The Poisoned Pen Arthur B. Reeve, 2015-11-24 A dozen astonishing mysteries from the case files of scientific detective Craig Kennedy Whenever the New York City police department encounters a mystery so strange it seems impossible to solve they head to Columbia University in search of Professor Craig Kennedy When he is not lecturing students on the science of chemistry Kennedy uses his superlative intellect and his facility with the latest technological advancements to capture the city's most diabolical villains In *The Confidence King* he matches wits with a thief whose counterfeiting skills extend from paper currency to fingerprints In *The Firebug* Kennedy stops an arson epidemic by means of sophisticated handwriting analysis And in the title story the surprise antidote to a case of cyanide poisoning turns out to be as dangerous as it is effective First appearing in the pages of *Cosmopolitan* magazine scientific detective Craig Kennedy was so popular during the early twentieth century that he became known as the American Sherlock Holmes This ebook features a new introduction by Otto Penzler and has been professionally proofread to ensure accuracy and readability on all devices [The Poisoned Pen](#) Arthur Benjamin Reeve, 1999 **The Poisoned Pen** B. Reeve, 2015-06-30 Excerpt from *The Poisoned Pen* Kennedy's suit case was lying open on the bed and he was literally throwing things into it from his chiffonier as I entered after a hurried trip up town from the Star office in response to an urgent message from him Come Walter he cried hastily stuffing in a package of clean laundry without taking off the wrapping paper I've got your suit case out Pack up whatever you can in five minutes We must take the six o'clock train for Danbridge I did not wait to hear any more The mere mention of the name of the quaint and quiet little Connecticut town was sufficient For Danbridge was on everybody's lips at that time It was the scene of the now famous Danbridge poisoning case a brutal case in which the pretty little actress Vera Lytton had been the victim I've been retained by Senator Adrian Willard he called

from his room as I was busy packing in mine The Willard family believe that that young Dr Dixon is the victim of a conspiracy or at least Alma Willard does which comes to the same thing and well the senator called me up on long distance and offered me anything I would name in reason to take the case Are you ready Come on then We ve simply got to make that train About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
