London Through Russian Eyes, 1896-1914 Anna Vaninskaya, 2022 Translated anthology of London Letters written by Russian foreign correspondents which makes available for the first time in English the Russian perspective on early twentieth century London life This anthology provides a unique window onto Britain's capital city as it existed more than a century ago in the minds of the Russian reading public Russian foreign correspondents produced a substantial body of writing documenting London life in all its infinite variety but their articles published in Russian journals and newspapers have not been accessible to English speakers until today These articles instrumental in forging Russian perceptions of London before the First World War have now acquired a new interest as monuments of a vanished era and as records of the city's history in their own right The selections in this anthology from Isaak Shklovsky Korney Chukovsky Samuil Marshak and

Semyon Rapoport give just a taste of the riches that still lie hidden in the pages of old periodicals The anthology is divided into four sections Foreigners in London focusing on the plight of immigrants in the city London Labour and the London Poor documenting the experiences of working class Londoners London at Home and at Leisure depicting the domestic life and amusements of Londoners of all classes and ages and London Streets and Public Life covering elections religious meetings famous trials jingoist celebrations and the funeral of Queen Victoria The articles are accompanied by an in depth introduction illustrations and extensive annotations This anthology will appeal to anyone interested in London history or in Anglo Russian relations as well as to scholars of Russian literature Chukovsky and Marshak both became famous writers later in life and many of Shklovsky s sketches have a distinct literary as well as historical value **The Blood Libel Legend** Alan

Ripper has consumed public curiosity since he first tormented the East End of London in 1888 Numerous theories have been offered as to his identity but he remains in the shadows where it seems only imaginative literature has been able to elucidate his meaning to the modern world This work surveys the literary film television and radio treatments of Jack the Ripper and his crimes The works of fiction are thoroughly analyzed as are the major nonfiction works that have offered various theories about the Ripper s identity Works whose narratives are obviously inspired by Jack the Ripper and his crimes are also

discussed Literary Passports Shachar Pinsker,2010-12-13 Literary Passports is the first book to explore modernist

Hebrew fiction in Europe in the early decades of the twentieth century It not only serves as an introduction to this important body of literature but also acts as a major revisionist statement freeing this literature from a Zionist nationalist narrative and viewing it through the wider lens of new comparative studies in modernism The book s central claim is that modernist Hebrew prose fiction as it emerged from 1900 to 1930 was shaped by the highly charged encounter of traditionally educated Jews with the revolution of European literature and culture known as modernism The book deals with modernist Hebrew fiction as an urban phenomenon explores the ways in which the genre dealt with issues of sexuality and gender and examines its depictions of the complex relations between tradition modernity and religion

At the Margins of Victorian Britain Dennis Grube,2013-07-15 Victorian Britain at the head of the vast British Empire was the wealthiest and most powerful country in the world Yet not all Britons were seen as possessing the characteristics that defined what it actually meant to be British At the Margins of Victorian Britain focuses on the political means of policing unwanted others in Victorian society the Irish Catholics and Jews atheists prostitutes and homosexuals In this groundbreaking study Dennis Grube details the laws and conventions that were legally and culturally enforced in order to bar these others from gaining power and influence in Victorian Britain Utilizing a wide ranging analysis the book focuses on

key case studies the anti-Semitism implicit in Lord Rothschild's barring from the House of Commons the fine line between accepted male love and companionship and homosexuality culminating in the Oscar Wilde trials of the 1890s and how laws against disease were used to police prostitutes and correct moral vices Political and legal rhetoric backed by the force of legislation set the boundaries of Britishness and enforced those boundaries through the majesty of British law As Jews Roman Catholics and atheists were brought into a genuine sense of partnership in the British constitution by being allowed to seek election to Parliament homosexuals prostitutes and the allegedly innately criminal Irish found themselves further and more vehemently displaced as the nineteenth century progressed Otherness stopped being a religious question and became instead a moral one That fundamental shift marks the moment that Britishness became a values based question And we've been arguing about what those values are ever since This will be essential reading for those working in the fields of Victorian studies social and cultural history and constitutional identity Anglo-Jewish Bibliography, 1971-1990 Ruth Pauline Goldschmidt-Lehmann, Stephen W. Massil, Peter Shmuel Salinger, 1992 The fifth volume in a series published since 1988 Lists books and articles mainly in English See the index for works on antisemitism
