously unseen *Thin Man* novellas were recently published together as *Return of the Thin Man*, which garnered strong praise. The *New York Journal of Books* called it a reason to rediscover why Dashiell Hammett was the peerless master of crime fiction in all its dark and bloody glory, while The *Wall Street Journal* praised it as an occasion for delight. This new collection *The Hunter and Other Stories* includes several more never before published short stories and, like the screen stories from *Return of the Thin Man*, the pieces here read as novellas, rich in both story and character that no Hammett fan should do without. *The Hunter and Other Stories* includes new Hammett stories gleaned from his personal archives, along with screen treatments long buried in film industry files, screen stories unpublished and rarely published fiction, and intriguing unfinished narratives. Hammett is regarded as both a pioneer and master of hard-boiled detective fiction, but these dozen and a half stories, which explore failed romance, courage in the face of conflict, hypocrisy, and crass opportunism, show him in a different light. Featuring the title story about a dogged PI unwilling to let go of a seemingly trivial case, the collection also includes two full-length screen treatments. *On the Make* is the basis for the rarely seen 1935 film *Mister Dynamite* about a corrupt detective who never

misses an opportunity to take advantage of his clients rather than help them *The Kiss Off* is the basis for *City Streets* 1931 in which Gary Cooper and Sylvia Sydney are caught in a romance complicated by racketeering's obligations and temptations

Billy Budd & Other Stories Herman Melville, 1998 Stung by the critical reception and lack of commercial success of his previous two works *Moby Dick* and *Pierre* Herman Melville became obsessed with the difficulties of communicating his vision to readers His sense of isolation lies at the heart of these later works *Billy Budd* Sailor a classic confrontation between good and evil is the story of an innocent young man unable to defend himself against a wrongful accusation The other selections here *Bartleby* *The Encantadas* *Benito Cereno* and *The Piazza* also illuminate in varying guises the way fictions are created and shared with a wider society In his introduction Frederick Busch discusses Melville's preoccupation with his correspondence with the world his quarrel with silence and why fiction was for Melville a matter of life and death Book jacket
